Upon motion of Dr. MacMillan, duly seconded, it was received and taken as read, and the Business Committee was instructed to find a place for it on the docket of a future Sederunt.

To the Venerable the General Assembly:

The Board of Education begs to present the following report:

I. *References from Last Assembly:*

- (a) Overture re Examination for Office of Deaconess. (See A. & P., 1955, p. 347 and p. 91.)

As instructed by the General Assembly, (A. & P., 1956, p. 18 and p. 48), this Overture has been considered by a committee called by the Chairman of the Board of Education and composed of representatives of the Board of Education and the Board of the Missionary and Deaconess Training School.

It is recommended that the prayer of the Overture be granted in these terms: that the following steps be taken to place Deaconesses and candidates for the Office of Deaconess under the jurisdiction of Presbytery.

- (1) That candidates be examined and certified by Presbytery before admission to the Missionary and Deaconess Training School.
- (2) That candidates upon completion of the required course of training be examined by Presbytery prior to designation as Deaconesses.
- (3) That every appointment of a Deaconess be sanctioned by the Presbytery within which she is to reside.
- (4) That Deaconesses be under the jurisdiction of the Presbyteries in which they reside.
- (5) That Deaconesses whose appointments have been sanctioned by Presbytery have the right of direct access to Presbytery at all times in all matters concerning their office and work.

[5633]

- (6) That the regulations concerning Deaconesses be amended in accordance with the above regulations.
- (7) That these recommendations be considered following the Report of the Board of the Missionary and Deaconess Training School.
- (b) Provisional Certification of Students for the Ministry by Kirk Session and Presbytery.

As required by the General Assembly, (See A. & P., 1956, p. 61) the Board of Education has examined the possibility of provisional or temporary certification of applicants desirous of studying for the ministry so as to permit, in cases where there has been any element of doubt in the mind of the Kirk Session and Presbytery concerned, that such cases be again reviewed by these courts.

It is recommended that no action be taken.

- (c) Re Ministers from other Churches, and Examinations. (See A. & P., 1956, p. 79, p. 86 and p. 329 and also A. & P., 1947, p. 33.)

The matter of the examination required of all ministers from other denominations and all Presbyterian Churches outside of Canada, who desire to be received into the ministry of our Church, was committed to the Board of Education for study and report to the next General Assembly.

It is recommended that the ruling of the General Assembly (A. & P., 1947, p. 33) be amended by the insertion of the following after the words, "Forms of Procedure", and before the words, "the results . . .": "the examination to be taken any time between the time of application for reception and the time the applicant is received".

The rule, if amended, would be as follows:

"All ministers from other denominations and all Presbyterian churches outside of Canada, who desire to be received into the ministry of our Church, shall be required by the Presbyteries in which they may labour to pass satisfactorily an examination on the history of The Presbyterian Church in Canada and on its Rules and Forms of Procedure; the examination to be taken any time between the time of application for reception and the time the applicant is received; the results of such examinations to be sent to the Board of Education before its next regular meeting".

II. The Presbyterian Residence, Saskatoon

A very satisfactory report has been received. The Residence has been filled with university students one of whom is preparing for the ministry of our Church. Devotions are conducted twice weekly, the Dean of Residence, the Rev. G. McMichen, M.A., B.D., giving the address and being assisted by the students.

[5634]

In addition to pastoral work among the residents, the Dean has given lectures on themes of interest to the inquiring student, (e.g.) some subjects dealt with in the Philosophy of Religion. The pre-theological student has been tutored in Hebrew. As a general principle, however, it is understood that potential theological students should, whenever possible, try to avoid anticipating their Divinity course.

III. The Presbyterian Training School, Medicine Hat

The annual report tells of the largest registration—eleven full time or part time students—and the largest graduating class—five—in the history of the Training School. The students came from all of the eight Synods of the Church. Dr. John Brent continued to serve as Superintendent during the academic year.

Regular courses of study were given in the following subjects: Bible Study, Christian Living, Christian Doctrine, Church History, Christian Education and Leadership Training. Short term courses were given in Christian Missions, Worship and Church Government.

(a) Previous Applications:

Of the applications previously granted subject to the above ruling the Board hereby reports that all Presbyteries concerned have reported fulfilment of the conditions with the following exception:

1. *Presbytery of Calgary*. Application in 1954 on behalf of the Rev. John Ross Robson. The Board of Education reported to the 1956 General Assembly that the Presbytery of Calgary had failed to comply with the above ruling and sought guidance as to what action should be taken. (A. & P., 1956, p. 25). The Presbytery was instructed by the General Assembly to report forthwith to the Board of Education, (p. 61). The Board of Education hereby reports that the Presbytery concerned has ignored the instruction of the General Assembly.

It is recommended that on condition no valid objection is offered by a Presbytery within two clear months of notification the application be approved. REPORT OF THE COMMITTEE RE RECEPTION UNDER BOOK OF FORMS
248—SUBSECTION II

To the Venerable the General Assembly:

The Committee re Reception under Book of Forms,—248—Subsection II begs to present the following report:

This Committee was appointed by the General Assembly, (A. & P., 1955, pp. 109-110 and p. 112) with power to admit to eligibility "ministers described in Subsection I or licentiates in good and regular standing, who have not been called by a congregation of this Church, but who desire to come to Canada in hope of such a call" and who "make their application to this Committee before they resign their position in their home Church". Applications can be received only from ministers or licentiates belonging to Churches whose Orders were approved by the General Assembly of 1948 or to Churches whose Orders may hereafter be approved by Assembly.

No meeting of the Committee was required during the year 1955-56. Two meetings were held during 1956-57, (viz.) Sept. 23rd and Nov. 21st. It may be noted that the Committee is intended to bridge the gap in the period between Assemblies. It is not meant to be operative in the spring months of the year when the regular channels (application by Presbytery through the Board of Education to the General Assembly) are possible.

The following applications were received and considered: the Rev. R. A. K. Martin, M.A., and the Rev. S. J. Kennedy, B.A., applied to be received as a licentiate and as a minister respectively. Circular letters were dispatched to the Presbyteries giving notice of the applications. No valid objection having been received within two clear months, Mr. Martin and Mr. Kennedy were declared eligible to receive a call. In due course the Presbyteries concerned reported that Messrs. Martin and Kennedy had passed satisfactorily an examination on the history of The Presbyterian Church in Canada and on its Rules and Forms of Procedure.

[5639]

The following recommendations are presented.

1. That the name of this Committee be confirmed: (viz.) The Committee re Reception under Book of Forms, 248, Subsection II.
2. That the Committee consist of the following, all ex-officio: The Chairman of the Board of Education, Convener, the Moderator of the General Assembly, the Clerks of the General Assembly, The Home Missions Secretary of the General Board of Missions, The Principal of Knox College, The Principal of the Presbyterian College, Montreal, The Chairman of the Board of Management, Knox College, and The Chairman of the Board of Management, the Presbyterian College, Montreal.

The Assembly called for the report of the General Board of Missions which was given in by Dr. G. D. Johnston, the Chairman.

PUBLIC WORSHIP

Dr. Johnston conducted public worship. He was assisted by the Choir of West Point Grey Church, Vancouver, who beautifully presented two anthems.

DR. J. A. MUNRO

Dr. Johnston introduced Dr. J. A. Munro, Secretary of the General Board of Missions for Home Missions who in turn introduced several ministers serving with the Board.

MR. W. O. NUGENT

Mr. Nugent, Superintendent of Missions for Alberta, spoke of the line of churches in a length of 2400 miles. Ministers remaining on their fields for four or five years build up their fields. There is also a recovery of the sense of stewardship. One congregation receiving aid from central funds two years ago, in one day in cash and pledges subscribed \$31,000.00 to be paid within a three year period. The larger churches in Edmonton and Calgary are helping in Church Extension work.

MR. G. E. BASTEDO

Mr. Bastedo, our minister at Atikokan, spoke about the great physical development in that new area. The Church is greatly needed and because the Church is there, men and women, young and old, are coming into a contact with the Church and her message.

MR. PAUL CHAN

Mr. Chan, our minister in the Chinese Church, Montreal, told the story of progress in his work in Montreal. Seventeen years ago no Chinese could be found capable of teaching or willing to teach. Today, in the four missions, there are fifty-five teachers, forty-two of whom are Chinese. Formerly they were unwilling to contribute; today they subscribe to the Budget of the Church, to the W.M.S. and to the minister's stipend.

MR. K. C. DOKA

Mr. Doka, our minister of the Hungarian Church at Abbotsford, B.C., is a graduate of our Canadian schools and in Theology of Knox College. He presented a vivid picture of the mental, physical and spiritual state of the Hungarian refugees. They come to us after many years of soul-destroying propaganda. They are confused and on the defensive. They do not understand

[5645]

freedom and are fearful. The Presbyterian Church in Canada has met these people with ten Hungarian ministers, two Hungarian catechists and one Hungarian Deaconess. The Church has reprinted the only Hungarian Grammar in Canada. The Church has done much but much more is to be done. Refugees are scattered throughout the land, bewildered and lonely, and the Church must face this great task.

MR. W. C. MCBRIDE

Mr. McBride, Superintendent of Missions for British Columbia, presented a bird's eye view of the development of the Church within the province in the last few years. He paid tribute to the Rev. Harry Lennox and the late Rev. James Evans who through the years steadily persevered in the work of the Church. The British Columbia Congress meant a great deal to the whole Synod. Men and women went home to their several congregations with a new sense of the great task to which the Church has set her hand. New Church Extension work is going forward in the metropolitan area of Vancouver.

DR. J. A. MUNRO

Dr. Munro summed up the messages which the others had delivered. He also spoke of the great work going on among the French speaking Presbyterian people in Canada. A number of qualified French speaking ministers are serving among them and an important task is being well done. Thousands of people are coming from overseas and their presence means that the Church must move quickly forward within the next few years. Six million, three hundred and seventy-five thousand dollars will be required to meet the minimum needs of church extension, and many men and women must come forward to lead in the enterprise of the Church.

DR. G. D. JOHNSTON

Dr. Johnston concluded the presentation of the Home Mission work by speaking of the witness to the power of God which is laid upon our Church. With a great past, a glorious present, we have yet a future filled with opportunities for the Church which has stood the test of the ages.

THANKS

The Moderator thanked Dr. Johnston and those associated with him for the excellent presentation of the work of Home Missions given to the Assembly.

Correction in Roll: Mr. H. L. Simpson, Minister, in place of Mr. A. R. Ferguson, Minister, Presbytery of Lanark and Renfrew.

FUND FOR MINISTERIAL ASSISTANCE

The Assembly called for the report of the Fund for Ministerial Assistance, which was given in by Dr. A. Ian Burnett, the Chairman, as follows:

During the past year the Appointors have held regular quarterly meetings, and the Treasurer of the Church has received from the donor a quarterly cheque for the sum of \$25,000. Total receipts received up to the 31st December, 1956, now amount to \$600,000. In accordance with the donor's wishes half of this sum has been invested while the balance is being made available for payments under the Trust Settlement.

During the past year 853 quarterly gifts were made to married Ministers in charges, and 1251 gifts were made in respect of children. This has meant a decrease of 144 in the number of Ministers who benefited from the Fund, while there has also been a decrease of 240 children who have received gifts.

In the Report presented to last year's General Assembly it was pointed out that practically the entire quarterly sum available for payments, namely \$12,500 was being expended. This continued to be the case throughout 1956, though a decrease in payments was indicated at the last meeting of the Appointors which reflected the increase in salaries paid to our Ministers in 1957. At the same time the Appointors realise that the increase in the minimum stipend which is under consideration by this General Assembly, and which we all earnestly hope for, will probably mean an even greater drain upon the total quarterly sum available for payments. It seems probable, therefore, that in 1958 it may be necessary to revise the scale of payments to keep within the quarterly figure of \$12,500. Such a revision, the Appointors feel, should be made in the grants paid to Ministers, rather than in gifts made on behalf of children.

The Appointors are most anxious to see this Fund continued in perpetuity and we believe that, by careful husbanding of our resources during the next three years, it will be possible at the end of the first ten year period to set up the Fund in such a way that the donor's primary wish and purpose will be met, and assistance continue to be given to our Ministers where it is most needed. So great has been the benefit to the Church from this Fund that we would again encourage other members of our Church to consider making substantial bequests towards it.

[5658]

The Total sum paid out in 1956 was	\$34,506.75
Balance at 31st January 1957 in the Capital Account amounted to	346,905.38
Balance in the Current Account amounted to	89,407.54
Making a total of	<u>\$436,312.92</u>

The Appointors wish to put on record their continued indebtedness to the Assistant-to-the-Treasurer of the Church, Mr. H. S. Reid, who has handled the financial affairs of the Fund throughout the year, and at the same time express gratitude to Dr. J. A. Munro and his staff who have seen that regular payments have been forwarded to the beneficiaries of the Fund.

Respectfully submitted,

A. Ian Burnett,
Chairman

REASONS FOR DISSENT

The following Dissent to the action of this General Assembly re the Reception of the Rev. D. S. Paterson was given in:

"We, the undersigned, beg leave to record our dissent from the decision of this General Assembly to receive the Rev. Donald S. Paterson as a minister of our Church without further academic training as recommended by the Board of Education for the following reasons:

First: Mr. Paterson's present educational standing is admittedly defective to a degree well beyond that of other men who have been required by the Assembly to do qualifying work. This action of the General Assembly is therefore unfair to them, not to speak of the serious result of such action in relation to the accepted educational standards of the Church.

Second: The fact that Mr. Paterson came originally to Canada as a result of the visit of men sent by the Assembly to the British Isles to interview men who might be desirous of entering the ministry of our Church, and that he was subsequently employed by the Board of Missions while still unable to secure a certificate of good standing in his own Church, in no way entitles him to any special consideration by the General Assembly. In the case of other men who came at the same time, in the same circumstances, and with regular Presbyterian certification, each application was dealt with on its own merits and in accordance with the regulations of the Church. We protest therefore against the failure of the Assembly to follow the same procedure in this case.

OVERTURE NO. 12, PRESBYTERY OF EDMONTON RE PROPER MINIMUM STIPENDS

OVERTURE NO. 15, PRESBYTERY OF HAMILTON RE MINISTERIAL STIPENDS
UNPRINTED OVERTURE, PRESBYTERY OF HAMILTON
RE "HIGH POTENTIAL AREAS"

The Assembly called for the report of the Special Committee re Overtures Nos. 12 and 15 and unprinted overture, Presbytery of Hamilton Re "High Potential Areas", which was given in by Mr. B. L. Walden, Convener.

I—*Re Overture No. 12, Presbytery of Edmonton re Proper Minimum Stipends.*

Your Committee recommends that the prayer of this Overture be not granted.

We do so for the following reasons:

(a) We believe that the purpose of this Overture will be adequately served by pending proposals and subsequent discussion on stipends by the Board of Administration, to be brought before this Assembly.

(b) We sympathize with the recommendation that ministers' stipends will reach \$3,900.00 as a minimum in view of present conditions, but we feel that it is not yet feasible. To do so would mean a sharp demand on Budget Funds right across the board—ministers, catechists, deaconesses and missionaries, to the extent of over \$500,000.00.

(c) Moreover, your committee believe that it puts an undue emphasis on ministers' stipends as over against church extensions. The last paragraph of this overture would almost impose such severe restrictions on the general work of the church that no new extension work be done in charges, no new missionaries be sent overseas, in bringing the basic stipend up to this level. In our opinion much of our present progress in the church has been due in no small way to the efficient work of secretaries and other workers appointed within the last few years.

II—*Re Overture No. 15, Presbytery of Hamilton, Re Ministerial Stipends.*

Your Committee recommends that the prayer of this Overture be not granted.

Reasons —

(a) Your Committee believes that the plan proposed in this Overture to increase ministers' stipends might prove to be the source of greater embarrassment to the ministers in appealing for Budget Funds in our Church than any gain that would accrue therefrom.

(b) Moreover, your Committee feels, as in the case of Overture No. 12, above, that the prayer of this Overture will be served by proposals and discussions which are to be brought in later by the Board of Administration.

[5686]

Unprinted Overture from Presbytery of Hamilton Re "High Potential Areas"

Your Committee reports that the subject matter of this Overture is being dealt with in the report of the General Board of Missions in connection with Overture No. 16 to the General Assembly of 1956.

RE COMMITTEE ON MINISTERS' STIPENDS

On request, and with the approval of Assembly, Mr. B. M. Hannigan, Chairman of the Committee on Ministers' Stipends, was heard with respect to the matter before Assembly. In so doing he presented the report of the Committee on Ministers' Stipends as follows:

To the Venerable the General Assembly,
Fathers, and Brethren,—

First, may the Laymen's Committee express its appreciation of the action of the General Assembly in relinquishing its time from 4:30 o'clock p.m. on Friday, last, June 7th, to permit us to meet and discuss the important matter of ministers' stipends.

The Laymen's Committee composed of all the accredited elder commissioners to this General Assembly unanimously recommend to the General Assembly as follows:

That all Presbyteries be directed—

1. To appoint a strong Committee of laymen to be known as "The Presbytery Laymen's Committee on Ministers' Stipends"—with power to co-opt the services of laymen of the Presbytery other than the representative elders.

2. That the duties of this Committee broadly shall be:

(a) To appraise the cost of living and other related matters within the bounds of the Presbytery, relating them to the stipends presently being paid.

(b) To arrange for and conduct visitations with the appropriate officials in each pastoral charge, to discuss with them the question of their minister's stipend, and other related matters.

(c) To determine in their judgment, having regard for all the local circumstances, whether the stipend is adequate.

(d) In the case of any augmented charges, to endeavour to have them become self-supporting thereby relieving the budget revenue of our Church.

(e) To offer helpful and constructive suggestions where the need for same is apparent.

[5687]

(f) If thought necessary or desirable to set higher stipend for their respective Presbytery, having regard for the basic stipend which shall from time to time be established by the General Assembly.

(g) That the Clerks of the General Assembly be requested to notify all Clerks of Presbyteries by letter with respect to this matter.

It is further recommended to this General Assembly that the Laymen's Committee on Ministers' Stipends be continued.

Respectfully submitted,

B. M. Hannigan,
Chairman

RECOMMENDATION RE INTER-BOARD COURTESY

Dr. Johnson introduced the following recommendation:

Whereas there are now labouring for various Boards and Committees of the Church a considerable number of men and women; and whereas the work of the Church is one work; and whereas it may be in the best interests of the work of the Church for an individual to transfer his or her sphere of labour from the direction of one Board or Committee to that of another; and whereas such a change might well cause considerable inconvenience to the Board or Committee concerned; Therefore it is recommended that:

When a Board or Committee desires the services of an individual labouring under the direction of another Board or Committee formal communication be made by one Board or Committee to the other stating their intention to approach an individual labouring under the direction of such a Board or Committee with a view to obtaining his or her services, it being clearly understood that final decision as to the sphere of labour rests entirely with the individual and not with the Boards or Committees of the Church.

REASONS FOR DISSENT

The following Dissent to the report of the Committee to Strike Standing Committees was handed in:

"I hereby register my dissent to the motion approving the report of the Committee to Strike Standing Committees for the following reasons:

(a) Representation in the "Courts" of the Church does not depend upon the volume of membership in any congregation. Representation on the Boards and Committees of the Church should be upon the same basis.

[5708]

(b) The Presbyterian Church in Canada is a "National" Church. It can never be allowed to become a regional church, with representation concentrated in the "central" Synods of the Church.

(c) The Report of the Committee to Strike (with certain amendments) shows:

(1) 316 members from the Synods which comprise the Provinces of Quebec and Ontario.

(2) 30 members from the Synod of the Maritimes.

(3) 33 members from the far western Synods.

(d) This, in my opinion, is unjust, unfair, unequitable and not in line with the basic principle of representation in The Presbyterian Church in Canada and will lead ultimately to centralization of control and authority which can only result in the detriment of The Presbyterian Church in Canada.

The Committee has carefully studied this overture and from information received understands grades or marks are available on the request of the student. Therefore your committee feels that no useful purpose would be served by such regulations as required in this overture. We recommend that the prayer of the Overture be not granted.

On motion of Mr. Greig, duly seconded, the recommendation of the Committee was adopted.

REPORT OF COMMITTEE ON COURTESIES

The Assembly called for the report of the Committee on Courtesies which was given in by Dr. F. Scott Mackenzie, Convener, as follows:

The General Assembly would express thanks to the minister, Kirk Session and congregation of Kerrisdale Church for the invitation to hold this 83rd Assembly in their church, and for the careful provision made to place all the facilities of the church and adjoining church halls at the disposal of

[5717]

the Assembly. The thanks of the Assembly are due in particular to the minister, the Rev. Harry Lennox and Mrs. Lennox, and to the Clerk of Session, Mr. John J. Grant, for their constant care for the comfort of commissioners and unnumbered personal services.

The Assembly would thank the Rev. F. G. St. Denis, Convener of the billeting committee, Mr. R. W. Edgar, convener of the transportation committee, and the members of their respective committees, for their courtesy and efficiency in meeting all the needs of the commissioners in the matter of accommodation and transportation throughout the sessions of the Assembly.

Members of Assembly were guests of the Presbytery of Westminster at a most enjoyable dinner in Fairview Church and would thank the Presbytery very cordially for this hospitality.

Mrs. Grant MacLaren and Mrs. John J. Grant were joint hostesses to the wives of Assembly commissioners at a coffee party during the Assembly sessions. This hospitality is deeply appreciated by the Assembly as well as by the ladies themselves, and the Assembly would express its warm thanks to Mrs. MacLaren and Mrs. Grant.

The thanks of the Assembly are extended also to Mr. and Mrs. Ronald Graham for their most generous hospitality in entertaining the commissioners and their wives at a garden party on the grounds of their home on Saturday afternoon.

The Assembly acknowledges with thanks the courtesy of Presbyterian Publications in their generous provisions of Assembly stationery, and would record its appreciation of their fine display of church literature so attractively arranged in the Church Hall.

Once again the Assembly records its thanks to Mr. H. S. Reid for his services as organist at the opening devotional exercises each day of the Assembly. Cordial thanks are also extended to the organist and choir of the Assembly church for leading the service of praise on the opening night of the Assembly, and to the organists and choirs of the several churches of Vancouver and New Westminster who rendered a similar service at the public sessions of the Assembly on succeeding evenings.

The Assembly acknowledges with warm appreciation the courtesy of the Canadian Memorial Chapel of the United Church in relinquishing its radio time on Assembly Sunday in order that the morning service of worship on that day might be broadcast from the Assembly Church.

The Assembly would record its appreciation of the courtesy of the City Council of Vancouver in sending to the Assembly as its representative Alderman Earl Adams, and would thank him for his cordial greeting and warm welcome to the City of Vancouver.

[5718]

The Assembly is deeply grateful to the press, and the radio and television stations of Vancouver, for the excellent publicity given to its proceedings. Thanks are due in particular to Mr. William R. Good who was personally responsible for the fine publicity given through all three media. The Assembly would assure Mr. Good that his services in this respect are most gratefully appreciated.

To Miss Flora Murray who had charge of the Assembly Post office, to Miss C. Diffin, Mrs. Giskie and Miss Elizabeth Grant, all of Kerrisdale Church, and to Mrs. Knapp of West Point Grey Church, who assisted the Boards and Committees of the Assembly so ably in the typing of material and in many other ways, and to the church officers, Mr. William Young and Mr. Fergus MacKenzie, the Assembly would also express its appreciation and gratitude.

Finally, the Assembly would acknowledge with thanks and appreciation the courtesy of the British Columbia Electric Co. in providing umbrellas and chairs on the church lawn, the British Columbia Telephone Co. for installing on the church grounds the telephones which have been such a convenience to commissioners, and to Mr. W. Fisher for the loan of the public address system.

To all these, and to the many friends who have helped to make the visit of the Assembly commissioners to this beautiful city so pleasant the Assembly offers its warmest thanks. The memory of such kind and cordial hospitality will be among the happiest of many happy memories which every commissioner will cherish of this 83rd General Assembly.

It was moved by Dr. Mackenzie, seconded by Mr. J. Dutton, that the report of the Committee be adopted.

It was moved in amendment by Mr. C. M. Pitts, seconded by Mr. R. A. Sinclair, that the thanks of the Assembly be also accorded to the physicians attending the commissioners who had taken ill during the Assembly—Dr. N. S. McLeod of Tillsonburg, Ont. and Dr. Mackenzie's son, Dr. Douglas Mackenzie of Vancouver, B.C.

THE MODERATOR'S ADDRESS

[5719]

Assembly by the good people of Vancouver. The sojourn in this beautiful city was an event never to be forgotten. In closing he craved the prayers of the Church in the performance of the duties which would be laid upon him.

REPORT OF THE GENERAL BOARD OF MISSIONS FOR 1956

General

1956 has been one of the most distributed years internationally since the close of the Korean War. Pressure against pressure as East met West resulted in a period of violence and the clash of military forces in Asia and in the Middle East. The issues involved, particularly in the Middle East, were of such nature that public opinion was aroused across the nations of the world. One of the most disturbing factors was a rift between the United States on the one hand and Britain and France on the other. Canada as a younger nation standing between these older and larger nations felt the full back-lash caused by the cross purposes of these two areas of the Western world. Violence in Poland and in Hungary also had far-reaching effects upon our own nation. In the Autumn a violent movement of reaction against the Government power in Hungary resulted in the movement of large masses of people out of Hungary to refuge in neighbouring Austria and Yugoslavia.

When there is a clash of nations and a state of war exists in our modern area, the Church has a tendency to slip into the background and to take a supporting role for national morale amongst the people of the nation in which she is at work. Her tendency has been to give comfort on the one hand and to act as a welfare agency in the emergency on the other. Only occasionally through international disturbances is the world made conscious that there is a world Church. The Church as a world body has had little to say about South Africa, Cyprus, Suez and Hungary. Christian groups within the nation may make pronouncements, but there is no overall conscience which rises above the national level.

In the meantime, the nations in the North American continent have enjoyed one of the biggest years of business in the history of the continent. Disturbed conditions overseas have brought a big new population to this continent. The automation of industry, the higher costs of living, inflationary tendencies, building programmes and higher standards of living joined together to give the leaders of nations pause for thought throughout the later months of the year. Controls on the economies of the nations became stricter and there was a definite policy to decrease the spending of individuals and companies.

All these factors have had their significant effect upon our Church in Canada and Overseas, as will be seen in the following reports.

Home Missions

Church extension and immigration during 1956 have been the most dramatic and hence the most understood areas of our Church's work. From every Presbytery there have been reports of a Church growing and expanding into the newly developed communities, particularly in the urban centres. Our Church has not been able to keep pace with the expansion of these areas in 1956. The nation spent in building across Canada for business, institutions, governments and individuals, 7.9 billion dollars; the highest ever recorded. Loans from the central funds of the Church reveal only in part the amount of extension which has taken place in the Synods. During the year loans were made from central funds to the amount of approximately \$200,000. Many Presbyteries and Synods were able to provide credit for extension work without calling upon the central funds for assistance. Building projects of the Church in 1956 amounted roughly to three and a half million dollars. In many of the larger cities we have not yet overtaken our share of extension, according to an analysis of the religious affiliation of people denominationally. Little new frontier work has been undertaken, but we have made a small beginning in Labrador, and Tulsequah in Northern British Columbia.

The Government's plan of bringing European people to Canada was in its third year of operation and some 180,000 people were brought in. In the late weeks of 1956 the Government of Canada arranged to accept from refugee camps in Europe a considerable number of Hungarians. These began to arrive in numbers in December. The Churches of all denominations in Canada were stirred by the story of the refugees and considerable sums of money were raised to give assistance to the "Freedom Fighters" who were no longer permitted to live in their own land. Our congregations across Canada, along with congregations of other denominations, sent an unknown sum of money through the Red Cross and other agencies to assist these people. \$22,000 was contributed for the Overseas Relief of Hungarians in camps and \$8,000 was made available for work amongst the refugees by our Church in Canada through the Treasurer's Office. Much more was given locally.

With the promise by the Government of one of the largest of movements of people in 1957, our Church will need to expand its staff considerably. It is expected that in addition to the Hungarian refugees yet to be brought from Europe, 200,000 immigrants will enter this country; 100,000 of these from the British Isles. It has been possible to add to the staff of Hungarian workers since the refugee movement started and it now becomes a matter of urgency to add to the staff of English-speaking workers. It is felt, too, that we must be much more alert in providing literature for people who intend to make Canada their new home.

While these more dramatic occurrences have drawn attention to immigration and Church extension, our Church in 1956 has been quietly engaged in other kinds of work which will mean a great deal to the character of our witness in the years to come. The French Advisory Committee has begun a series of studies relative to the French-speaking portion of our population, which should result in a much clearer understanding of our French fellow-citizens and the witness our Church may properly make to that constituency. A conference representing our staff in French work, leaders in French Canada and representatives of other denominations were called to confer in April at the Mt. Gabriel Club. Throughout the whole year this Committee has been looking at the results of witness. We were pleased that one of our most esteemed workers, the Rev. Jacques Smith, was able to proceed to France to study at three of the foremost Protestant seminaries in that country and to add to his already rich background something of the Huguenot and Reformed faith tradition. The Rev. Hugh Nugent was added to the staff. Besides carrying a good deal of the work for which Rev. Jacques Smith is responsible, Mr. Nugent has been able to build a small church at St. Rene de Beauce. Our French language newspaper, "La Vie Chretienne", has continued to be published throughout the year and has been widely distributed in Canada and Overseas under the able editorship of the Rev. Andre Poulain.

Our Italian work has not gone as well as we should have hoped. While progress has been made in Montreal, arrangements had been made to bring to our Italian work the Rev. R. Bartolini, to work in Hamilton. Unfortunately, Mr. Bartolini was prevented by his Presbytery from taking up the post which he had expected in this country. No work has been done in Toronto, where there is one of the largest Italian groups in Canada.

The Ukrainian work has gone slowly forward, but there has been no unusual movement population-wise within this group. The greatest problem in dealing with the Ukrainians is the liason between the Ukrainian congregations and those of English-speaking background. Large numbers of Ukrainian people pass through our Ukrainian congregations and are often lost because of the lack of follow-up as these folk leave the foreign-speaking districts of the cities for suburban housing.

An intensified programme of research in the Indian work on the part of extra-Church agencies is providing us with material which is most useful in our understanding of the Indian, and which is enabling us to make our Christian witness in much more effective terms. Realization on the part of the Government that Indians can be integrated into the economy of the nation, has caused the Department of Indian Affairs to

appoint employment agencies to assist the Indians to find their place in the ordinary streams of commerce and industry. Our church stood ready with finance and personnel to assist in a forward-looking scheme in Manitoba, dealing with the inter-relationships of Indians, Metis and people of non-Indian background. A new commission has been set up by the Committee on Adult Education which is acting as a clearing house for all people who concern themselves with the betterment of conditions surrounding Indians and Metis, particularly off reservations. Our Church through this Board has provided money in the way of assistance in these studies and so is given the opportunity of having all materials published by this Commission.

New work was started through the year by Dr. W. W. Moore in Northern Saskatchewan; Mr. Donovan was moved from Kenora to Mistawasis Reserve in Saskatchewan; Miss Beryl Millar continuing her fine work at Shoal Lake, completed a small building in which she lives and which provides a centre for Christian work and witness. A much enlarged and better trained staff is required for this important area of our Church's work. The theme of our endeavour has been to make the Indian conscious of the saving Grace of Jesus Christ, and to make him aware, too, that Christ and His Church are concerned in a real way with the whole of life. Racial prejudice or indifference can be a very subtle thing. It is for the Church to move forward in this witness in such terms that it will destroy the barriers which have been set up around people of Indian origin.

As will be seen from the report on the Chinese our work goes forward. Arrangements have been made to bring the Rev. Ng Ming Lok from Macau to give assistance in this growing constituency. The W.M.S. (W.D.) has added personnel to the staff of women workers. A building project for Toronto has been undertaken and a much more vigorous policy in evangelization and Christian education among the children has begun to increase the strength of these Chinese congregations.

Reports of our institutional work will show that Armagh was nearing completion by the end of the year, giving housing to twenty-two girls at a time. A much broader programme at Tyndale House has been more effective in reaching young men and heads of families than in previous years. Evangel Hall, as it becomes more effectively staffed and better integrated into the work of Downtown Missions under the leadership of the Rev. Joseph Muchan, is becoming increasingly effective as an arm of the Church.

During the year the General Board of Missions purchased from the W.M.S. (W.D.) the building at Medicine Hat, which houses the Training School operated by the Board of Christian Education. This building has continued through the year to house the congregation of Riverside Presbyterian Church at Medicine Hat, but arrangements are being made to sell a portion of the property to the Riverside congregation so that a church may be completed which will be a real contribution on the part of this Board to making possible practical experience in church work on the part of the students of the Training School.

The Board has been greatly assisted by the Rev. Charles Cochrane and the Rev. R. A. K. Martin in setting up courses of study for church students in pre-theological preparation. These courses will be available to the students during the Spring of 1957.

As the year closes, the way in 1957 seems indeed to be one which will call forth the total resources of the Church in spiritual strength, in man-power and in finance. In all these things which are at hand to do, it will be the purpose of this Board to fulfill the mind of the Master and to serve our Church in His Name in this generation.

Our Work Abroad

1956 marked another year of changing patterns in Overseas Missions. Developments in the national and international political scenes had their effects on our work. More important were the developments with the life of the Church and the growing integration of Church and Mission in every field. In this time when the scene about us is changing our particular task is to be sensitive to what God is saying to us in new

circumstances and seeking to adjust our work to take advantage of the new opportunities He placed before us.

A great deal of the effort of the Board during 1956 was used in first hand observation of the fields by visits of the Secretary and by careful studies of the work on the fields by the Overseas Joint Policy Committee.

The Overseas Secretary visited Africa in January and India in February. In July he held consultations in Edinburgh with the Foreign Mission Committee of the Church of Scotland about the work in Africa. In November and December he had a second visit to Formosa and Japan. In the same year Miss Pelton visited Africa and later in the year Miss Whale had an extended visit in the two fields in India and then in Formosa and Japan.

The outcome of these visits has been a great deal of careful and thorough consultation on the part of the Overseas Joint Policy Committee which has resulted in much clearer statements of Policy than we have previously had. We feel that our Policy direction is now closely geared to the actual situation in nation and church in the fields which our missionaries find themselves at work.

For both our India fields the September meeting of the Board prepared a Policy Proposal. This important new development in Jhansi is being carried forward and in the Bhil Field will require considerable further discussion. The Bhil Mission has already moved considerably further towards integration of mission resources into the life of the Church of India. In both fields the underlying base of policy is that decisions about policy and programme must be made in India and that properties must be held by the Indian Church.

The British Guiana mission has been working out the implications of the Policy statement "Guiding Principles" which was approved by the Board in March 1955 and has already called the young Presbytery into much more active and responsible leadership in all the work. The visit of Rev. James Clarke, Secretary of the Board of Christian Education, to make a survey of the work among children and young people has provided a very useful guide to a new programme in the whole field of the teaching ministry of the Church. Bethel College and the plans for training men and women abroad have been developing with good effect. In 1956, Mrs. Wilfred Jagnandan, Rev. Neil Ramsaroop and Miss Ruby Gopaul have been studying in Canada.

The most important development in the Formosa work has been toward the strengthening of the General Assembly of the Presbyterian Church of Formosa. This development begins to bring to fruition the work which we have been doing in that Island for more than eighty years. During the year our own Mission Council has revealed a greater harmony and strength and there have been important developments in the Middle Schools, Theological College, Aboriginal work and in other fields.

The work of the Korean Christian Church in Japan was marked by special meetings in connection with the Jubilee when Miss L. K. Pelton and Rev. C. J. MacKay, (through the generosity of his congregation) represented our Church at special evangelistic services. This Church has become a part of the National Christian Council of Japan which draws it into closer fellowship with the Japanese Christian community. Very important discussions were carried on, looking forward to the establishment of a Korean Christian Centre which would be a Retreat and Conference place for lay-training, young people, women's work, Church officers and other groups.

The first missionaries of the General Board were appointed to service in Africa and started their training for that work. Policy discussions with the Foreign Mission Committee of the Church of Scotland in Edinburgh, with consultation and comment from the field have led to a clarification of the way in which we will participate in the work in Africa.

Representatives of our Board have played an active part in the valuable consulta-

tions of the Department of Overseas Missions of the Canadian Council of Churches. In the China and Taiwan Committees of the Division of Foreign Missions we have kept informed on these areas. Modest grants have supported literacy work, Christian medical training through Ludhiana and Vellore, India and Africa Sunday School materials, and the work of the International Missionary Council, particularly in theological education.

During this year there has been a considerable development in the work carried on by the Joint Candidates Committee. Three men were appointed for service: Rev. J. W. Milne to the Bhil Field, Rev. C. M. Costerus to Formosa, and Rev. Earle F. Roberts to Nigeria. They were given an intensive course of training, first in Canada, under the Canadian School of Missions, then in Mount Freedom, New Jersey in a Study Fellowship, organized by the Presbyterian Church, U.S.A. Board of Foreign Missions. From this Mr. Milne took a brief course in Rural Church work and then departed for India, the Roberts went to Scotland before going to Nigeria and the Costerus' family went to New Haven to study spoken Mandarin language. The joint Candidates Committee has been seeking and examining further recruits. They have also reviewed the study plans of senior missionaries who have been at home in this country.

The year has made it evident that we have an urgent need of new recruits. The General Assembly prepared a list of twenty-six men and women needed now for overseas work. This was revised in December to be a list of twenty-five people for whom we are calling. If we are to do a responsible job in our fields we need more men and women at once. At the same time we are going to provide preparatory training before these candidates go to the fields and also training on subsequent furloughs. It is essential that every man and woman on our fields be prepared to make the maximum contribution of which he or she is capable.

The Board has also adopted important policy statements in regard to the nature and conditions of the work of the missionary. When our resources are small and the task is very large we want to be sure that we secure the best men and women, that we provide them with the most adequate training for the work to which they go, that we set up arrangements and conditions for their work which will enable them to serve with greatest freedom and effectiveness, and that we and they see clearly the direction in which they should be working at this moment in the life of Mission and Church.

It is evident that God has called our churches to serve at some places of very great importance. Our work at these places stands at the moment of very great opportunity. May we have the sensitiveness and the willingness to serve Him faithfully at this time.

RECOMMENDATIONS:

RECOMMENDATION No. 1

- d) That notice of satisfactory completion of the course must be forwarded by Presbytery two weeks before the meeting of the General Board of Missions.

REPORT OF THE COMMITTEE FOR MISSIONARY EDUCATION 1956

During the past year the Committee for Missionary Education has moved into new channels of program and publication for interpreting the Mission of the Church today and for making known the facts of our Church in its world mission.

With the appointment of the Rev. R. M. Ransom as chairman, the Committee expressed its gratitude to Mr. W. M. McDonald for his fine leadership in this capacity over many years and is gratified that he is continuing as a member of the Committee.

On June 1 Miss Jean Black (now Mrs. H. E. Stewart) took up her duties as Assistant to the Secretary for Missionary Education, in which capacity she has carried major responsibility, and her work has made possible many of the program advances of the year. The new proportions to which the work of the Committee has grown mean that she is working to capacity; and more time is required from the Secretary for Missionary Education than he is able to give because of his heavy administrative responsibilities for Overseas Missions.

The work of the Committee has been strengthened considerably by the experience of the Office Secretary, Miss Helen McTavish.

For the first time the Annual Mission Reports were printed this year in booklet form. *Day of Opportunity*, a 92-page report of all Home and Overseas Work of the General Board of Missions and of the Women's Missionary Society, E.D. and W.D., was compiled and edited by Miss Mary Whale and published by the Committee for distribution throughout the Church. Issued in early September, over 2,700 copies have been sold and distributed.

Missions Workshop

A step forward in the Committee's work was the Workshop on Missionary Education held in Toronto in September. Held just prior to the meeting of the Board it was possible to have the Synod Superintendents present and representatives of the Women's Missionary Society, as well as of the Board of Christian Education and others. In all, twenty-two people took part in discussion of the theme "Calling the Local Congregation to its Missionary Responsibility". Guest leader for the two-day workshop was the Rev. Archie Crouch, D.D., Western Area Secretary of the Board of Foreign Missions, Presbyterian Church in the U.S.A.

The workshop did some intensive thinking on the basic mission of the Church and the responsibility of the local congregation to help its members to understand that God calls them to make the Gospel known to the whole world from the place where God has put them as members of a local church. The Christian call is a call to missionary obedience. Thus the responsibility of the local church for missionary education was outlined as a prophetic function rather than a promotional function of program planning. A hand-book for use in local congregations is being compiled from the findings of this workshop and subsequent studies in the field. This will be made available in printed form to congregational leaders as an interpretation of the task of missionary education at the local level.

As a unit of the Inter-Church Committee on Missionary Education the Committee was represented at a ministers' conference at Peterborough in October, on the theme "Today's Approach to World Mission".

Sir Francis Ibiham

The highlight of the Committee's program was the visit to our church in Canada by Sir Francis and Lady Ibiham of the Church of Scotland Mission in Calabar, Eastern

Nigeria, from Sept. 24 to Dec. 6. All arrangements for this visit which extended from coast to coast were made by the Committee. Reports indicate that this was one of the most meaningful and dynamic missionary visits in the experience of our Church. These two humble missionary workers proved to be real ambassadors for Jesus Christ and His Church in the World. Their impact was profound and the response of the Church was most significant. The visit did much to make clear to the Church something of the importance and possibilities of our new work in Nigeria.

During the year, deputation work under the supervision of the Committee was done as follows: the Rev. Russell Self in Pictou Presbytery and Synod of Saskatchewan (May and July); the Rev. John Elder in the Central Synods (October-December); the Rev. and Mrs. Angus MacKay in the Central Synods (October-December). Mr. Wilfred Jagnandan, of British Guiana, spent the month of May in Paris Presbytery whose request for a visitor had stirred the plans to bring him to Canada. Mr. H. M. Jackson, a member of the Committee, following his trip to Formosa and Japan early in the year, spoke to several Presbytery and Laymen's meetings. The overseas Secretary spoke to a number of Presbytery and congregational meetings following his visits to Nigeria and India in January and February.

In order that congregations might make more effective use of missionaries on deputation, a leaflet was prepared and distributed prior to the visits of the above, entitled, "Suggestions for Planning a Significant Missionary Visit."

Through the office of the Committee arrangements were made to provide missionary personnel and Christian nationals from other lands for leadership in Church Camps in the Maritime Synod. The Rev. In Ha Lee spent the entire summer in this area under the direction of the Rev. Hugh Creaser. The Rev. Russell Self provided leadership at the Synod of Saskatchewan Summer School at Saskatoon in July.

Newsletter and Publications

Five missionary newsletters were sent out during the year: two from the Rev. James Dickson, two from Mrs. S. Moore Gordon, and one from the Bhil Field—a collection of 'Bhil Field Stories' reported by several missionaries. In addition, four travel letters written by Dr. E. H. Johnson during his Nigeria and India visits were sent to all Mission Conveners and Board Members, as well as to Inter-Church secretaries and friends.

Later in the year, the Nigeria travel letters were edited and published as a booklet, *Nigeria—Record of a Journey*. This has been distributed to Missions Conveners and offered for sale throughout the Church. Other publications have included leaflets on recruitment, and missionary cameos published by the Stewardship and Budget Committee on the back page of the weekly church bulletins. The Presbyterian Record has maintained a continuous flow of missionary information into the homes of our congregations, and the Committee is most appreciative of the splendid co-operation of the Editor in featuring our work at home and overseas respectively in two issues in the year as well as carrying major articles and missions notes at other times.

The Presbyterian Calendar was sold out to the extent of over 24,000 copies, thus indicating that it fills a need in the Church. This year distribution was handled by Presbyterian Publications, but ordering and follow-up were handled by the office of this Committee.

In an effort to enlist the informed concern and active help of the whole Church constituency in our overseas missionary task, the Secretary for Overseas Missions has kept in touch by personal correspondence with Missions Conveners of Synods and Presbyteries to keep before them matters of recruitment and the problem of our various mission areas. Thus the conveners have been helped to see their responsibilities for interpreting the total mission of the Church in the world in their respective Courts of the Church.

The Committee looks forward to a developing program of missionary informa-

tion and interpretation in summoning our people to a fuller obedience to the call of Christ to share in His Mission to the ends of the earth.

Respectfully submitted,
R. M. RANSOM,
Chairman.

E. H. JOHNSON,
Secretary.

REPORT OF THE WOMAN'S MISSIONARY SOCIETY (Eastern Division—1956)

At our Annual Meeting in September, held in Summerside, P.E.I., we observed our 80th Anniversary. Special observances were made of this occasion, including an historical pageant and the accepting of a special offering from each of our eight Presbyterials. This amounted to \$2,200 and was designated to the work of the school for nurses at Jobat, India under the direction of Miss Mary Nichol.

We were pleased to have Rev. K. G. MacMillan attend our meeting, representing the General Board of Missions. He gave excellent guidance in matters of general concern and provided a challenging address at an evening meeting.

The various reports showed satisfactory gains both in finances and in interest, also in membership. As a result, we were able to offer the General Board some special grants along with those made regularly. Special grants included:

\$5,000 to be available toward the building of a church at Corner Brook, Newfoundland.

\$1,000 to help repair bombed churches in Japan.

\$3,000 to Formosa, for work among the Aborigines and to repair schools.

\$2,500 to help build a chapel in Nigeria.

\$ 600 for christian libraries in British Guiana.

For many years we in the Eastern Division have been deeply interested in Ruby Gopaul of British Guiana, now in training at the Deaconess School. This year we translated our interest to a more practical demonstration by offering to subsidize her expenses at the school for two years in the amount of \$500 per year.

During the year bursaries were given to nine men studying for the Ministry and to three students to enable them to attend the conference of the Student Volunteer Movement at Athens, Ohio.

Seven deaconesses worked under our Society during the year, and three student deaconesses during the summer months. At Halifax we have a full time Port Worker and another at St. John during the time that port is open.

Miss Anna MacDonald, although on furlough, spent a busy year, and has now returned to her work in British Guiana.

Under the able editorship of Mrs. Charles MacDonald, our monthly publication, the Message, has come to be a very helpful and usable magazine, and one of which we are justly proud. It is noteworthy that the work of the Editor, as that of all officers, including the treasurer, is done on a voluntary basis.

We are grateful for the opportunities of service that have been ours throughout the past year and the preceeding eighty years. We remember those who have gone before us, for though we know not many of them by name they served well in their time and place, and their works do follow them.

Ours is a glorious heritage. We do well to rejoice in it, but not to bask in it. Our prayer is that we now bestir ourselves, and reach forth, with God's help, unto the things which are before us.

Respectfully submitted on behalf of the W.M.S. (E.D.)

NORMA STRICKLAND,
President.

REPORT OF THE WOMEN'S MISSIONARY SOCIETY (W.D.)

To the Venerable the General Assembly:

The Council Executive of the Women's Missionary Society (W.D.) respectfully submits the following report of the Society's work for 1956:

ORGANIZATION:

During recent years the educational aspect of the Society's work has received added emphasis. All Departments of the Society—children's, girls' and adult—report a majority of groups are using the missionary education programmes prepared by the Society, with the themes of "The Christian Mission in a Revolutionary World" for 1955-56 and "South-east Asia" for 1956-57.

The training of children's workers in the Church was the national training project of the Board of Christian Education and the Society for the year 1956. Sixty-four conferences were held in 42 of the 44 Presbyterials. 2,025 children's workers attended the conferences, which were led by 70 leaders.

At the time of these conferences a new programme for primary children (6 to 8 years of age) was introduced—Children of the Church (C.O.C.). This programme with a broadened study basis is a joint programme of the Society and the Board of Christian Education. The Organization Department staff, consisting of a Director, National Age-Group Secretaries (Children's, Girls' and Adult) and the Regional Secretaries, work in close co-operation with the Board of Christian Education.

Deputation work was arranged in all Presbyterials. Of special interest were the extensive itineraries of the Society's first missionaries to come to Canada on furlough from Nigeria. Two overseas students gave missionary education leadership at camps.

OVERSEAS MISSIONS:

Total staff overseas in 1956: 24.

Resignations: Miss Isobel McConnell, Reg. N., Bhil Field, after 29 years of service; Miss Joan Rochemont, B.A., Nigeria, to be married.

New appointments: Miss Jean Brown, B.A., to Japan; Miss Mary Lankin, Reg. N., B.A., M.P.H., to Bhil Field, India; Miss Helen Acton, Reg. N., to Bhil Field, India.

Studying in preparation for overseas service: Miss Jean Brown and Miss Helen Acton.

Miss Hazel Macdonald and Miss Geraldine Greer, who completed short terms in Taiwan in 1955, returned to Taiwan in 1956.

The main emphasis in overseas work in these days is the development of the Church in lands formerly thought of as "missions lands". The staff members of the Women's Missionary Society (W.D.) share in this development through Christian education particularly in women's work, in secular education, in medical work: institutional, public health and nursing education. In every field in which Canadian Presbyterians share, the Church has reached the place where it is self-governed through its own courts. The women of Taiwan and of India have for some time been taking responsibility in the courts of the Church as ordained elders. The place of equality granted to women in these and other younger Churches places an increasing responsibility on the Churches of the West, particularly Boards such as the Council Executive of the Women's Missionary Society (W.D.) which is being called upon to provide leaders of such standard that the women of the younger Churches may be trained to take their rightful place within their Church. We place before the Church the continued pressing need for personnel for all of our overseas fields.

NATIONAL MISSIONS:

With the increasing numbers of immigrants coming to Canada and the trend for the majority of the Canadian population to live in urban rather than rural areas, the type of our work has changed in the last few years. In the winter months all of our members of staff are employed in cities and towns. In the summer six were in rural areas.

One new member was added to those engaged in work among the Chinese in Canada, making a total of 11, 6 of whom are Chinese people.

The work in our two Indian Residential schools continues to progress, with many of the senior students in attendance at local high schools.

CHRISTIAN LITERATURE:

For 1956, the Estimate for Christian Literature was \$10,500, of which \$5,000 was the annual grant from the Legacy Fund. Through these annual grants, our Women's Missionary Society has been able to send out good Christian literature, and the evangelizing power of the written word in their own languages into Formosa; British Guiana; India; Africa; to the millions of Chinese refugees in Southeast Asia; Hawaii; Japan; Australia; United States; Great Britain and Canada; Latin America; Japan and Korea; and also in Canada to the Protestant French; Italians; Hungarians; Ukrainians and Kuban Cossacks, as well as contributing to the work of the British and Foreign Bible Society, and assisting in the publication of ten magazines for women and children in many languages for many lands.

To these grants, an additional \$1,500 was added through Special Gifts and Legacies which came in for Christian Literature throughout the year, and were thankfully sent forth for urgent needs which could not have been fulfilled in any other way. Our total expenditure for Christian Literature in 1956 was thus brought to \$12,000.

SUPPLY DEPARTMENT:

In the annual reports received from the Synodical Supply Secretaries there are many interesting facts recorded. The amount and value of bales sent to Indian schools and reserves was most generous. Gifts were distributed in hospitals and sanatoria and quantities of clothing were given to mission centres which are supplying clothing for the needy in the local communities. Deaconesses, hospital visitors and port workers also received an abundance of supplies.

Through the supply funds, overseas missionaries—newly-appointed and returning on furlough—were provided with bed linens, blankets, etc. Chairs were purchased for Frasersview Christian Education Centre and a grant was given for supplies for Hungarian refugees.

Parcels of clothing were shipped to Korea, Japan and Formosa.	
Estimated value of material sent in bales.....	\$ 19,594.16
Freight charges	1,152.43

WELCOME AND WELFARE:

The number of names of newcomers to Canada sent out from the Immigration office in Montreal to Welcome and Welfare Secretaries of the Women's Missionary Society (W.D.) this past year was considerably higher than last year, and our Secretaries contacted as many of these as possible, calling in the name of The Presbyterian Church in Canada.

Almost 45,000 visits were made—to newcomers, strangers in communities, those ill in hospitals, the aged and shut-ins.

The number reported as having joined as Church members or in some activity of Church work was less this past year, but as complete statistics are not available these figures may not give a true picture. However, the joy that these personal contacts has brought to many homes across Canada, makes the work of this Department a very rewarding one.

WORLD PRESBYTERIAN ALLIANCE

NORTH AMERICAN AREA COUNCIL

The Annual Meeting of the North American Area Council of the World Presbyterian Alliance was held in Atlantic City, N.J., March 12-14, 1957, at the Ritz-Carlton Hotel. There was a full representation from The Presbyterian Church in Canada: Dr. F. Scott Mackenzie, Dr. D. W. Hay, Dr. J. L. W. McLean, Dr. A. H. Johnston, Dr. J. S. Glen, Mr. C. M. Pitts, and the Rev. Chas. C. Cochrane. Miss Margaret Webster of Toronto was present in her capacity as Corresponding Secretary, Alliance Department of Women's Work.

Interest in this Annual gathering of the Area Council was considerably heightened by the visit, in the summer of 1956, of several members of the Council and the Alliance to "Iron Curtain" countries—Hungary and Czechoslovakia. During the meeting a panel discussion on each of these two situations enabled members of the Council to receive first-hand information of the life and witness of the Reformed Church under Communist rule.

Czechoslovakia

There has been a noticeable change in the attitude of the Communist authorities toward the Church; they no longer care to meet the Church in a head-on clash for the lives and allegiance of Christian men and women. The Communist aim—to overcome the Church—has not altered; only the method has changed. The new approach is to domesticate and thereby neutralize Christian faith. Accordingly (in the opinion of the members of the panel), Protestant Churches in Czechoslovakia enjoy a good deal more freedom under Communist rule than do their brethren in Franco's Spain under Roman Catholic domination. The government has, for example, renovated and redecored the beautiful Huss Chapel, which lay for years in neglect and disrepair. They allow the showing of a film depicting the life of John Huss—in which, however, Huss is portrayed as a precursor of the proletariat, rather than as a forerunner of the Reformation. There are indications that the Czech people are not deceived by the new patronizing attitude of the government toward the Church. One of the first things the ordinary Protestant wants to make clear to the visitor is that he is not in sympathy with the views of those church leaders who accept the new program at its face-value.

Hungary

Though, of course, the visitors from the Alliance could not foresee the October Revolution during their stay in August, they report a much more tense situation in Hungary than they had found in Czechoslovakia. The issues outstanding between the government and the Church seemed to be more clearly grasped, and more vigorously contested. The people say, for example, that "the only reality in our lives is Christian faith".

It was noticeable that at least half of the Hungarian congregations visited by our delegates were young people. From this it may be judged that Communism has neither won the young people, nor intimidated them. Moreover, in spite of the difficulties and prohibitions created by the government, the pastors have taught their children—chiefly on Sunday afternoons. For these people, baptism is no relic of early Christian tradition, but as one man put it, "it is the sign of God's active desire that His Church will continue into the next generation".

It came as a surprise to many of the delegates to learn that in the pre-First World War years the largest single body of Presbyterians in the world was centred in Hungary. In the redrawing of the map after 1918, however, many of these people lost their home-

land, and as a result, of the 4,000,000 members of the Reformed Church in that area, 2,000,000 are still in Hungary, 1,000,000 are in Roumania, 500,000 are in Yugoslavia, and the rest in Czechoslovakia and Austria. During the month of April (1957) elections to the episcopacy will be held, and there is both interest and concern whether the people are going to be allowed to choose freely the bishops in which they have confidence, or whether they will be permitted to vote only for those acceptable to the government. The Hungarian Reformed Church is thus involved in much the same struggle, as that which faced the German Church under the Hitler regime in 1933.

The Southern States

There were highly encouraging reports from the Church in the Southern United States. The racial problem still exists, of course, but enormous strides have been made in the direction of integration during the past three years. Where integration is proceeding peacefully and with good feeling on both sides, it does not make news; hence our distorted impression of the over-all situation. There was no evidence that the southern churches are yet ready to congratulate themselves, or to minimize the difficulties yet to be surmounted. But they report considerably more progress than they themselves had dared hoped for in so short a time.

Civil and Religious Liberty

The Council's Permanent Commission on Civil and Religious Liberty made a strong and comprehensive report to the meetings, which may be quoted in excerpt:

"By far the most sinister invasions of the dignity and freedom of man are occurring in three major areas: (1) The oppression of religious minorities by numerous governments including certain countries under Roman Catholic domination; (2) Race relations among the free nations of the world; (3) The frontal attack on all free institutions by Communist domination regimes."

The report recommended, inter alia, that direct representation be made to the Vatican by the Secretary of the Alliance and the Secretary of the North American Area Council regarding the restoration to Protestant minorities of the rights to which they are entitled, where those are denied. It was further recommended that "all corporate financial aid" be withheld "from the Reformed Church in Hungary through the Alliance, World Council of Churches, or directly, until representatives of the Alliance or of the World Council of Churches have had opportunity to visit Hungary and assure themselves that the elected leaders of the Church are men who have the confidence of the congregations, and are not puppets of the government".

The Calvin Auditorium

Three years ago, at Princeton, the World Presbyterian Alliance undertook to be responsible for the restoration of the Calvin Auditorium (Knox Chapel) in Geneva Switzerland. The proportion of the expense involved to be assumed by The Presbyterian Church in Canada was \$3,000.00. Mr. C. M. Pitts and Dr. John McNab were made responsible for finding this amount. At this moment, our Church has donated \$3,600.00 for the project. We have been asked for a further \$500.00 for new furnishings for the renovated building. It is earnestly hoped that we may acquaint ourselves with the same honour in this further venture.

New Appointments

Of special interest to The Presbyterian Church in Canada is the election of Principal J. Stanley Glen as President of the North American Area Council for a period of one year; and the appointment of Dr. Glen and Dr. Robert Lennox to the Theological Committee of the Council. The Rev. Dr. F. Scott Mackenzie, who has served our Church so ably for several years as an executive member of the Council, gave place this year to the Rev. Chas. C. Cochrane as a member of the Administrative Committee of the Council.

Respectfully submitted,

CHARLES C. COCHRANE.

Recommendation:

That the General Assembly subscribe, on behalf of the ministers of the Church, to the *Presbyterian and Reformed World*, so that our whole constituency may be conversant with the life and witness of our Reformed Church brethren.

THE JOSEPH B. ROBERT AND DAME SARAH ROBERT FUND
(BENEVOLENT)

To the Venerable the General Assembly:

M. Joseph B. Robert and his wife, Dame Sarah Robert, were of French Huguenot stock. They resided in the City of Montreal, P.Q. Two of their children desiring to "perpetuate the memory" of their father and mother set up in church and charitable circles several funds to this end. It is upon one of these funds that we now report.

The son, Mr. William Henry Robert, bequeathed the income from one-half the residue of his estate to The Presbyterian Church in Canada; one-third of this one-half being "for assistance for needy ministers who have retired."

The daughter, Miss Sarah Mary Robert, set up a Donation in terms similar to those of her brother's last will and testament: one-half of the residue to our Church; one-third of this one-half being "for assistance for needy ministers who have retired."

Under the terms of Mr. Roberts' last will and testament and Miss Robert's donation, the Montreal Trust Company of Montreal, P.Q., was appointed trustee of both. Each quarter the Trust Company remits to the Trustee Board of The Presbyterian Church in Canada, the share of income falling to the Church. It is with this especial one-third of this share of income "for assistance to needy ministers who have retired" that this particular report deals.

It is to be noted that this especial one-third is "for assistance to needy ministers who have retired." The terms are therefore quite restrictive. No money from this Fund may be granted to ministers' dependents: it is solely for "assistance for needy ministers who have retired."

This benevolent Fund has brought encouragement and a measure of comfort to a number of our ministers who have been compelled to retire by reason of the infirmities of years or because of misfortune has early fallen upon them. These ministers in particular and The Presbyterian Church in Canada in general express gratitude to God that it was put into the hearts of this son and this daughter to remember His faithful servants who are in need or will find themselves in need.

The Board of Administration have appointed a small Committee to administer this benevolent Fund and will continue so to appoint annually.

All of which is respectfully submitted.

J. C. P. STIRLING,
Chairman.

E. A. THOMSON,
Secretary.

COMMITTEE ON HOME RELIGION

To the Venerable the General Assembly:

The Committee have continued to publish EVERY DAY as an aid to family worship and private devotions. Every year some fifty ministers of The Presbyterian Church in Canada have gratuitously contributed material in the form of meditations and prayers and to each and all of them the Committee would express thanks for their kindly co-operation. Also the Committee would bespeak their appreciation to Thorn Press and Presbyterian Publications who for thirteen years have printed, published and distributed EVERY DAY without profit to themselves.

The cover designs on EVERY DAY for 1956 were: January-March, the little baby hand in the larger adult hand; April-June, a trail winding through a forest; July-September, Miss Frances Clark, deaconess and her class outdoors Rocky Mountain House, Alberta; October-December, the hour glass on the Bible. The circulation was as follows: January-March, 11,434; April-June, 11,752; July-September, 11,000; October-December, 12,045. During the year the Committee again offered free of charge twenty-five copies of EVERY DAY to any congregation desiring to introduce it or to extend its usefulness among the people. There was a surprising and welcome interest in this offer which we trust will bear fruit in the years ahead.

Rather than appointing committees on Home Religion in Synods and Presbyteries, the Board of Evangelism and Social Action have instructed their Conveners to promote the use of EVERY DAY within the bounds. The Committee on Home Religion are deeply appreciative of this courteous co-operation.

The Committee record their sense of loss in the sudden passing of Mr. G. H. Beattie an elder of Dovercourt Road Church Toronto and a member of the Committee. They commend the bereaved to the comfort and love of God.

The Committee continues to seek the blessing of God upon all efforts put forth to glorify His great and holy Name.

RECOMMENDATIONS

The Committee crave leave to renew the four recommendations as passed by the General Assembly of 1956.

1. That in view of the growing concern for the welfare of the Home, the Church and the Nation in these times and the need for deepening the spiritual life of our people, each Kirk-Session of the Church which has not already done so be urged to appoint one of its members or other interested person to promote the use of EVERY DAY within the congregation.
2. That the Congregations of the Church be urged to consider placing copies of EVERY DAY in Hospitals, Homes and other institutions within the bounds for the use of patients and others.
3. That Kirk-Sessions be requested to present a copy of EVERY DAY to each person uniting with the Church on profession of faith or by certificate; and on such other occasions as baptism (to the parents) and marriage (to young couples about to establish a home).
4. That this Assembly urge the Presbyteries of the Church to set aside a period of time at one of their meetings during the year for the purpose of discussing and instituting methods of promoting the use of EVERY DAY as a devotional guide among the congregations within their bounds.

All of which is respectfully submitted,

C. L. COWAN,
Convener.

E. A. THOMSON,
Secretary.

SPECIAL COMMITTEE ON CAPITAL PUNISHMENT

To the Venerable the General Assembly:

With respect, the Committee on Capital Punishment begs leave to submit the following report:

The Eighty-Second General Assembly (cf. Acts and Proceedings, 1956, Pp. 85 and 93) appointed a Special Committee to consider and report on Overture 15, Presbytery of Hamilton (Pp. 332-333) re Capital Punishment. The Committee was composed of the following: Prof. D. V. Wade, Convener, Prof. D. W. Hay, Dr. W. T. McCree, Prof. J. Wevers, Hon. Justice J. K. Mackay, Hon. Justice Roy Graham, Dr. B. H. McNeel, Dr. Harris Gray, Mr. E. S. Smith. This committee was asked to "study the whole question of justice as it concerns Capital Punishment" . . . "in order that a pronouncement may be prepared outlining our church's position on this vital matter."

(a) *The Committee's Comments on its Assignment and some of the Difficulties Encountered*—The present report is an interim one. The subject is one which requires intensive research and study. Various Royal Commissions both here and abroad have in some cases taken several years to bring in their findings.

The vagueness of the terms of reference presented an immediate difficulty to the committee. To quote overture 15, we are to deal with "the whole question of justice" regarding Capital Punishment. This phrase, if it means anything, surely implies that the question of Capital Punishment cannot be treated in isolation from other cognate and problematic areas of the Christian Social Ethic, e.g., war, the use of force, retribution, natural law and the relations of Church and State. The Church's attitude to Capital Punishment must be part of an adequate theology of social issues. Does the General Assembly want a detailed scholarly study of the problem in all its aspects and ramifications? If so, it could assist the committee by carefully delimiting and defining what it has in mind in the expression, "the whole question of justice." If the Church wants a work of such major proportions, the committee will have to be enlarged.

Some of the members of the committee were of the opinion that the overture should perhaps be referred back to the originating Presbytery for clarification and indeed, for considerable additional reflection, inasmuch as it is surely an accepted premise of Presbyterian policy that the lower courts go as far as they are able before troubling the Assembly, even in problematic matters of urgent general concern.

The committee found it impossible to get all the members together at one time, a serious disadvantage to a small committee faced with a colossal task. Furthermore, Prof. Wade had to relinquish the convenership of the committee in view of his assignment to Formosa on an academic mission. No other minister on the committee was able to assume this task due to prior commitments.

(b) *Initial Reflections and Viewpoints by way of Orientation*—The 1954 Statement on Capital Punishment (cf. Acts and Proceedings of the 80th General Assembly, P. 263) which is in part the alleged basis for the dissatisfaction entertained by the Presbytery of Hamilton (cf. the first 'whereas' in Overture 15, P. 332, Acts and Proceedings, 1956), and thus instrumental in the appointment of the present committee, should be studied by any who wish to trace the development of this problem.

Early Christians were generally opposed to Capital Punishment, but this opposition was later modified as the Church became more powerful and as the relations with the State were eased. Early views were conditioned to some extent by Old Testament horror of blood-pollution, and fire was used as a method of execution, to avoid the shedding of blood! During the Middle Ages the severity of the penal codes increased

and this was due mainly to despotism. Every crime was viewed as a crime against the King, the source of social justice and earthly representative of the heavenly law giver and judge. The Christian Church and governments influenced by the church adopted the Hebrew notion that it was man's duty to avenge offences against God and that every crime involves a breach of God's law and is punishable as such, and that hardly any punishment is too severe to be inflicted on the ungodly.

In modern times the views of the early Christians have been revived, especially by Antihaptists and Quakers. The great motive force has undoubtedly been sympathetic with human suffering and horror at the destruction of human life. The general result has been that in several European and American States Capital Punishment has been formally abolished and in several others it is either under serious review or severely restricted.

Ethicists have usually discussed four main elements in punishment: (i) *The Vindicative*, i.e., punishment which vindicates the force and majesty of the law. A law which anyone can violate with impunity has lost all force and authority. (ii) *The Preventive*, i.e., action prevents crime. The State has the right and duty to protect itself and its members from injury and loss. (iii) *The Deterrent*, i.e., others are deterred because of the spectacle provided in punishment from committing any similar crime. (iv) *The Reformatory*, i.e., treatment with a view to the removal of the cause of the criminal actions.

Some Christians claim that the last mentioned, the Reformatory, should be in any Christian society the sole object of punishment. A question here, of course, is how to guarantee the future security of society. If a criminal knows as he commits a crime that the only detriment ahead will be that he will eventually be 'bettered' or 'reformed' in the eyes of society, then surely society is asking for trouble. The Christian concern with regard to punishment must be moulded, surely, by the fact that "if one member suffer, all the members suffer with it." (I Cor. 12:26).

Controversy has developed along two different lines. On the one hand there are those who pose the question in terms of expediency and they ask: What will yield the best results? On the other hand there are those who uphold abstract justice as the final consideration. Those who stress expediency claim that the issue should not be debated around the question as to whether the State has any right to take life. Neither of the above alternative approaches will suffice for the Church of Christ. Nor can the Church resort to the use of a rather crude Biblical literalism in which the Old Testament is usually the sole court of appeal, with great use being made of such a text as Genesis 9:6, "Whoso sheddeth man's blood, by man shall his blood be shed" (lex talionis). The wholeness of the canon of Scripture, and the importance of one's hermeneutic principles must be thoroughly appreciated before there is such a use of so-called proof-texts. The difficulties of such appeals to Scripture are not minimized when one recalls that under Mosaic law even adulterers and Sabbath-breakers were to be stoned.

There is great disagreement as to whether Capital Punishment is a deterrent. Often one sensational crime is followed by another, without apparent regard for the death penalty. Those who favour retention of the latter often claim that its abolition will guarantee the lives of none but murderers. Wise and experienced authorities in jurisprudence, favouring retention, reason that the punishment of death may not be an absolute deterrent but it is a most effective deterrent. Its abolition, they claim, would imply that society takes a less serious view of the sanctity of human life than heretofore; moreover, it is not merely a question of asking what is good for the murderer, but rather what is necessary for the good order of society and the preservation of the lives and safety of its citizens.

The Church must indeed be clear in its views and teachings as to why it believes in the rightness or wrongness of accepted social rules. When public thinking re Capital Punishment favours its retention, the principle of the talion is usually present. Is this principle acceptable to Christians? Surely not! Therefore the Church has a clarifying

ministry in this regard, to give a Christian basis to the social conscience. The church must not simply condemn or advocate. To adhere merely to principles is perhaps to take the line of least resistance because of failure to study the whole matter of consequences.

All Christians should be appreciative of the subtle mechanisms which motivate human behaviour. There is an unpredictable, irrational or demonic element in sin. At first sight a crime may appear to be one of cool calculation when it has really been motivated by hidden fears and hatreds which could not in any rational way come under the influence of the deterrent factor inhering in the prospect of Capital Punishment. The Church has a ministry in regard to these deep motivating factors. A superficial view of sin, as this or that wrong against society, may simply fan into flame the inwardly smouldering embers of bitterness and resentment in many unregenerate hearts. The Church has a positive evangel and must not give the impression that her sole duty is to uphold the law. Such an impression would serve to harden the hearts of the criminally inclined to the possibilities of grace and redemption. If our Church decides to favour retention of Capital Punishment, we must keep in mind our redemptive witness. The Church is not a mere adjunct to jurisprudence, nor is the Church simply a custodian of accepted civil norms.

Unfortunately much maudlin sympathy has been stirred up in the recent objections to the death penalty. This is not necessarily a sign of ethical strength or moral advancement. It could be a sign of decadence. In whatever we say let us be sure of our grounds. Our Saviour refused to be swayed by a display of emotion as He went to His death. To those who wept by the wayside as He passed by He said: "Weep not for Me, but for yourselves." (Luke 23:28)

The carrying out of the death penalty in many centres in Canada in recent years has excited an increasing amount of interest of a morbidly curious kind. Is it not a Christian consideration to reflect on what is taking place here in the social conscience? What effect does the death penalty have in the whole surrounding community? A kind of pride? Does it develop a Pharisaical attitude which is happy at not being as this criminal? Is the rest of society this different? Did this criminal owe his actions, his past, in some measure, to the influence of the community which hanged him? What about a kind of common guilt? If the death penalty fosters a mood detrimental to spiritual health in the community, and yet if the Church clamours for its retention, then the Church has very important obligations to fulfil towards society.

The danger of error, so often mentioned in the pros and cons of debate regarding Capital Punishment, is no argument for abolition, but merely for taking every possible precaution against injustice. The Christian is not motivated by fear, but recognizes human fallibility and error as inherent in sin. A refusal to act because of the possibility of error would be tantamount to a refusal to live, if this principle were applied to one's daily existence.

Some Christians will undoubtedly wish to share the views of Sir Walter Moberly who has asserted that Capital Punishment must be viewed in the light of Christ's redemptive purpose. The characteristic Christian attitude to all men, however ill they have behaved, is redemptive. Moberly states that the wrongdoer must be regarded not as a public enemy but as an erring son. In this view, Capital Punishment is unchristian since its object is to end, not to mend the criminal.

The late Archbishop William Temple argued in favour of abolishing the death penalty as does also the eminent Swiss theologian, Karl Barth. The latter finds the familiar theories with regard to the justification of the death sentence altogether unconvincing. In Capital Punishment, Barth claims, society quite arbitrarily surrenders its obligation in relation to the criminal. As a testimony to God's retributive justice it somehow lacks the 'humility' which men ought to have in bearing witness to the righteousness of God. Barth suggests that there may be borderline cases, e.g., in a time of war when the well-being of the State is at stake, and it may have to deal with certain people as its

enemies and put them to death. One is tempted to question the logic here. Why, if the State is prepared to gamble with the lives of individuals, should it not also be prepared to gamble with the security, even the life, of the nation?

- (i) That the Committee be continued and that the General Assembly add to its membership and appoint a new convener.
- (ii) That the General Assembly define with more precision the exact terms of reference of this Committee.

REPORT COMMITTEE RE RECOMMENDATION 5, GENERAL BOARD OF MISSIONS 1956

To the Venerable the General Assembly:

The Committee appointed by the last General Assembly to deal with Recommendation 5 of the Report of the General Board of Missions "that the General Assembly give sympathetic consideration to providing for the needs of full-time workers in our Church who have become unemployable" beg leave to report that they have studied the matter of the recommendation and have one recommendation to present to this Assembly.

RECOMMENDATION

That the General Board of Missions care for the workers formerly serving under the General Board of Missions who have become unemployable having in mind amounts available for ordained men from the benevolent funds of the Church.

R. K. CAMERON,
 Convener.

COMMITTEE ON ARTICLES OF FAITH

To the Venerable the General Assembly:

The labours of the Committee have continued this year under last year's procedure of assigning major themes to four regional sub-committees. The Toronto group has had the problems arising out of standards of subscription and ordination vows, with particular reference to new statements of the Church's faith, and her "continuing function under the Word and Spirit of her Lord to explicate the faith in responsibility to her changing circumstances." The Hamilton group has been working on the problem of relating the Congregation's temporal affairs to the spiritual foundation and government of the Church. London has had responsibility for the work on Baptism; Montreal, for the work on Eschatology.

Mr. George L. Douglas remained as convener at the insistence of the Committee. Mr. Stuart B. Coles was named vice-convener, and Mr. R. A. Sinclair became secretary upon the resignation of Mr. W. Graham Smith from the Committee. The other members are: Principal Robert Lennox; Professors A. L. Farris, D. W. Hay, H. K. Markell, W. S. Reid, D. V. Wade, J. W. Wevers; Drs. J. G. Berry, C. L. Cowan, David Gowdy, J. A. MacInnis, J. C. McLelland, W. O. Mulligan, L. J. Shein, J. B. Skene, J. D. Smart; Messrs. C. G. Boyd, C. C. Cochrane, J. V. Crawford, Mariano DiGangi, John Fleck, L. H. Fowler, J. C. Hay, Scarth Macdonnell, D. K. Perrie, J. C. Robson.

The Committee wishes to express gratitude for the Presbytery replies which have been received. This report now turns to the four themes of the work already indicated.

I. THE SUBORDINATE STANDARDS, etc.

A. TERMS OF REFERENCE

The entire work in Articles of Faith originated in an overture and memorial from the Presbytery of Paris in 1942, to which the Assembly in 1943 made answer in terms which became the basic commission to this Committee. The commission was renewed by the General Assembly of 1955 in partial answer to Overture No. 30, Re Declaration Re Church and Nation, from the Presbytery of East Toronto, (A. and P. 1943, p. 52, and 1955, p. 68). The commission reads as follows:

"... That a larger committee . . . be appointed for the purpose of re-examining our whole confessional position as a Church, with a view eventually to stating what we believe, as a Reformed Church, in language and concepts relevant to our day and situation." (A. and P. 1943, Appendix p. 131).

B. STATUS OF THE 1954 DECLARATION

In 1954, after five years of joint labour between this Committee and a Committee from the Assembly's Board of Evangelism and Social Action, and much collaboration with the Presbyteries, the Joint Committee presented in final form a document entitled *A Declaration of Faith Concerning Church and Nation*. This Declaration was adapted under the Barrier Act by the General Assembly of 1955. Constitutional and other implications of this action were noted, both by the Joint Committee on Church and Nation in its final report, and by the East Toronto overture already mentioned. The Assembly accordingly instructed its Committee on Articles of Faith to study and report on (a) the relationship of the Declaration of Faith Concerning Church and Nation to the Subordinate Standards of our Church; and (b) the terms of subscription thereto.

In answer to (b) the Committee submitted in its 1956 Report three proposed Ordination Questions. Of these, Question 3 bears directly on terms of subscription. In answer to (a), the Committee brought in a recommendation to the 1956 General Assembly, asking the Assembly to rule "that the Declaration supersedes, in the subordinate standard of The Presbyterian Church in Canada, chapter 23 of the Westminster Confession of Faith and the limiting reference to the doctrine thereof contained in the 1875 Basis of Union." In view of certain amendments, the Assembly sent this recommendation back to the Committee for re-wording. (See A. and P. 1956, Recommendations 2 and 3, pp. 81, 82, 505; A. and P. 1955, Report of Joint Committee on Church and Nation, p. 68; A. and P. 1955, Overture No. 46, Re Westminster Confession of Faith, from the Presbytery of East Toronto, pp. 67, 347.) The Committee asks that the matter be disposed of in terms of recommendation 1. below: "That the specific problem of the status of the Declaration of Faith Concerning Church and Nation be left for answer by inclusion within the total task of formulating doctrine and determining the terms of subscription thereto (A. and P. 1955, p. 67).

C. THE CHURCH'S RELATION TO HER STANDARDS

In 1955 there was a second overture from the Presbytery of East Toronto (No. 46), which asked the Assembly to give attention to confusion in the Church regarding the relation of her office-bearers to the Westminster Standards as formulated in the ordination and induction vows (Book of Forms, paragraphs 408-413). It offered two statements as the basis for the requested clarification. Assembly ordered that "the whole matter of the ordination and induction vows pertaining to the subordinate standards of our Church be referred to the Articles of Faith Committee for study and report as soon as possible to a future General Assembly, taking under serious review the full prayer of this overture and all relevant matters" (A. and P. 1955, p. 67, and pp. 347-348). In 1956 the Assembly approved the statements in principle and sent them down to the Presbyteries for their study and report. Few replies were received and these did not go beyond the Assembly's approval in principle. The two statements are as follows:

1. The Question—Do you believe the Westminster Confession of Faith as adopted by this Church in the Basis of Union to be founded upon and agreeable to the Word of God, does not imply any doctrine of infallibility of the said Confession, but does bind those holding office to acknowledge its worth as a true work of the Holy Spirit in the Church, and to honour it in all their teaching.
2. The Church has a continuing function under the Word and Spirit of her Lord to explicate the faith in responsibility to her changing circumstances.

The problem before us has confronted Presbyterian Churches for some time. A common method of meeting it has been the passing of Declaratory Acts designed to authorize less rigorous interpretations of the Westminster Confession of Faith. Two examples may be cited.

1. In 1879 the United Presbyterian Church of Scotland passed an act touching upon the following points: the love of God, the divine decrees, total depravity, the final state of the heathen, intolerance, free-will offerings, and the "six days" of the creation-narrative in Genesis.
2. An historical expression of the Church's claim to have power to modify her subordinate standards will be found in the *Articles Declaratory of the Church of Scotland*, 1921, from which we make the following extracts:
 - i. The Church of Scotland is part of the Holy Catholic or Universal Church. . . It adheres to the Scottish Reformation; receives the Word of God which is contained in the Scriptures of the Old and New Testaments as its supreme rule

of faith and life; and avows the fundamental doctrines of the Catholic faith founded thereupon.

- ii. The principal subordinate standard of the Church of Scotland is the Westminster Confession of Faith approved by the General Assembly of 1647, containing the sum and substance of the Reformed Church. . .
- v. This Church has the inherent right, free from interference by civil authority, but under the safeguards for deliberate action and legislation provided by the Church itself, to frame or adopt its subordinate standards, to declare the sense in which it understands its Confession of Faith, to modify the forms of expression therein, or to formulate other doctrinal statements, and to define the relation thereto of its office-bearers and members, but always in agreement with the Word of God and the fundamental doctrines of the Christian Faith contained in the said Confession, of which agreement the Church shall be sole judge, and with due regard to liberty of opinion in points which do not enter into the substance of the Faith.
- viii. The Church has the right to interpret these Articles, and subject to the safeguards for deliberate action and legislation provided by the Church itself, to modify or add to them; but always consistently with the provisions of the first Article hereof, adherence to which, as interpreted by the Church, is essential to its continuity and corporate life. . ."

D. ORDINATION VOWS

The three Ordination Questions submitted in 1956 are:

1. Do you believe Jesus Christ to be the eternal Word of God made flesh for us men and for our salvation, by Whom also the worlds were made and all things consist, to Whom all power is given in Heaven and in Earth; and do you believe that Christ alone is Lord of the conscience, Head over all things to His Body which is the Church, the Source of all her comfort and hope, the Truth of her doctrine and the Bishop of her discipline?
2. Do you believe the Holy Scriptures of the Old and New Testaments to be, by the Holy Spirit, the lively oracles of God, at once the means and the measure of truth in the Church; and in your teaching do you bind yourself to preach Christ as He offers Himself to men in the Scriptures?
3. Do you believe the historic creeds and confessions of the Catholic Church, though corrupted in varying degrees by the errors of men, to be a work of Christ's grace in His Body by His Spirit; do you believe that God wrought mightily to restore the sovereignty of His Word in the Church by the Protestant Reformation; and do you receive the Westminster Confession of Faith and doctrine subsequently declared in The Presbyterian Church in Canada, as a holy inheritance which you vow to cherish and defend in all your teaching, with regard to the Church's continual task of formulating for every generation the Faith once delivered to the saints?

In bringing before the Church these ordination questions for consideration, the Committee was aware of the fact that radical changes were being offered. The questions were tentative, and the Committee noted and appreciated the criticisms of Presbyteries. Of these, the chief were: the questions are too long and sermoniac; the binding to Christ should be in a Trinitarian context; the objective authority of Scripture as Word of God should be kept explicit; the Westminster Confession of Faith should be given greater prominence in relation to other creeds and confessions; the questions represent a slackening of our subscription to the Westminster Standards, and this would weaken our confessional position as a Church. Only a few replies were received, however—due in part, perhaps, to insufficient information on the part of

Presbyters as to the Committee's reasons for moving in this direction. Therefore we are asking that the questions be sent to Presbyteries once more, with a brief statement of the concern that guided us in these proposals. Our concern is that the vows shall joyfully affirm our binding to Jesus Christ our Lord, as testified to in Holy Scripture and as confessed by the Church in creed and life. To indicate our binding in the ministry to Christ, Scripture and Creed, the following is submitted for study:

1. Christ and His Ministers.

The most substantial suggestion of change from the present vows relates to the office of Jesus Christ Himself in pre-eminence over both Scripture and Creeds as the true foundation of all ministry and government in the Church. Within the unity of the Holy Trinity the place of the second Person has special significance for two reasons. Firstly, because the fullness of the Godhead dwells in Him bodily He is Head over all things to the Church. Secondly, He is thereby Chief Shepherd and Bishop in the Church, the divine Minister on earth of the new covenant (John 10; 1 Cor. 3:11; Heb. 7:22; 1 Pet. 2:25, 5:4, etc.). Every other ministry in the Church is a sub-ministry by which through the Spirit He exercises His ministry (Mark 16:20; 2 Cor. 5:20; Eph. 2:20; Heb. 2:4). Christ Himself appointed the ministerial office in the Church, and its authority flows directly from Him (Claim of Right, 1842). W.C.F. 25:3—"Unto this catholic visible church Christ hath given the ministry, oracles, and ordinances of God, for the gathering and perfecting of the saints in this life, to the end of the world; and doth by His own presence and Spirit, according to His promise, make them effectual thereunto." This ministry is a historical order continuing from the Apostles.

2. Christ and the Means of Grace.

Christ, Who is the Word incarnate, spoke also with His lips the life-giving, divine Word which He received from the Father (John 1:17; 15:3; 14:10, etc.). He delivered this Word to His Apostles to be handed on in the Church "from faith to faith" (Matt. 5:2; 10:27; Luke 24:27; 1 Cor. 11:23; 1 Tim. 6:3; 2 Tim. 1:13; 2:2; Tit. 1:9; Jude 3). This Word that is *received and handed on*, from the Father to the Son, from the Son to the Apostles, from the Apostles to the Church and their successors in the Church is *tradition (paradosis)* in its basic sense, as opposed to "mere human traditions". But the *Paradosis* is not a mere matter of words. The subject and agent of it is the whole Christ, Risen and Ascended, ever communicating Himself by the Spirit to the Church, which is His Body. In so doing, He always uses *means*, the Word and Sacraments, which He has committed to the Church and in particular to His ministers, who are "stewards of the mysteries of God" (1 Cor. 4:1. Cp. W.C.F. above).

3. Christ and Tradition, Scripture, Creeds, and Confessions.

The relation of the Apostles to Christ gave to their testimony a unique authority in the Church for all time. Their magisterium over the rest of the Church's *Paradosis* was signified and sealed when the Church recognized the canonicity of the apostolic writings, and with them the Old Testament. The act of canonization meant that all tradition that continued outside Scripture was lost, or merged into Scripture, or was preserved in the prayers and hymns of the liturgy, and in usages agreeable to Scripture (e.g. infant baptism). Anything else that survived as unwritten tradition became more and more corrupt, until the Reformers purged the Church by rejecting all unwritten tradition as worthless or worse, and reasserted the supremacy of Scripture over all else.

At the same time, it is to be remembered that the Scriptures were canonized *not absolutely in the letter* (2 Cor. 3:6) but in the sense in which the Apostolic Church understood them, that is, as authoritative testimony to the mighty acts of God in Jesus Christ. There have always been in the Church credal statements asserting what this understanding was, from the earliest baptismal formula "Jesus

is Lord" to the more elaborate confessions of modern times (Rom. 10:9 ff.; Phil. 2:5-11; 1 Cor. 15:3 ff.; 1 Tim. 3:16; the ecumenical creeds; Westminster Confession of Faith; etc.). In other words, the Scriptures, which are the permanent norm of Christ's truth, have always been accompanied by interpretative norms which guard and renew the catholic tradition. The Westminster Confession stands in this catholic, credal tradition, as a statement of fundamental Reformation insights. But it is an interpretative norm, not the permanent norm, and is subject to the fallibility that it ascribes to all Church councils (31:4). By the preaching of the Apostolical Tradition, contained in Scripture and in the creeds and confessions of the Church, the Living Christ continues to fulfil for all ages the promise of the gift of His Spirit: "He shall glorify Me: for He shall receive of mine, and shall shew it unto you" (John 16:14).

Note. The above notes have in mind the ordination of ministers, who have the particularly *Apostolic* charge of Word and Sacraments. The *episcopal* charge, which they share with elders, should rather be brought to the fore in the ordination of such.

II. CONCERNING "MATTERS NOT PROPERLY SPIRITUAL"

This matter has to do with Overture No. 31 1955, re Sections 154 and 162 Book of Forms, from the Presbytery of East Toronto, which asked for certain re-definitions of the respective functions of Kirk Sessions and Boards of Management. This overture was remitted to Presbyteries by the 1955 general Assembly and again by the 1956 General Assembly for study and report. Replies have been received as follows:

- (a) No action be taken, — Stratford, Pictou, Saint John, P.E.I.
- (b) Not in favour of granting prayer, — Westminster, West Toronto, London, Hamilton.
- (c) Simple approval, — Huron-Maitland, Chatham, Bruce.
- (d) Approval and suggestions for revision, — Winnipeg, Quebec, Barrie, Saskatoon, Edmonton, Montreal, Assiniboia, Prince Albert, Cape Breton, Peterborough, Lindsay.
- (e) Still studying the matter, — Paris.

The Committee wishes to make only a progress report on this subject at the present time. The Hamilton sub-committee has done a considerable amount of work, and has submitted certain study materials to the Committee. At present the sub-committee is engaged in a study of the doctrine of Christ's government of His Church on the congregational level, as the basis of a future statement. The Committee, however, considers the subject to be so broad and complex that no definitive statement should be issued until all its aspects are most carefully considered. We are recommending that Presbyteries which have not replied on this matter be requested to do so by January 31, 1958.

III. BAPTISM

As a part of the larger work on Baptism being done by the London sub-committee, and pursuant to the instruction of the General Assembly of 1955 in reply to Overture No. 15, 1955, re Infant Baptism, from the Presbytery of Kootenay (A. and P. 1955, p. 331), the Articles of Faith Committee recommends that the following statement be adopted as a review of Overture No. 17, 1948, Re Baptism of Infants, from the Presbytery of Red Deer (A. and P. 1948, Appendix p. 163).

BELIEVING PARENTS

1. An infant of "believing parents" is baptized because God's covenant promise is to him according to the Scriptures. Since he is baptized in the Name and therefore into the discipleship of Christ our Lord, it behooves the Church to ensure on

behalf of the child an environment where the means of grace are diligently used and where the will of Christ is sought and obeyed. Within this environment a child receives the blessing of Christ and is enabled, in penitence and faith, to call on His Name; his growth in discipleship is the work of the Spirit Who is pleased to use the holiness, prayer, instruction and loving oversight of believing parents within the Church to bring him up in the nurture and admonition of the Lord. Inasmuch, therefore, as a child is a member of a believer's household, he is to receive the sign and seal, in baptism, of the covenant relationship between Christ and His Church.

2. A "believing" parent is one who is baptized and who is fulfilling the covenant engagement of his baptism. The engagement is repudiated by all of responsible age who wilfully or carelessly disregard the divine ordinances, especially the Lord's Supper. Their disregard of the Lord's Supper is a rejection of the renewable "bond and pledge of their communion with Him, and with each other, as members of His mystical body." Those who refuse to submit to Christ in baptism, and those who repudiate the covenant engagement thereof, do thereby, in respect of themselves, bar their children from baptism.
3. Nevertheless, the administration of infant baptism is not necessarily restricted to circumstances in which there are natural parents competent to provide Christian nurture for their children. Infants who are subject to the Christian discipline of believing persons other than their natural parents may properly be baptized, provided that such believing persons are already fulfilling the function of parents in the Christian nurture of the infants.

IV. ESCHATOLOGY

The work of Eschatology began in 1954 with an Overture (No. 19, 1954, Re Statement of Faith on Eschatology, from the Presbytery of Algoma and North Bay, A. and P. 1954, p. 325), which was referred to the Articles of Faith Committee. In 1955 and 1956 we submitted tentative statements for study by the Presbyteries. These represented only a portion of the larger body of material prepared by the Committee for its own use in drafting the statements submitted. During the past year the Montreal sub-committee has given considerable study to various millennial views, as well as other aspects of the whole eschatological problem. The results of this work have been submitted to the Committee, but after discussion it was found impossible, from the standpoint of time, to present satisfactory tentative statements on any new themes, except in one instance. We would especially have liked to include in this report a statement on "The Christian Hope and the End of the Present Age," but, although much work has been done on it, we have been unable as yet to resolve the difficult problems of Biblical interpretation relevant to this subject.

The following statement is submitted with the recommendation that it be sent down to Presbyteries for study in the light of previous statements on eschatology sent down in 1955 and 1956.

THE CHRISTIAN HOPE AND OUR LIFE TO-DAY

The Christian by virtue of his hope in Christ is freed from all illusion respecting the permanency of this world, its civilizations and its cultures. He knows that it is not the purpose of the Gospel to preserve the present order, for the Christ who will come is this world's Judge. Therefore he seeks his security not in this world but in God alone.

Nevertheless the Christian takes seriously this world in which he lives. In spite of its disorder he acknowledges it to be the creation of God. Therefore he delights in it as the work of His hands. He knows it also to be the object of His love, and recognizes the incarnation of Jesus Christ to be the measure of that love. Therefore he

must work in this world and for this world. He is inseparably bound up with it by the ties of guilt and by the conviction that Jesus Christ, as Saviour and as Lord, is its only Hope. By this Hope he is delivered from the fears and the frustrations of those who work for the world apart from Jesus Christ. The Christian lives his life in the light of the victory of the Lord Jesus Christ. Though he sees not yet all things put under Him, yet he is confident that all things shall be delivered unto Him. The futility of existence and the terror of death are behind him, by his baptism into Christ. Because of this hope he is assured that his labour is not in vain in the Lord. Therefore he offers to men his love and friendship; he works for equity in every area of human relationships; he seeks the elimination of all antagonisms between classes, races and nations; he witnesses to the world of that Judge who is also a Saviour, to the Lord of history who is also Redeemer. Now there is love in place of self-interest. Now there is confidence in Christ instead of trust in the wisdom and cleverness of men. Now as a citizen, and accordingly subject to the civil powers, he serves them in acknowledgment of the one God who is the source of all life, the origin of all law and liberty, and the Lord of all authority in Heaven and on earth. Therefore in all things he labours, knowing that while here he may experience apparent defeat or at best, only partial victory, yet the promise will be fulfilled in Him from whom, through whom, and to whom are all things. By virtue of his union with Christ his whole life becomes a living sacrifice, a daily thankoffering to God, until He come.

V. RECOMMENDATIONS

1. That the specific problem of the status of the Declaration of Faith Concerning Church and Nation be left for answer by inclusion within the total task of formulating doctrine and determining the terms of subscription thereto (A. and P. 1955, p. 67).
2. That the three Ordination Questions proposed in 1956 be sent again to Presbyteries for their study in the light of the explanatory material pertaining thereto in the present report of the Articles of Faith Committee, with instructions to report to the Committee by January 31, 1958.
3. That Presbyteries which have not submitted replies on the matter raised by Overture No. 31, 1955, Re Sections 154 and 162 of the Book of Forms (A. and P. 1955, p. 340), be requested to do so by January 31, 1958.
4. That the statement on Baptism entitled "Believing Parents" be adopted.
5. That the statement, "The Christian Hope and Our Life To-Day," be sent down to Presbyteries for study in the light of previous statements on Eschatology sent down in 1955 and 1956, and report by January 31, 1958.
6. That the resignation of Mr. G. L. Douglas as Convener, received by the Committee with regret, be accepted by the General Assembly.
7. That Mr. Scarth Macdonnell be appointed Convener of the Articles of Faith Committee.
8. That the Committee on Articles of Faith be continued.

All of which is respectfully submitted.

G. L. DOUGLAS,

Convener.

R. A. SINCLAIR,

Secretary.

REPORT OF THE RECORD COMMITTEE

To the Venerable the General Assembly:

Your Committee has been deeply gratified by the increasing interest displayed throughout the Church in *The Presbyterian Record*. While our circulation figures testify to the confidence of congregations from coast to coast, we feel that the letters and comments of appreciation of the successive issues of *The Record* are our best "touchstone."

Perhaps the most significant achievement during the past year was the publication of several issues of *The Record* featuring the work of various departments of the Church. Supplemental to the "Presbyterian Facts Issue" (January,) we printed special issues on Christian Education (June,) Mission Hospitals (September,) and Stewardship in November.

The publication of a "Presbyterian Facts Issue" yearly, giving a telescopic picture of what the Church is doing and plans to do, has become an established practice. Such special issues bring a greater knowledge of the Church to our readers, and possibly help to intensify loyalty.

We are seeking to print articles that will be helpful to readers as they grow toward Christian maturity. This type of inspirational article is difficult to obtain. The series of articles on "What Presbyterians Believe" which appeared in *The Record* throughout the year, has been well received and many persons and sessions have written letters of appreciation, asking that the series be printed in book form.

Printing and engraving costs increased by \$7,313.31 during 1956. Our subscription rate remains at the low cost of one dollar per year, but we increased our advertising rates by 25%, which should net us additional revenue in 1957.

The circulation of *The Record* has been climbing steadily in the past few years to 71,059, as of March 1, 1957. This represents a one hundred per cent. increase in circulation since the inauguration of the Every Home Plan in 1953, and is a three-fold increase in the past eleven years.

The removal of the offices of *The Record* from the Church headquarters at 63 Saint George Street to their present location, 229 College Street, took place in July 1956. Whilst we now occupy a slightly larger area than we did at 63 Saint George Street, nevertheless, we are looking forward to the day when our offices will be located in the same building as the other departments of the Church.

Your Committee has been greatly encouraged by the fact that this year many of the larger congregations adopted the Every Home Plan, and some smaller churches which were receiving only one or two copies—in some instances, not even a single copy—have placed their families on the mailing list. Another significant group of enrollments has come from newly-formed congregations in the suburban developments of our cities, large and small. This is not only commendable, but is a tremendous help to these new congregations where often 50 per cent. of the members do not have Presbyterian background.

Grateful as we are for the increase in circulation, we believe that greater daring must be exercised by ministers and sessions in planning for their congregations to join the Every Home Plan. Many Presbyteries have excelled themselves in the number of congregations which have adopted the Plan. (See figures below showing a comparison with the number of families listed in 1956 Minutes of Assembly.)

Tribute should be paid to the members of *The Record* staff, without whose efficiency it would be impossible to maintain the present high standard of the Church journal. We would mention Miss Eileen J. Thompson and Miss Helen C. Proudfoot, whose creativity has gone into the layout and make-up of each issue; Miss Isabel S. Farquhar, who is in charge of the Circulation Department, which handled more than 10,000 circulation changes during the month of December alone; and Mrs. C. B. Ferguson, who has continued to serve efficiently as Advertising Assistant.

We are greatly indebted to Mr. Frank J. Whilsmith for his assistance in advertising promoting the Every Home Plan, and to the Garden City Press for their excellent printing of *The Record*, to Howlett and Smith for their fine engravings, and to General Printers Limited, Oshawa, for their efficient distribution of the Church journal.

The 1956 General Assembly granted your Committee permission to appoint a Business Manager. Mr. Norman Williamson was appointed but was unable to accept the position due to unforeseen circumstances. The position at present remains unfilled.

The Editor would like to express his indebtedness to ministers, sessions, and to all who, by their enthusiasm and support, have promoted the greater circulation of the Church journal. The fact that the circulation has increased by more than 8,000 during the past year, leads us to believe that in the near future, those congregations not yet enrolled in the Every Home Plan will come to realize its value and send the Church journal into every family.

RECOMMENDATIONS

1. That the General Assembly, having already given its approval to the promotion of the Every Home Plan, would now commend those congregations which have adopted the Plan and ask them to endorse heartily its continuance for the enlightenment of their people.
2. That the General Assembly request all congregations, which have not adopted the Every Home Plan, to explain its purpose to their annual meeting. They are further asked to report whatever action has been taken to the Presbytery Clerk and from thence the information will be forwarded to the Secretary of the Assembly's Committee on *The Record*.
3. That Ministers and Sessions be requested to direct the attention of their congregations, from the pulpit, through announcements in the church calendar, and through their Record committees, to articles appearing in *The Record* each month, thus fostering additional interest in reading the Church journal. Further, that on Record Sunday all ministers be requested to speak to their congregations on the value of the printed page.

THE BOARD OF EVANGELISM AND SOCIAL ACTION REPORT TO GENERAL ASSEMBLY—1957

To the Venerable the General Assembly:

Your Board of Evangelism and Social Action strives to keep before it the responsibility of the Church to declare the whole counsel of God, to preach Christ and Him crucified, both to her members and to those without, and to confront the world with all the personal and social implications of His Gospel.

The contemporary interest in "religion", and the remarkable growth of evangelistic and healing campaigns have driven the Board to consider the full and deep meaning of Evangelism and Social Action. We believe that the Scriptural and Reformed doctrine of Evangelism is this: that Jesus Christ Himself is the Evangelist, whose Holy Spirit alone has the office of the conversion of men to the Gospel; and that Christ the King and Head is pleased to use the ministry of His whole People, the Laity, as the instrument of His work of evangelism. Therefore, although the traditional type of evangelistic campaigns may have a certain use and merit, we believe that true evangelism is properly a congregational function, indeed the total impact of the congregation on its community.

The congregation might well be defined as "the Evangelist of its community". Thus even a Preaching Mission must be a part of the on-going evangelistic training and outreach of the congregation. The key to evangelism lies with the regular diet of preaching, the proper fulfilment of the office of ruling Elder, and the right use of lay witness in the community. Along with this we would stress the need to use Ministers of special gifts as Evangelists or Missioners within given areas.

Therefore we recommend:

1. That Preaching Workshops be held on Presbytery and Synod levels, to encourage the above understanding of evangelism as the constant congregational function, and special responsibility of the local Minister.
2. That Elders' Schools be conducted in Presbyteries, to assist ruling Elders in their special work of the positive discipline of the Gospel.
3. That a panel of Evangelists be set apart in every Synod, as agreed upon by the 1952 General Assembly (A & P page 91: "That Synods be instructed to seek out from among their own ministers, if possible, men having proven gifts of evangelism who will labour within the congregations of the Synod; that such men be set apart for a period not to exceed three months").

AREAS OF CONCERN

The policy of the Board, in encouraging local evangelistic programs, is set forth in the booklet published in December, 1956, "Methods That Work In Evangelism". This outlines the three best modern techniques and their relationship to one another: Friendship Evangelism (using the congregational organizations to contact those outside the life and work of the church); Preaching Mission; and Visitation Evangelism (as a follow-up to the others). Accordingly, during the past year we have presented this approach at the British Columbia Synod Congress, and at Synods and Presbyteries as opportunity has been afforded; we have encouraged local programs along these lines; and we intend to pursue this understanding of methods.

The work of your Board involves co-operation in the Christian Social Council; the Department of Evangelism (Canadian Council of Churches); the Canadian Tem-

perance Federation; the Canadian Association for Adult Education; the Council-Executive of the W.M.S.; the Joint Committee on Lay-Training; and the Joint Committee on Church and University. Sub-Committees of the Board are presently studying problems in connection with Christian burial; the Christian approach to the Jewish people; the preparation of a statement on the Lord's Day; and a revision of essential parts of our booklet "Church and Marriage", with an examination of present Canadian divorce laws in relation to the position of our subordinate standards.

The growing demand for literature in the field of Evangelism and Social Action is being met by the publication of various series of pamphlets, including a new one on Cults such as Christian Science and Jehovah's Witnesses, and a proposed series on the Apostles' Creed, as well as by our distribution of materials from the Churches in the U.S.A. The constant need of reprinting our own pamphlets is an encouraging sign of the Church's concern in this area. We wish to express our thanks once again to the Stewardship and Budget Committee for the assistance of its Staff in the publication and distribution of our literature.

NOMINATION FOR SECRETARY OF THE BOARD

Due to the lack of a full-time Secretary, the Board has experienced increasing difficulty in coping adequately with the expanding work committed to it by the Courts of the Church. The present Executive is involved in the task of preparing the "Program of Presbyterian Advance" committed to it by the General Assembly of 1955. There is also the necessity of fulfilling obligations to inter-Board and inter-Church Committees, and of preparing the literature essential for our work.

We had hoped to bring to this Court a nomination for the new office of Secretary created by the 1956 General Assembly. The Presbyteries of the Church were asked for their nominations during the past Winter; in response, thirty Presbyteries replied, as shown by the Report of the Clerks of Assembly elsewhere in these Minutes. Since the overwhelming majority of the returns indicate the choice of the Chairman of the Board, and since he expressed his considered decision not to let his name stand, the Board felt constrained to forego its privilege of submitting a name to this Assembly. The Board will once again call upon the Presbyteries for nominations, and will prepare a nomination for the General Assembly of 1958.

We therefore recommend:

4. That there be no nomination to the office of secretary this Year.

1955 OVERTURE IN RE THE CHRISTIAN'S CIVIC RESPONSIBILITY

The 1955 General Assembly referred to this Board an overture from the Presbytery of Montreal requesting the preparation of literature dealing with the problem of the Christian's civic responsibility in order that our people may more fully realize their duties in society, (1955 A. & P., pages 339, 99).

The Board has found that the preparation of such material is too great a task for the Board as presently constituted, since it would require book-length treatment and could not be issued in the usual pamphlet form. Since there is a growing field of literature on this subject which is in agreement with our Church's statement of faith concerning Church and Nation, such material is unnecessary. Interested persons may refer to Bennett's "The Christian Citizen" in the World Christian Book series; Baillie's "What Is Christian Civilization?" and the research publications of the National Council of Churches of Christ in the U.S.A., which cover the field of Christian ethics extremely well.

The Board's policy is to prepare pamphlets on such specific issues as may be referred to it such as the problems arising from Alcohol, Mixed Marriage, Faith Healing, Sects, etc., and it is unable to produce such a comprehensive study as would be required to deal with the Christian's Civic Responsibility.

We therefore recommend:

5. That this statement be our reply to the prayer of the Overture.

SUB-COMMITTEE ON OVERSEAS RELIEF AND INTER-CHURCH AID

The pre-Easter Appeal of 1956—promoted by letter to all Ministers, by special Poster, weekly Calendar, and articles in the *Record* and *Glad Tidings*—brought in the sum of \$13,436. Now the 1955 total was \$16,490, so that 1956 was less by the amount of \$3,054.

However, as a result of all that followed the October 23rd uprising in Hungary, an urgent appeal was made to our congregations to provide speedy relief. This was sponsored by the Board of Administration. The first contribution came from our Refugee Relief Committee, from its 1956 pre-Easter Appeal Fund, in two instalments of \$1,000 and \$4,000.

The general Hungarian relief appeal brought in \$22,952, from which the Board of Administration took the amount necessary (i.e. \$1,563) to bring the General Relief Fund for 1956 to the total of \$15,000, thus recognizing that the Hungarian appeal had blanketed the General Relief Appeal in the closing months of the 1956 Church Year.

In response to our 1956 pre-Easter Appeal, the W.M.S. (W.D.) made a contribution of \$2,560, sent directly to the Canadian Council of Churches and in addition to our total of \$15,000.

On March 11, 1957 a Committee representative of the Board of Administration and the General Board of Missions, with Dr. William Barclay as Convener, met by appointment of the Board of Administration to "administer the Hungarian Relief Fund". Payments of \$781.95 had already been made from this Fund for urgent relief. That and the \$1,563 to make up the \$15,000 for General Relief left a balance of \$20,607. The Special Committee decided to send \$12,500 through the Canadian Council of Churches to the World Council of Churches of Geneva for Hungarian Relief, and to keep the balance of \$8,107 for Hungarian Relief in Canada.

We should note that the grand total for Relief, General and Hungarian, for 1956 was \$38,949.09.

As reported to last General Assembly, the sum of \$3,000 was given to Churches of the Reformed family from the list supplied by Dr. Pradervand, General Secretary of the World Presbyterian Alliance (see page 34, Acts and Proceedings of the 1956 General Assembly).

Also, \$600 was given in sums of \$200 each to emergency relief in three parts of India—two suffering from floods and one from drought. Along with the \$5,000 to Hungarian Relief as stated above, and a total of \$140 for expenses of the Appeal, brings the disbursements to \$8,740. The balance from the \$15,000 total (i.e. \$6,259) has been sent to the Canadian Council of Churches for transfer to the World Council of Churches at Geneva for Refugee Relief and Inter-Church Aid.

All Ministers received, before the end of February, the Convener's letter and the Poster for use prior to March 31st, the Sunday for this Year's Appeal for \$25,000 (see A. & P. for 1956, pages 34-35).

Recommendations:

6. That the objective of \$25,000 be repeated in the pre-Easter Appeal of 1958.
7. That the ear-marking of funds be permitted, up to one-half of the total remitted.
8. That the thanks of the General Assembly be renewed to the Women's Missionary Society (W.D.) for the continuance of their substantial help.

WILLIAM BARCLAY,
Convener.

SUB-COMMITTEE OF PRESBYTERIAN MEN

The Committee of Presbyterian Men wishes to submit the following report on its activities during 1956.

The Committee met six times during the year, with an average attendance of seven members.

The members of the Committee are as follows: W. B. Cross, Toronto, *Convener*, C. A. Culley, Toronto, George Fernie, Toronto, Rev. Robt. Carter, Toronto, Ken. G. Anderson, Toronto, H. M. Jackson, Simcoe, Rev. M. DiGangi, Hamilton, James Laing, Hamilton, Rev. E. C. McCullagh, Dunnville, Rev. J. C. McLelland, Bolton, Frank Whilsmith, Willowdale, R. E. Bisset, St. Catharines, *Secretary*.

By Correspondence: William Glennie, Winnipeg, A. R. Dick, Winnipeg, George Dunlap, Calgary, John Currie, Fort William, J. J. Grant, Vancouver, W. N. Clelland, Montreal, W. J. Hyde, Montreal, T. K. McLellan, Halifax, Dr. N. H. Grace, Edmonton, Roy A. Hamilton, Calgary.

Men's Groups—Members of the Committee have personally assisted in the formation of a number of men's groups during the year.

Chicago Conference—The ninth annual conference of the National Council of Presbyterian Men in the U.S.A. held at Chicago in March will be attended by Messrs. C. A. Culley and W. B. Cross.

Literature—The pamphlet "Presbyterian Men" has been favourably received in different parts of the country and more copies will be distributed upon request.

A list of available literature and helps for the use of men's groups is being prepared.

A full page was used by the Committee in the February issue of the "Record" to describe the Why, How, Who and Where of the National Committee of Presbyterian Men.

Mailing List—Efforts are being made to compile a mailing list of interested men in each congregation throughout the Church.

National Conference—Plans are proceeding rapidly for a conference of Presbyterian Men to be held at Five Oaks Christian Centre near Paris, Ontario, October 25th to 27th, 1957. Dr. S. J. Patterson, the Secretary of the Presbyterian Men, U.S.A., will be the Conference Leader. Professor Allan L. Farris will be the Conference Speaker. It is hoped that a man will be present from Each Presbytery for this weekend of instruction, inspiration and fellowship.

Full-Time Director—The Committee feels that every Presbyterian man has responsibilities as well as privileges. It is his responsibility to witness to the truth of the Gospel. In countless ways, men can give expression to their faith—in the business world, in the community, in their recreation, and wherever they touch the world beyond the confines of the Church.

In striving to give leadership, the Committee stresses this vital importance of the evangelistic nature of the Gospel, and the need for personal witnessing by Christian men, not only by word of mouth, but in all daily relationships. It believes that a man should be appointed who can devote his full time to the task of promoting the work of the Church among its men. Therefore the Committee requested the Board to appoint a Director, on an experimental basis. The Board approved such an appointment, it being agreed that funds for this purpose should be provided by the Committee, and that the appointee should be responsible to the Executive of the Board.

W. B. CROSS,
Chairman.

SUMMARY OF RECOMMENDATIONS

1. That Preaching Workshops be held on Presbytery and Synod levels, to encourage the above understanding of evangelism as the constant congregational function, and special responsibility of the local Minister.
2. That Elders' Schools be conducted in Presbyteries, to assist ruling Elders in their special work of the positive discipline of the Gospel.
3. That a panel of Evangelists be set apart in every Synod, as agreed upon by the 1952 General Assembly (A & P page 91: "That Synods be instructed to seek out from among their own ministers, if possible, men having proven gifts of evangelism who will labour within the congregations of the Synod; that such men be set apart for a period not to exceed three months").
4. That there be no nomination to the office of Secretary this Year.
5. That this statement (in re the Christian's Civil Responsibility) be our reply to the prayer of the Overture.
6. That the objective of \$25,000 be repeated in the pre-Easter Appeal of 1958.
7. That the ear-marking of funds be permitted, up to one-half of the total remitted.
8. That the thanks of the General Assembly be renewed to the Women's Missionary Society (W.D.) for the continuance of their substantial help.

REPORT OF THE COMMITTEE OF CLERKS RE TRAINING FOR ELDERS

To the Venerable the General Assembly:

The Committee of Clerks was instructed by the General Assembly of 1956, Acts and Proceedings, 1956, page 98, to report on the question of adequate training for elders.

The Committee looks with favour upon what it believes to be the implications of this reference, and recommends as follows:

1. That the Committee be instructed to prepare a manual on this subject, and send mimeographed copies of its first draft to all Presbyteries for consideration and report. Upon the basis of the Presbyteries' reports, a revision be sent to Presbyteries under authority of Assembly for their comment or, if in the judgment of the Committee the first comments are such that a final form can be submitted to Assembly, such final form be submitted.
2. This being a lengthy undertaking, the Committee be given to the Assembly of 1959 for its first report.
3. That the Committee, if it desires, commit the work to the Clerks of Assembly to issue in the above terms.
4. That following the approval of the Manual, Assembly give consideration to ways of making it effective throughout the Church.

Respectfully submitted,

LOUIS H. FOWLER,
Convener.

REPORT OF THE COMMITTEE ON CHURCH ARCHITECTURE

To the Venerable the General Assembly:

It is a pleasure for the Committee to report that during 1956 there were a number of Presbyterian Churches built of which we can be justly proud. And it is particularly appropriate that this Assembly should meet in the new Kerrisdale Church, which we believe is one of the most beautiful and effective churches built by any denomination in Canada during the past year. We recognize that there are not many congregations which can build such an extensive structure for the first unit, but many smaller churches are as fine in a less imposing way. We have to admit also that a number of Presbyterian churches have been built of which neither the congregation nor the denomination can be particularly proud—and for which we are in no way responsible.

It is the aim of this Committee to assist congregations in various ways to build churches worthy of the worship of God and the tradition in which we stand. To this end we endeavour to aid congregations by helping to select an architect, by reviewing tentative plans and making suggestions, and by putting in the hands of building committees pictures and floor plans of recently completed and commendable new churches.

There is a considerable volume of correspondence dealing with all kinds of details of church building. In addition to the correspondence, the Convener has gone to various congregations from Montreal to Vancouver to consult with the building committees and to show kodachrome slides of new churches. During the past year our Committee was in contact with 37 congregations either by correspondence or personal interview. The Convener also spoke to the students at Presbyterian College, Montreal, and Knox College, Toronto, and showed slides of contemporary churches. The Convener's article "Planning the Church Building" appeared in *Your Church*, a magazine that goes to many ministers in Canada and the United States.

One fact emerges from the tremendous boom in church building in Canada today—that the vast majority of the new churches are in the contemporary design. There are very few churches being built in the traditional style, and the contemporary ones reflect our Canadian cultural pattern in their simplicity—architects and congregations alike are striving to express our faith in a symbolic medium appropriate for the twentieth century.

A recent survey in the United States revealed the fact that over two million dollars a day was being spent on new churches, and while there is no corresponding study for Canada there is evidence on every hand that Canada today is undergoing the greatest church building program in its history. And in this attempt to keep up with the growth of our cities and towns the Presbyterian Church is taking its proportionate share.

RECOMMENDATIONS

1. That the congregations and Presbyteries be reminded of the ruling of the 1953 General Assembly, namely: "in the future, congregations applying for financial assistance from the funds of The Presbyterian Church in Canada must have their designs submitted to this Committee, and before a grant or loan is made, the report of this Committee must be received by the General Board of Missions and the Presbytery concerned be informed".
2. That congregations who are not receiving financial aid from the funds of The Presbyterian Church in Canada be requested to send their plans to this Committee for consideration before final approval of Presbytery. Congregations are reminded

that any church which is built is in the name of The Presbyterian Church in Canada and not simply in the name of the local congregation.

3. That congregations be urged to send pictures of all new churches—interior and exterior views—to be filed with this Committee, along with information regarding cost (excluding land) and seating capacity.
4. That all application forms for grants or loans from the Mission Board or Presbytery Extension fund contain the information that one copy of the Architect's plans must be sent to the Committee on Church Architecture for their consideration and report.
5. That all congregations which have plans or pictures of new Church Schools or Christian Education Buildings be requested to forward a copy to this Committee. These can be invaluable help to other congregations planning similar structures.

Convener.

REPORT COMMITTEE TO ADVISE WITH THE MODERATOR

The Reverend Finlay G. Stewart, D.D., minister of St. Andrew's Church, Kitchener, Ontario, was elected Moderator of the 82nd General Assembly of The Presbyterian Church in Canada meeting in Victoria Church, Toronto in June 1956. During the year following his election he journeyed over most of the Church speaking and interviewing, inspiring thousands with his messages.

Dr. and Mrs. Stewart represented the Church at the opening of the House of Parliament in Ottawa and Dr. Stewart was among the honoured guests at the New Year's reception given by His Honour the Lieutenant-Governor of Ontario.

This brief account of the activities of the Moderator would be quite inadequate if we did not especially mention the services rendered by Miss Jean MacGregor, Church Secretary of St. Andrew's Church Kitchener. Upon Miss MacGregor all the detail of arrangements fell especially after the Moderator decided that it was in the best interests of his time and energy to conduct his own itinerary and make his own appointments.

Recommendations:

1. That the thanks of this General Assembly be accorded the Clerks of Presbyteries and Synods, other ministers, elders and people who assisted the Moderator in carrying forward his itinerary.
2. That the thanks of this General Assembly be accorded all who extended courtesy and kindness to the Moderator while visiting throughout the Church.
3. That the thanks of this General Assembly be especially accorded Miss Jean MacGregor of Kitchener for the great services she rendered and the devotion to duty she exhibited in assisting the Moderator in the discharge of his duties.

All of which is respectfully submitted.

R. K. CAMERON,
Chairman.

E. A. THOMSON,
Secretary.

COMMITTEE ON CHAPLAINCY SERVICES

To the Venerable the General Assembly:

Your Committee on Chaplaincy Services is happy to be associated with the ministers of our own Church in particular, and indirectly, with the ministers of other denominations who are carrying on a vital ministry in our Armed Services. Their efforts to reach this important group of younger men and women of our Country, and in many cases their families or dependents, with the Gospel of Jesus Christ deserves our whole-hearted interest and support. The Church must endeavour to help them in any way possible.

Our Church supplies free of charge to all Chaplains copies of the Presbyterian Record. It is made available by the Chaplain through the Service Chapel, and is reported to be widely read and much appreciated. Presently we are endeavouring to provide a method which will facilitate and encourage Chaplains to receive unconfirmed Presbyterians in the Services into full membership in our Church. In this connection, we are awaiting the action of this Assembly. A complete revision and enlargement of the "Armour of God" is being prepared for the Committee by Major J. F. Goforth and it is hoped that this will be ready for publication by the time the Assembly meets. This book will contain sufficient instructions to prepare candidates for full membership in our Church and thus fulfill an expressed need of the Chaplains.

A deepened interest in religion in the Services is indicated this year by a substantial increase in offerings received. Our Church shares in these funds on a per capita basis. This past year we received almost four thousand dollars from this source.

Our Committee takes pleasure in the fact that many of our Chaplain occupy prominent positions in the three Services and some have been mentioned for their outstanding service. The following ministers represent our Church in the three Forces: Rev. E. G. B. Foote, O.B.E., B.A., D.D., Chaplain of the Fleet, Rev. C. H. MacLean, B.A., Rev. John Wilson, B.D., and Rev. Gordon Faraday, M.A. with the Navy; Major J. F. Goforth, M.C., M.A., D.D., Deputy Director of Chaplaincy Services (Army), Major J. M. Anderson, M.C. with Bar, B.A., Captain J. D. L. Howson, M.A., L.Th., Captain Howard Doig, Captain J. Douglas Gordon, B.A., and Captain Percy Sams, with the Army; Wing Commander James Dunn, B.A., B.D., Squadron Leader K. W. House, B.A., Flight Lieutenant E. G. Moore, B.A., and Flight Lieutenant R. J. Ritchie, B.A., with the Air Force. During the year Captain F. J. Dunbar returned to service with the Church and was replaced in the Army by the Reverend Percy Sams.

RECOMMENDATIONS

1. That the General Assembly authorize the Chaplaincy Services Committee to establish a Baptismal Record, for children of Presbyterian parents baptized by Service Chaplains, in addition to a Communion Roll, as requested in our report to the 1956 Assembly.
2. That the General Assembly approve and authorize payment for the publication of the revision and enlargement of "The Armour of God."

Secretary.

JOHN G. MURDOCH,
Convenor.

REPORT OF THE STEWARDSHIP AND BUDGET COMMITTEE

To the Venerable the General Assembly:

We are grateful for the guidance and blessing of God that made 1956 a year of outstanding progress in the work of this department.

The Budget Revenue amounted to \$1,175,050 (exclusive of "Miscellaneous" items), and increased by \$168,864 over the previous year. Revenue amounted to 97.9% of the "Objective" — i.e. 89.8% of the actual Allocations, which were set at a higher figure in order to allow for revision and shrinkage.

Some 391 congregations reached or exceeded their Suggested Allocations, contributing \$108,000 more than the total of their allocations.

As a Committee we would like to express appreciation of the leadership given by both ministers and laymen, and of the new standards of liberality appearing in many congregations. The almost reluctance with which even the best congregations greeted the demands of a few years ago has been succeeded in many areas by a growing demand for programmes, materials, and personal visitation.

PROMOTIONAL MATERIALS

Our production of printed materials has grown steadily year by year, and in 1956 exceeded even our most optimistic estimates. Even then, we regret, toward the end of the year we were unable to fill some orders. Supplies, that we estimated sufficient for eighteen months, were exhausted by early December.

In 1956, for the first time, we asked congregations to purchase some materials. We are happy to report that the response was excellent: indeed we supplied a greater quantity of canvass materials than in any previous year. Continuance of this policy will enable the Committee to provide more and better materials without adding to its charges against Budget Funds.

SECTOR PROJECTS

Your Committee was represented at Directors' Workshops conducted in the U.S.A., and at the Anglican Training Centre, Aurora, and later participated in the development of Sector Projects under the sponsorship of the Canadian Council of Churches. Some fifteen Projects developed, of which the Secretary conducted five interdenominational Projects and three Presbyterian Projects. Presbyterian congregations were affiliated with all fifteen Sector Projects, and with very gratifying results.

We expect that between 30 and 40 Projects will be organized for the Fall of 1957, and that Presbyterian congregations will share in all of them. Two Directors' Workshops are to be held in Canada, at Banff in May, and in Muskoka in June.

ASSISTANT TO THE SECRETARY

In February 1957, the Board of Administration secured an Assistant to the Secretary, Mr. Malcolm D. Blackburn, who will share all duties, office-work and field-work, with the Secretary.

CONGRESS—1958

The General Assembly of 1954 authorized the Stewardship and Budget Committee to prepare for another Pre-Assembly Congress in 1958, in conference with the Board of Administration. The Committee has made a recommendation to the Board which will bring the matter to the attention of the General Assembly.

ALLOCATIONS

Your Committee regards as basically satisfactory the principle of allocation developed in the past seven or eight years. In the past two or three years, however, the difference in co-operation, activity and financial response of congregations has become much greater than in the earlier years. We now find that some congregations exceed their allocations annually, while others contribute as little as 50% of the Suggested Allocation. Your Committee has therefore sought to develop a plan to meet the circumstances of three classes of congregation:

1. Congregations that have not met their allocations in many years, and that, while contributing a few more dollars each year, are regularly 20% or more short of the Suggested Allocation. Some of these meet a smaller percentage of the allocation than they did five years ago.

2. Congregations that meet the allocation—and do no more. Sometimes this requires a major effort, for which they are to be commended. At other times, no real effort is involved: the congregation feels that it has done all that needs to be done when it has met the allocation.

3. Congregations that annually exceed their allocations . . . sometimes by as much as by 50%.

Your Committee believes that the first group need some incentive to greater effort, and, because of the many years-without-effort, feels that the present "Suggested Allocations" are so far above present givings as to be a dismaying goal for an initial effort. The circumstances of these congregations require an intermediate goal, below the Suggested Allocation, but sufficiently high to challenge to real endeavour.

We are convinced that for the majority of the congregations, and as a basis for higher and lower objectives, the Suggested Allocations must be retained. They advance sufficiently from year to year to offer a challenge to most congregations.

Your Committee believes that for the group of congregations annually exceeding the Suggested Allocations, new and higher goals are required.

RECOMMENDATIONS IN RE ALLOCATIONS

Your Committee recommends that the General Assembly approve the following proposals in the matter of Budget Allocations:

1. That there be three classes of allocation:
 - a. The Basic Allocation
 - b. The Challenge Allocation
 - c. The Advance Allocation.
2. That the present principle of mathematically-computed allocations be continued: and that the allocations so developed be called "*The Basic Allocation*"...
3. That the General Assembly adopt, as a long-range objective: "The principle of self-allocation *starting* at 50% of the congregation's Total Normal Expenditures".
4. That Presbyteries determine whether a congregation be asked to meet the Basic Allocation, or an Advance Allocation or a Challenge Allocation.
 - (a) That *Basic Allocations* be prepared for all congregations: and that it be the "objective" for congregations currently contributing *LESS* than the previous Basic Allocation but not less than 80% of this allocation.
 - (b) That *Challenge Allocations* be set by the Presbyteries for congregations that are currently contributing less than 80% of the Basic Allocation: and that the

"objective" set for these congregations be at least 20% greater than their givings for the previous year.

- (c) That *Advance Allocations* be determined for congregations regularly exceeding the Basic Allocation:

that these congregations be asked to adopt, as their long-range goal, the raising of a budget contribution equal to 50% of their Total Normal Expenditures:

that, in consultation with the Presbytery Budget Committee they develop a program by which to advance to this level of giving in three or five years.

5. That, if the foregoing recommendations are approved, the Stewardship and Budget Committee be authorized to send out Allocations in this form:

Congregation:	ALLOCATION		
	Challenge	Basic	Advance
		<i>This column only will be completed by the Committee.</i>	

Presbyteries will determine what congregations are given Challenge Allocations, and what congregations, in consultation with Presbytery's Committee, will set their own Advance Allocations.

6. That the General Assembly thank the Stewardship Committee of the Canadian Council of Churches for its work in developing the Stewardship Sector Projects, and record its appreciation of the services of leaders in other denominations who directed Projects in which Presbyterian congregations participated.
7. That the General Assembly commend participation in Sector Projects to all Presbyteries and congregations.
8. That the General Assembly renew its recommendation of the Duplex Envelope (with the red-half used for Budget Revenue only), of the Every Person Canvass, and the regular monthly or quarterly remittance of Budget contributions.
9. That the Stewardship and Budget Committee be authorized to make Allocations to the Synods—on the basis of the Budget Objective approved by this Assembly—and to supply the data used in developing these allocations to Presbyteries and congregations as early as possible in the Fall of this year.
10. That Presbyteries be asked to make visitations to Sessions and Boards of Management of all congregations to present the financial needs of the Church and to assure that the Budget needs are presented to the Annual Meeting of the congregation.
11. That the General Assembly express its appreciation of the work done by members, office-bearers and ministers, and by committees throughout the Church, in support of the General Assembly's Budget Fund.

Chairman.

A. NEIL MILLER,
Secretary.

THE COMMITTEE ON CHURCH WORSHIP

To the Venerable the General Assembly:

The primary responsibility of the Committee on Church Worship continues to be its share in the work of the Assembly's Committee on the Revision of the Book of Common Order. This has required considerable time and effort on the part of several of our members in reviewing the judgments of Presbyteries on the four Orders of Morning Worship circulated by authority of the Assembly in 1955, in the preparation of some of the eight Services authorized for circulation by the Assembly in 1956, in correspondence with all forty-eight Presbyteries regarding their evaluation of the various submissions, and in the tabulation of replies to the Questionnaire sent to over seven hundred Ministers of the Church. The Committee on Church Worship again commends to the most careful attention of the Assembly the work of this Joint Committee.

Your Committee was asked by the Assembly of 1956 to prepare plans for a suitable celebration in 1960 of the 400th Anniversary of the Scottish Reformation. To this end we have been in correspondence with Committees on Church Worship in the Church of Scotland, the United Free Church of Scotland, the Free Church of Scotland, and smaller branches of our Communion overseas. Through the kind cooperation of the Stewardship and Budget Committee circulation was made again this past October of the Calvin Order of Service of 1542 for use on Reformation Sunday throughout the Church.

Your Committee was directed by the Assembly of 1956 to look into the matter of a pamphlet on the Lord's Prayer "touching its form and content." Careful investigation has revealed the fact that a number of brochures, pamphlets and books are now in circulation on this subject and are readily available. The best of such includes Marc Boegner's "The Prayer of the Church Universal" which deals directly with an interpretation of the Lord's Prayer; G. M. Day's "The Lord's Prayer," a comprehensive interpretation; E. F. Scott's "The Lord's Prayer," a hundred pages on the character, purpose and interpretation of the Prayer; "The Lord's Prayer and You," a twenty-two page booklet, and "Our Father," a ten-day devotional study of the Prayer, both of which are produced by the Forward Movement Publications; G. A. Buttrick's "So We Believe, So We Pray," and relevant chapters in his great masterpiece, "Prayer"; a brief and a useful little booklet, "How to Pray" . . . a series of studies in the Lord's Prayer by the late Dr. Peter Dunn, of St. Paul's Church, Hamilton. This last named, issued by Presbyterian Publications in 1947 is out of stock at the moment, but if sufficient demand for it is made another printing can be provided.

Another responsibility laid upon your Committee by the Assembly of 1956 was to "investigate and report to the next Assembly on the feasibility of revising the 'Book of Praise' to replace one hundred hymns with at least one hundred new hymns" with particular reference to our Lord's Nativity, Resurrection and Ascension, to the Sacraments, and to Hymns for the Young. Your Committee made investigation into the possibilities of such a proposal and we find that it is extremely difficult to estimate, even roughly, the cost involved in changing the present "Book of Praise." In order to secure an economical price it is necessary to print sufficient sheets for a number of years at one time. The actual books are bound as required, usually twice yearly. The cost involved would largely depend on whether the present stock of sheets could be used. This assumption would be dependent on how quickly the Congregations of our Church would be financially able and willing to turn to the new hymn book. There is also the problem of the actual changes to be made in the "Book of Praise," and the expense here would be subject to the hymns involved so far as copyrights are concerned. There is also the consideration that if more, or less, hymns were inserted

than the number being removed, it might be necessary to change completely the present numbering.

The matter of hymn-book revision has been before the Church in one form or for remaking of the "Book of Praise," in use now for almost forty years. The General Assembly of 1950 referred to its Committee on Church Worship the study of the various overtures praying for the revision of the hymn book. In 1951 the Assembly accepted the opinion that our present book is inadequate, and instructed the Committee to obtain information as to the revision of "The Church Hymnary" which is used by practically all branches of the Presbyterian Communion throughout the Commonwealth, except our own. Economic conditions in Great Britain at that time necessitated the postponement of such revision. Your Committee then was authorized to investigate the possibility of sharing with the Presbyterian Churches in the United States in the revision of their hymnary in the hope that a book could be produced for use by all Presbyterian Churches of the North American continent. In 1953 your Committee reported to the Assembly that because the proposed American revision would not contain a separate Psalter, nor a sufficient number of evening hymns, nor of hymns for children, its representatives had had to withdraw from the project; the Assembly thereupon ratified the Committee's action in this regard.

Your present Committee has given much thought and discussion as to what the Church should do in view of these circumstances. It is obvious that great advantages would accrue from the use of a book by us in common with other branches of our Church throughout the Commonwealth. In view of the fact that such a jointly-produced book would serve millions rather than thousands and thereby be produced at much less cost, that into its production would go the wisdom, the devotion and skill of Presbyterian Churches in Scotland, England, Ireland, Wales, Australia, New Zealand and South Africa, as well as Canada, and that we might be able to make a significant contribution to the spirit and content of such a book, we consider it wise that our Church seek representation on a Committee of the proposed revision of "The Hymnary." Such a representation could press for the production of a Canadian edition, or the inclusion of a supplement which would make the book more usable in the Canadian Church. For the immediate present we believe that if the "Book of Praise" is studied carefully and used with imagination and discrimination it will be found to be not altogether inadequate to the needs of our Church.

As indicated in the returns to the Questionnaire on Church Worship it was the responsibility of the Committee to tabulate, the majority of our Ministers today are fully aware of the need for some reform of worship among us, to make our Services more beautiful, more solemnizing, more truly an act of common devotion, but some are withheld from doing anything by fear of prejudiced opposition. We know there are no doctrinal barriers to such reform: it is only the people with whom we have to reckon. But may it not be that the people themselves have reached a stage where, however inarticulately, they are clamoring for something richer and worthier of our heritage from all the Christian ages than they are being given? Some of us are strongly convinced that it is they who will force a better state of things into being. There will be poetic justice in that. It was largely the clamour of the people, not the sober judgment of the Reformers, that stripped our worship of so much of its grace and beauty. It is dramatically fitting that pressure from the people should cause us to seek again what has so long been lost.

Your Committee recommends as follows:

1. That the Committee on Church Worship be authorized to continue its joint efforts with the Committee on Revision until the completion of this project.
2. That Presbyteries be asked to hold special meetings for the consideration of matters of Church Worship, with particular reference to the various Orders of Service submitted to the Church by the Committee on Revision.

3. That the Committee on Church Worship be directed to continue its work in preparation for a suitable celebration in 1960 of the 400th Anniversary of the Reformation in Scotland.
4. That the Committee on Church Worship be instructed to obtain information on the proposed revision of "The Church Hymnary", and that our Church seek representation on the Editorial Board of "The Church Hymnary" with a view to securing an edition of this book suitable for us by The Presbyterian Church in Canada.

All of which is respectfully submitted.

T. H. B. SOMERS,
Convener.

COMMITTEE ON PRESBYTERIAN STUDENTS IN UNIVERSITIES

To the Venerable the General Assembly:

The Committee expresses its deepest regret and sympathy in the loss of one of its members by death, namely, the Rev. James Evans of Vancouver.

The Committee begs leave to submit the following report:

The Committee did not meet during the year but the following recommendations have been agreed to unanimously:

1. That the General Assembly recognize and support study groups already set up among students and faculty at McGill University in the Westminster Fellowship under the leadership of the Rev. Prof. W. Stanford Reid, Ph.D., at the University of New Brunswick under the leadership of the Rev. T. J. Watson, D.D., at the University of Saskatchewan under the leadership of the Rev. George McMichen, M.A., B.D., at Western University in the Westminster Fellowship under the leadership of the Rev. Richard Stewart and a group to be organized next September at Carlton College, Ottawa, under the leadership of the Rev. A. Ian Burnett, M.A., D.D., and at the University of Toronto, under the leadership of the Rev. Principal J. S. Glen, D.D., and that a study group be organized at the University of British Columbia upon the completion of St. Andrew's Hall and the appointment of a dean.
2. That in view of the fact that there is already a Committee on the Church's Work in the Universities, a sub-committee of the Board of Evangelism and Social Action and the Board of Christian Education, this Committee on Presbyterian Students in Universities be discharged and its members be added to the Committee on the Church's Work in Universities.

All of which is respectfully submitted,

ROSS K. CAMERON,
Convener.

REPORT OF THE CLERKS OF ASSEMBLY RE OVERTURE 11, 1956

(PRESBYTERY OF WEST TORONTO, RE SECTION 176, SUBSECTION (2), (A),
(B), BOOK OF FORMS)

To the Venerable the General Assembly:

The General Assembly of 1956 instructed the Clerks of Assembly to report upon Overture 11, 1956, Presbytery of West Toronto, re Section 176, Book of Forms, Subsection (2), (a) and (b). (Acts and Proceedings, 1956 pages 16, 330, 331).

The Clerks report as follows:

This Overture states that the language of this Section, Subsection 2, is not specific, that there is confusion as to the commissioning of elders from Kirk Sessions, that the present reading would permit representation from each preaching point in a Presbytery, and that it is being interpreted to mean that a Kirk Session may appoint an elder of another Session to represent it.

The Clerks beg to call attention to Section 131 in its preamble, to 131 (b) and to 200 (i). The clue words, for this Overture are as follows: In the preamble to 131, "It is the right and duty of every Session . . . to appoint one of its elders to represent it in Presbytery and Synod." In 131 (b), "When a charge consists of two or more congregations having separate Sessions, such Sessions shall be regarded as one for the purpose of representation in Church courts". In 200 (i), ". . . the Presbytery . . . raise or reduce the status of charges as self-supporting, augmented, or mission fields". (The point here being, for this Overture, that mission fields, as they may be grouped by Presbytery, constitute a charge or charges).

In answer to the portion of the Overture concerning each preaching point having a representative elder, 131(b) is clear. We submit that the qualifying word 'pastoral' in the phrase 'pastoral charge' in 176 (2) (a) is in agreement, and by itself should indicate to Presbyteries that the basis is the pastoral charge and not the preaching point.

In answer to the portion of the Overture concerning a Session appointing an elder of another Session to represent it, the preamble to 131 indicates that the Session appoints *one of its elders*, not an elder of another Session. It is axiomatic that a Court cannot be represented by one not a member of that Court.

If the Overture has in mind that 176 (2)(b) indicates an election by one Session of an elder elsewhere, the Clerks wish to point out, (A) That the purpose of this (2)(b) is to make the number of elders in the Presbytery equal the number of ministers: it is not to provide representation from each Session, for that is cared for by (a). (B) These elders are "chosen by the Sessions annually, assuming the privilege in rotation, and each Session to whom the privilege for the year shall belong electing one." The background of this is that the Presbytery takes action. How else could rotation be fixed? How else could the individual Sessions know more elders were required in Presbytery? It can only be a Presbytery action under (2)(b) calling upon Sessions in rotation as it may determine, and the idea of rotation implies the Session elects from its own number. How can a person be elected by a group to which he does not belong?

The Clerks recommend that the adoption of this report be an answer to the prayer of the Overture.

Respectfully submitted,

E. A. THOMSON
L. H. FOWLER

RE: OVERTURE 30, SYNOD OF TORONTO AND KINGSTON, 1956,
Re COMPOSITION OF KIRK SESSIONS

To the Venerable the General Assembly:

Pursuant to instructions of the General Assembly, 1956, page 16, the Clerks of Assembly report on Overture 30, 1956, Synod of Toronto and Kingston. Re Composition of Kirk Sessions A & P 1956, pp. 341, 342.

This Overture was forwarded by the Synod of Toronto and Kingston with the disapproval of Synod. It was presented to Synod by the Presbytery of Algoma and North Bay and asks that a Kirk Session consist of a minimum of three members and the Moderator.

The Clerks of Assembly believe that the disabilities mentioned in the body of the Overture with the present quorum will not be necessarily cured by making a quorum of three and Moderator. "Unity and harmony" are not secured in a Session by breaking a vote into two against one where otherwise two are disagreed and one will not second the motion of the other. Situations of this kind are plainly a responsibility of Presbytery to act.

The Clerks believe the present quorum of two elders and a moderator is based upon St. Matthew 18:20, "For where two or three are gathered together in My name, there am I in the midst of them." The Clerks support the judgment of the Synod and recommend that the prayer of the Overture be not granted.

Respectfully submitted,

RE: OVERTURE 32, PRESBYTERY OF LONDON,
Re MEETING OF GENERAL ASSEMBLY

To the Venerable the General Assembly:

Pursuant to instructions of the General Assembly, 1956, page 93, the Clerks of Assembly present the following study and report re Overture 32, Presbytery of London, Acts and Proceedings, 1956, page 343.

The Overture, with reasons appended, asks that Assembly open the Monday evening of the first Monday in June "and arrange its procedure as to complete its business by the end of the same week". The Clerks take it that this means the last sederunt would be on the Saturday morning. Even with this, many commissioners would find it necessary to leave Friday evening to be home for Sunday morning, and a quorum might not be found. However, Monday evening to Saturday noon will mean fourteen sederunts. The number of sederunts of the last ten Assemblies have been as follows: 1947, 20; 1948, 19; 1949, 20; 1950, 16; 1951, 17; 1952, 18; 1953, 17; 1954, 18; 1955, 18; 1956, 17. Thus, in ten years, the fewest number of sederunts has been 16, and that is two more than the number suggested in the Overture. Moreover, the Clerks point out that (largely speaking) in these ten years debate has been reduced to a minimum and the Clerks believe that restrictions to bring the same amount of business into fourteen sederunts would change the character of Assembly drastically and improperly limit discussion. They also point out that the increasing size of the Church and increasing business before Assembly makes it likely that we shall have to have more sederunts. In 1947 and 1949 Assembly closed Thursday night, there being twenty sederunts in each of those years.

A calculation of travel time indicates the following: when Assembly opens Wednesday evening in Toronto or Montreal all men from Alberta eastwards (but not including Newfoundland) are away one Sunday only and arrive on time. If Assembly opens on Monday evening and closes on Saturday noon, the men from Ontario and Quebec will miss no Sunday, but all others will miss two. The Maritimes, having about 12% of our membership, will thus be rather penalized with their commissioners. At the present time, many Ontario commissioners are able to return to their Churches for Assembly Sunday.

Air travel is difficult to estimate as so many men will spend hours in their respective provinces reaching an air port. With Assembly closing on a Saturday, the Clerks believe it will mean a close schedule to get men by air back to their pulpit for the Sunday and the cost is much greater.

For these considerations, and especially emphasizing the number of sederunts necessary for Assembly business, the Clerks recommend no change.

Respectfully submitted,

E. A. THOMSON

REPORT OF THE CLERKS OF ASSEMBLY RE RECOMMENDATIONS 1 and 2,
COMMITTEE ON CHAPLAINCY SERVICES, A. & P., 1956, pages 37, 254.

To the Venerable the General Assembly:

The Assembly of 1956 (A. & P., 1956, page 37) directed the Clerks to consider and report as to ways in which the following recommendations could be implemented, the recommendations being approved in principle by Assembly:

1. That the General Assembly authorize the Chaplaincy Committee to establish a Communion Roll for those who are received in the membership of our Church, while serving in the Forces.
2. That the new members be given a certificate stating that their membership is attached to this Communion Roll.

The Clerks, in a choice between Section 294, Book of Forms, concerning the authority known as the *nobile officium* whereby the Assembly supplies the want of law when necessary, and a procedure based on sundry circumstances through the centuries, prefer the latter. The former would require legislation under the Barrier Act, the latter a Declaration.

It is fairly evident that the Church has always permitted chaplains considerable latitude in their work, and especially to receive professions of faith and to administer Communion to those professing even though they have not appeared before a Session. The Form of Presbyterian Government in its concluding four sections refers to certain permissions for ordinations in extraordinary cases and mentions ordinations "for the service of the armies or navy". The Clerks believe it to be within the genius of our Church both for that time and at the present to provide orderly means that those in the Services may be as those at home concerning their relationship to the whole Church.

RECOMMENDATIONS

1. That the Committee on Chaplaincy Services establish a Communion Roll and report annually to the General Assembly concerning it.

2. That Chaplains receive the professions of faith with two elders of the Church, of the Chaplain's choice among Service personnel or as appointed by the Presbytery of the bounds of this Canadian Church or any Church of the World Presbyterian Alliance.
3. That the Assembly recognize the validity of a profession of faith when the foregoing (2) is impossible, and declare that the consequent administration of the Sacrament of the Lord's Supper is proper.
4. That all Chaplains report the names of those received under (2) or (3) at their first convenience to the Committee on Chaplaincy Services.
5. That the Chaplains give a certificate to the new communicants, the form to be prepared by the Committee on Chaplaincy Services.
6. Such certificate may be used as a Certificate of Disjunction, the Session receiving it to report reception to the Committee on Chaplaincy Services.

Respectfully submitted,

REPORT OF THE CLERKS OF ASSEMBLY RE OVERTURE 29, 1956. (Synod of Toronto and Kingston, 1956, Re: Divisive Action)

To the Venerable the General Assembly:

Pursuant to instructions of the General Assembly, 1956, Acts and Proceedings, page 16, the Clerks of Assembly report on Overture 29, 1956, Synod of Toronto and Kingston, Re Divisive Action. (A. & P., 1956, pages 340, 341).

This Overture, originating in the Presbytery of Algoma and North Bay, was forwarded simpliciter by the Synod of Toronto and Kingston. It asks that the Questions to be put to Elders before ordination be amended to include the following: "to follow no divisive course, but maintain according to your power the unity and peace of the Church."

The phrase, "divisive course" was defined in general terms in Acts and Proceedings, 1948, pages 129, 130 of Appendices. The portion most pertinent to this report is in these words, "From the above, we must conclude that a 'divisive course' in any action by any one or more persons within the Church which shows an unwillingness to submit opinions or beliefs, or conduct to the judgment of the brethren in Christ as expressed in and through the courts of the Church. However, this does not prohibit a man from expressing his mind contrary to the majority of the Church. But it forbids a man attacking another member of the Church in such a manner that a defence is impossible . . ."

The Clerks agree with the statement in the Overture that the "parity of elders, ruling and teaching is (so) cardinal to our Presbyterian system of Church government." But there is a difference of function which we humbly submit the Presbytery has not considered. The teaching elder (minister) has a different function, and in his pulpit and elsewhere he has more opportunities of following a divisive course, and his function is weighted with more responsibilities. The definition of divisive course, as in the foregoing quotation, applies to all members, but those who are not ministers are subject to Session. An elder who only rules has no authority in or by himself but only as one among other such elders within the kirk-session. Elders are subject to Section 134, Book of Forms, whereby their session can have them removed by Presbytery if they have ceased to be helpful to the congregation. Elders in Presbytery

are subject to Presbytery. The questions to be put to a minister or an elder do not cover all the possibilities; they cover the larger considerations that arise in their respective functions.

We recommend that the prayer of the Overture be not granted.

Respectfully submitted,

E. A. THOMSON

REPORT OF THE COMMITTEE ON THE CHURCH'S WORK IN THE UNIVERSITIES TO THE GENERAL ASSEMBLY OF THE PRESBYTERIAN CHURCH IN CANADA, 1957

To the Venerable the General Assembly:

This Committee to study the Church's work in the universities has been set up in answer to the prayer of Overture 26 (*Acts and Proceedings, 1956, p. 338*). It has the following members: Rev. M. Di Gangi, Chairman; Rev. D. F. Collier, Secretary; Rev. M. V. Putnam, Rev. J. C. McLelland, Rev. J. C. Cooper, Rev. D. G. M. Heron, Prof. John Wevers, Rev. W. A. Young, Mr. Ian Rennie, Prof. Robert Rosevear, Rev. J. A. Ross, Rev. D. C. Wotherspoon; and the following members by correspondence: Rev. John Buchanan, Rev. R. K. Cameron, Rev. J. S. Clarke, Princ. J. S. Glen, Rev. E. H. Johnson, Princ. R. Lennox, Prof. Hilda Neatby, and Prof. W. Stanford Reid.

At present the universities and colleges constitute one of the neglected areas in the Church's ministry and evangelism. The Evanston Assembly of the World Council of Churches named them one of the two great untouched areas (the other being the working classes). The whole field of Christian work in the universities is at present being re-examined by other communions, by a Commission of the Canadian Council of Churches, and by Christian student organizations, in view of the anticipated increase in enrolment in Canadian colleges and universities from 65,000 students in 1954-55 to 125,000 by 1965. The Presbyterian Church in Canada has a clear responsibility for the work of evangelism and the pastoral ministry in the universities. The leadership of Canada tomorrow will largely be in the hands of the students of today. This field is one with great potentialities for good or evil, and our Church cannot afford to neglect such a challenging opportunity.

AREAS OF CONCERN:

1. Preliminary surveys indicate that the Church ought to be concerned not only with the pastoral care of the Presbyterian students, but also with the mission to the universities at large.
2. It is ordinarily difficult for congregations near universities to meet the total demand of the situation in addition to their regular pastoral task.
3. If our Church undertakes denominational work in the universities and colleges, it must consider its relationships to groups such as the Inter-Varsity Christian Fellowship, the Student Christian Movement, and the Presbyterian or Westminster Fellowships.

RECOMMENDATIONS:

1. That this Committee be directed to continue its work in these areas of study.
2. That the Committee be instructed to define a policy of The Presbyterian Church in Canada towards the Inter-Varsity Christian Fellowship, the Student Christian Movement, and the Presbyterian or Westminster Fellowships.
3. That this Committee be authorized to bring together a select group of Presbyterians experienced and interested in the Church's work in the universities across Canada for a consultation in 1958.
4. That the General Assembly authorize up to \$1,500.00 for the work of this Committee.

All of which is respectfully submitted.

MARIANO DI GANGI,
Chairman.

DONALD F. COLLIER,
Secretary.

STATEMENT OF THE COMMISSION ON BOUNDARIES

To the Venerable the General Assembly:

At Bronte, Ontario, on Monday June 25th, 1956, the Commission of Assembly on Boundaries met at ten-thirty o'clock in the forenoon. Members present were: Mr. D. McQueen, Convener; Mr. R. Forbes Thomson, Mr. David McCullough, Ministers; Mr. E. S. Smith, Mr. William Read, Mr. Clare Risedale, Elders. Mr. J. K. West, visiting in Britain, was absent. Mr. W. J. Moffatt, Convener of Extension Work, Hamilton Presbytery, being present was invited to sit and correspond.

After careful examination of the area between the Presbyteries concerned, the Commission declared the boundaries between the Presbytery of Hamilton, in the Synod of Hamilton and London; and the Presbyteries of West Toronto and Guelph, in the Synod of Toronto and Kingston shall be as follows:

"Commencing at the northern shore of Lake Ontario, the boundary line shall follow in a northwesterly direction along the line between the Township of Trafalgar and the Township of Nelson to the juncture of Sideroad No. 10, thence westward on Sideroad No. 10 by way of Kilbride and Carlisle to the juncture of Highway No. 6, thence northwesterly on Highway No. 6 to the juncture of Highway No. 97 at Freulton, thence westward on Highway No. 97 to the boundary between the Township of Everly and the Township of North Dumfries, thence southward on this said boundary line to the southern boundary between the Township of North Dumfries and the Township of South Dumfries, thence westward on the line between these said Townships to their western boundaries."

The above "Boundary Line" was, on motion duly seconded, approved unanimously by the Commission. The Convener then declared the work of the Commission completed.

D. McQUEEN,
Convener.

REPORT OF ASSEMBLY'S COMMITTEE RE THE PLACE OF WOMEN
IN THE CHURCH

To the Venerable the General Assembly:

The Committee re The Place of Women in the Church has given its attention this year, as directed by Assembly 1956, to the following Recommendations of its Report to Assembly, 1956:

"7. That, in response to suggestions in the replies received, a study be made by this Committee concerning ordination for deaconesses to be reported to Assembly 1957, or a subsequent Assembly."

"8. That the Committee, being disturbed about the lack of unity in the life of congregations, the frictions among organizations of both men and women, ask Presbyteries, Presbyterials and any organized group in any congregation to study this problem and send their comments to the Convener of this Committee before March 31st, 1957."

(Para. 4). Concerning Recommendation 7, 1956, above, re Deaconesses, we make a progress report. The Church of Scotland, with which we are in close correspondence, has problems much in common with us in this field. In May of 1956 it published its Commission's thirty-seven paged report, and we have found it to have large bearing upon our studies. We have sent out to all deaconesses of our Church, both active and retired, a questionnaire which we are now evaluating. Upon completion of this work we expect to send out a final questionnaire, and hope to report to Assembly 1958 with recommendations.

(Para. 5). Concerning Recommendation 8, 1956, above, a circular was prepared containing the Recommendation and accompanying notes, and was sent to all Presbyteries in sufficient numbers to provide a copy for each Minister on the Roll, and to all Presbyterials of the W.M.S. (W.D.) and of the W.M.S. (E.D.) in sufficient numbers to provide a copy for all auxiliaries, affiliated societies, etc. The total of possible replies was over two thousand. At the date of April 25th, six replies were received from Presbyteries, 25 replies from the W.M.S. (W.D.) and 13 replies from the W.M.S. (E.D.)—a grand total of 44. The Committee has instructed its Convener to summarize these replies and to read pertinent comment from typical replies in his verbal report to Assembly, 1957.

The fewness of the replies may, we think, be held fairly to indicate apathy. The Question, Recommendation 8, 1956, was devised to test the degree of awareness of the Church to what we believe to be its Laodiceanism, to discover what things militated against our oneness in Christ, and particularly to discover if there was any suggestion that women were being discriminated against in the life of the congregations, and thus desirable unity was not being attained. Other departments of the Assembly's work are concerned with the spiritual state of the Church. The Canadian Council of Churches' Committee on The Work of the Laity, on which our Church is represented, has been studying the problem of unity. In our circular we seemingly stepped into its field, but did so to examine the possibility of discrimination and to provoke thought upon this fundamental matter of oneness. Our conclusion from the replies received is that there is no deliberate discrimination, and the problem is the larger one of the unity of all in the life of our Lord.

(Para. 7). It is now clear to us as a Committee that the matter of ordination for women as Ministers, Ruling Elders or Deaconesses is a minor one compared to the

conviction among thoughtful women everywhere that women might well have a more definite voice in the Courts of our Church. The question is, against our centuries' old canonical law, practice and tradition, how shall this be achieved?

(Para. 8). Your Committee therefore asks this Assembly, without declaration as to the principle involved, to ask Presbyteries to report upon the following, which is sketched in broad outline. We suggest the Church consider the idea a Presbytery Council, a Synod Council, and an Assembly Council. At the level of Presbytery the Council would consist of all members of Presbytery as under our present constitution, plus one woman representative of each congregation, elected at the annual meeting of the congregation, plus all deaconesses (active) within bounds of the Presbytery. The Synod Council would consist of all members of the Presbytery Councils within bounds. The Assembly Council would consist of members of Presbyteries as under the present constitution plus women equal in number to elder commissioners, elected by the Presbytery Council. (National women's societies such as the W.M.S. might also be represented in the Assembly Council). At the congregational level, inasmuch as the Session may call into consultation all groups within the congregation, no Congregational Council is suggested. At the level of Presbytery, Synod and Assembly, the Council will meet and deal with all administrative business. There are certain inherent legal limitations that give Presbytery, Synod and Assembly, as they are, sole rights. But it is conceivable that councils could discuss doctrine, government, worship and discipline and make recommendations concerning them. Following the meeting of the Council at each level, the Presbytery, Synod or Assembly (all presently constituted) would meet to give formal ratification to the acts and proceedings of the Council. It will be perceived that the right of veto lies in this plan, but it is not anticipated that the Court at any level would lightly veto those acts and proceedings in which it has already given its voice in debate in the meeting of the Council of that level.

(Para. 9). The Committee presents the following considerations. (1). This represents a seemingly radical departure from Presbyterian practice, and we believe it is a unique suggestion in Presbyterianism. We trust it will not be turned aside by any Presbytery without much consideration, and without reasons being given. We submit it is not as radical as it appears. We do not wish to make any theological distinction between the administrative work of the ruling and teaching elders and their work as governors of the Church. We wish to point out that the principle as we see it is already in wide operation in the Church. At the congregational level there are many activities of the women that are never reviewed by the Session, except in a casual way, if at all. At the Assembly level, the reports of the W.M.S. (W.D.) and the W.M.S. (E.D.) represent a work in which women have almost complete authority and make a formal report to Assembly, which is immediately received and adopted. The same observation applies to Presbyteries and Synods for these societies. All Courts have found the wisdom of having women as members of their committees, and the committees in many cases are in effect commissions of the Court—that is, they really issue although the final approval is given by the Court. We repeat, the principle is already in wide operation. Our suggestion, in this scheme we present, is that the whole work of the Church can be better integrated and the administrations of the Church's affairs can find a broader basis. Some of the present anomalies will disappear.

(Para. 10). (2) If constituent membership of the Courts must depend on ordination, there is no hope in the clutchable future that women may have a fair voice in the Courts. If we ordain women to the Holy Ministry, and achieve in twenty years what the United Church of Canada achieved in twenty years, in proportion to that Church we shall have nine women ministers distributed through the Presbyteries. If we achieve what has been achieved by the Church in the U.S.A. with the largest number of women ministers, we shall have about twenty-eight women ministers. If we ordain women to the Ruling Eldership it cannot be expected that the number of women elected as representative elders will equal in any Presbytery the number of men elected as representative elders, at least not for a long time. If we proceed to ordain

Deaconesses and give them a voice in Church Courts (which their ordination will not necessarily grant), the total will be small. In short, on the basis of ordination, women will not come into any practical equality. In this statement we are not setting aside the question of the ordination of women—see Recommendation 4, 1956; we are simply setting it in its relationship to the Courts of the Church.

The Committee unanimously recommends:

1. That the Committee be continued, taking into consultation representative women of the Church.
2. That Recommendations 3 (re power to co-opt), 5 (permission to study and report to Assembly on all phases), 7 (re deaconesses), 8 (re Bible Classes), and 10 (re woman managers), all of 1956, by this reference be placed in Recommendations this year and be re-approved, to make a complete statement in these Acts and Proceedings of the Committee's present work and plans.
3. That Paragraph 4 of this Report be received and adopted as a progress report.
4. That the scheme as submitted in paragraphs 8, 9 and 10 of this Report be submitted to Presbyteries for discussion and comment, and reply to the Convener of this Committee on or before March 31st, 1958.
5. That Assembly give this Committee permission to circularize Presbyteries, Presbyterials, and any organized groups within congregations on these recommendations, informing such also that the Committee will have ready in the autumn of 1957 programme material to be used in one meeting on the basic question of our oneness in Christ, with various ways of using it, and informing them also of the study material available on this subject through the W.M.S. (W.D.).
6. That the Clerks of Presbyteries, to implement the foregoing, provide the Convener of this Committee with the names of secretaries of Ladies' Aids, Women's Associations, Guilds, and the like within bounds, and likewise the names of secretaries of other adults groups such as Young Couple's Clubs. (The Committee has complete mailing lists of all W.M.S. auxiliaries, etc., both W.D. and E.D.).
7. That this Assembly thank all who have replied to this Committee's circular of 1956.

Respectfully submitted,

LOUIS H. FOWLER,
Convener.

REPORT OF THE BOARD OF ST. ANDREW'S HALL, VANCOUVER

To the Venerable the General Assembly:

The construction of the Chapel, Dean's House and Residence is well under way. The cornerstone of the Chapel was laid by The Honourable Frank Mackenzie Ross, C.M.G., M.C., LL.D., Lieutenant Governor of B.C., on Wednesday the 24th day of April, 1957. It is hoped that the Chapel will be ready for dedication on the 9th of June. All the buildings will be ready for occupancy before the University opens in September next.

A manse was purchased as of the 1st of May for \$32,000. It is situated four blocks from the Hall. It has been rented for the months of May, June and July at \$175.00 per month.

The approximate cost of the Hall buildings, furniture and furnishings and of the manse will be \$306,000. Counting on Assembly implementing the recommendation of the Board of Administration of a further grant of \$25,000 towards the completion of the undertaking, there remains to be raised approximately \$68,000. There is a reasonably good prospect that this sum will be in hand before the buildings are complete. A Women's Auxiliary has been set up to assist in the matter of the furnishing of the Residence rooms, lounge, etc.

Our operational estimates were presented to the Secretary of the Board of Administration on the 2nd of April.

In February, last, the Board wrote the Rev. John A. Ross, M.A., B.D., Ph.D., of Woodbridge, Ontario and asked him if he would consider appointment as Dean. The challenge was presented to him. Several letters were exchanged with the result that Dr. Ross flew to Vancouver and spent the first week of April here. He saw things at first hand and met the members of the Board. The Board met on the evening of the 2nd of April and resolved unanimously (one member was absent through illness) to offer the appointment to Dr. Ross. It was the writer's pleasure to formally present Dr. Ross to the Board, and it was the delight of every member to hear him accept the appointment. Dr. Ross has a remarkably fine academic record, but more important, he has proved himself an exceptional leader of men. He lives to serve. St. Andrew's Hall is indeed fortunate. He will take up his duties early in August.

It is gratifying to note that the Deputy President of the University (the President was in Japan) Dean Geoffrey Andrew, gave Dr. Ross a most cordial welcome as did also Dr. Woodhouse, Principal of the Anglican College and Dr. Taylor, Principal of Union College.

The Presbytery of Westminster is setting up as of the 1st of August a Mission Charge centred at St. Andrew's Hall. Presbytery will almost certainly ask for the appointment of Dr. Ross as ordained Missionary in Charge.

The first year of operation may present problems, but with a fine set of buildings and under the leadership of our Dean, we anticipate that no difficulties will prove insurmountable.

The Presbyterian Church has ever stood for sound theology and fine scholarship. St. Andrew's Hall, we hope with confidence, will from this day onward leave an impression on the youth of the University which will stand them in good stead when they leave the College Halls. That God's Kingdom and our Country will be better by reason of the erection and dedication of St. Andrew's Hall is the earnest prayer of the Board of Management.

Faithfully,

Vancouver, B. C.

REPORT OF THE COMMITTEE ON HISTORY

Last autumn our Convener, Dr. J. A. McMahon, was compelled by ill-health to sever his connection with the work of this Committee. We would express our appreciation of Dr. McMahon's work and our regret that it is not possible for him to continue with us. The Rev. D. M. McQueen was appointed as Acting-Convener at our annual meeting.

In accordance with the permission granted by the last General Assembly an Historical Society was formed, with fifteen members, and the following officers: President, Dr. J. McNab, Vice-President, Dr. J. A. Johnston, Secretary-Treasurer, Neil G. Smith. The Society adopted the following aims:

1. To stimulate interest in the history of the Presbyterian Church, with particular reference to its work in Canada.
2. To encourage the preservation of records and documents of historical value.
3. To encourage research into the history of Presbyterian congregations, and the activities of our Church in Canada.

Membership in the Society is open to all interested in the history of our Church. The membership fee is One Dollar per person per year. The Society is to report annually to this Committee. It has already published one issue of its Newsletter, and two further issues are planned.

The Synod Conveners have reported a number of items of historical interest within their bounds. They also reported a lamentable apathy in certain areas. The Committee would urge that Presbytery Conveners report annually to their Presbyteries and to the Synod Conveners.

We would repeat the pleas of former years that congregations exercise greater care in the preservation of historical records and documents. We would also recommend that congregations be encouraged to preserve, in their original state, objects of historical value, such as photographs, communion plates, communion tokens, collection boxes and similar items. The Historical Committee will appreciate being notified of the existence or formation of such collections.

The Archivist reported on the material received and added to our collection. The following are among the items received:

Presbytery of Miramichi—Minutes, 1925-1948

Bound files of issues of the Presbyterian Bulletins issued during the Church Union controversy

A collection of pamphlets and correspondence of the late F. Yeigh, dealing with Church Union.

Files of Presbyterian Witness (3 years)

Bound Minutes of Proceedings of Board of Foreign Missions up to 1925.

Souvenir booklets or orders of service for special events in congregations: among others, for St. Andrews, Edmonton; Kerrisdale, Vancouver; Knox, Stratford; Emmanuel Church, Sudbury, and Calvin Church, Regina.

When offered for sale, there were purchased for our collection sermons by Robert McGill (1838), Alexander Mathieson (1836), W. T. Leach (1838) and Henry Esson (1835).

The Library of Knox College is now equipped with a Microcard reader. Documents may be photographed and reproduced on these cards at reasonable cost. Approximately forty pages of text can be reproduced on a card 3" by 5". There are various possibilities for the use of this equipment in making rare documents available for study and research.

Your Committee submits the following recommendations:

1. That the thanks of the General Assembly be extended to all congregations and Presbyteries who have assisted in the preservation of materials of historical value.
2. That in each Presbytery there shall be a committee on History or an Historian, who shall present an annual report to the Presbytery.
3. That the General Assembly urge all congregations to forward items of historical value to the Archives of the Church where they will be available for study by those doing research on the history of the Church.

All of which is respectfully submitted.

D. McQUEEN,
Acting-Convener.

NEIL G. SMITH,
Secretary.

REPORT OF THE TRUSTEES OF THE CHURCH EXTENSION FUND AND THE CHURCH AND MANSE FUND

To the Venerable the General Assembly:

The Church Extension Fund was established to assist congregations and mission fields in Church and Manse building. Help is extended by way of loans secured by mortgages usually interest free for a few years and then at a low rate of interest. The maximum obtainable by any one congregation is \$5,000.00. It is a revolving fund, the money goes out and comes in and goes out again. During the year many congregations have been helped by loans from this Fund. Repayments on loans have reflected the general prosperity of the country. No grants may be made from this Fund. All applications must be approved by the Presbytery of the bounds and the General Board of Missions before being considered.

A statement of revenue and expenditure as prepared by the Treasurer's Office is appended.

THE COMMITTEE ON INTER-CHURCH RELATIONS

To the Venerable the General Assembly:

The Committee on Inter-Church Relations begs to submit the following report for the year 1956-57:

During the year we have been able to take a much larger part in some of the things that concern us not only as a Presbyterian Church but as it concerns our wider relationships with other Presbyterian bodies and various communions. We have been in touch with the Church of Scotland and will be delighted to have with us at the Vancouver Assembly, Dr. Neville Davidson of the Glasgow Cathedral. He will represent the Moderator of the Church of Scotland and will be present for three or four weeks in various cities in Canada. The Committee has also commissioned the Rev. Kenneth G. McMillan, who is now the General Secretary of the British and Foreign Bible Society, to represent us at the Assembly of the Church of Scotland, the Free Church of Scotland and the English Presbyterian Assembly.

In the wider field of ecumenical gatherings, Dr. Hugh MacMillan, of our Formosan mission, was the sole representative of Canadian mission boards at the Eastern Asia Christian Conference. This was held in March at Prapat, Indonesia. This conference under the International Missionary Council and the World Council of Churches, was gathered to form a regional council to link the churches more closely together in their common responsibility of proclaiming the gospel.

Another regional conference was held in San Germaine, Puerto Rico, in May, 1957. This Caribbean consultation brought together representatives of the Christian groups in that area and is the beginning of regional responsibility in the world missionary task. Dr. E. H. Johnson and Dr. W. J. S. Farris, of the British Guiana mission were our representatives.

Dr. Johnson has been invited to serve as one of the ten representatives of the International Missionary Council which meets in joint consultation with the Committee of the World Council of Churches. The Joint Committee has responsibility for relating the programmes of these two world bodies to one another and to formulate proposals for the integration of these two bodies. Dr. Johnson has also been asked to serve as a member of the Department of Missionary Studies of the International Council. Here he represents not only our Church but the Canadian Council of Churches.

World Presbyterian Alliance

If one were to select what seems to be most characteristic of the Presbyterian Alliance at the present time, it would be the increased emphasis on confessionalism and theological seriousness which does not lessen but qualifies its sense of responsibility for ecumenicity. This is evident in the address of President John Mackay to the Central Executive which was later printed in *The Reformed and Presbyterian World*. It is also evident in such facts as the following: (1) The appointment of the Rev. Lewis S. Mudge, Jr., to the Geneva staff as theological secretary; (2) The activity of the theological committees of the World Alliance and of the European and North American areas; (3) The emphasis on the study of Calvin, including the publication of his sermons, a number of which appear for the first time, and including also the translation of Calvin's Institutes into Portuguese; (4) The renovation of the Calvin Auditorium in Geneva. The contribution of our own Church to the latter project has been most gratifying.

The Alliance is living up to the best reformed tradition in its deep concern for civil and religious liberty, particularly in Hungary, Spain, Colombia, South Africa

and the United States. The maintenance of fellowship with the Reformed churches behind the Iron Curtain is all the more important because of the great suffering of our fellow churchmen in Hungary. It is well to remember that almost forty percent of the membership of the Reformed churches of Europe is behind the Iron Curtain. Inter-Church aid still continues as an urgent problem.

Canadian Council of Churches

The Council now meets in plenary session at two-year intervals. Nine delegates were present on November 12 to 16 at Zion Evangelical United Brethren Church, Kitchener. Our representatives were the Rev. S. B. Coles, convener, the Revs. F. G. Stewart, F. J. Barr, L. H. Fowler, N. D. Kennedy, Senator Cairine Wilson, Miss Margaret Webster, Messrs. L. F. D. Purnell and C. R. McIntosh.

Dr. William A. Cameron resigned during 1956 from the Department of Evangelism and Overseas Missions. A very fine tribute was paid by leaders from all communions on the occasion of his retirement. The Rev. R. B. Tillman now occupies Dr. Cameron's post. Professor Allan L. Farris is making a fine contribution as Chairman of the Department of Social Relations. One of the heartening portents of our day in Canada is the increasing discernment of the deep Christological connection between the things of the Evangel and the things of this work-a-day world (Creation).

The department has put forward several questions for discussion among the churches. The underlying motif asks the Church to probe the causes of human distress and attack such conditions as bad housing, juvenile delinquency, alcoholism, economic exploitation, and racial discrimination. They assert that Christianity is concerned with the needs of the whole man, emotional, cultural, psychological and spiritual. New life has been evident in the vigor of the Christian Stewardship Committee.

The sector projects would appear to bring the ecumenical movement down to a grass-roots reality in our Christian communities. Christian men and women are going out together into the life of their city or township with the gospel and its demands for real obedience to Christ as Saviour and Lord. Dr. A. N. Miller has made a fine contribution in this matter of the Word of God and the sense of stewardship finding its way out into the thoroughfares, factories, playgrounds and parliaments of our nation.

A Survey Commission has evaluated the work of the Canadian Council of Churches in its first decade. This Commission has suggested broad principles and aims to govern activities in the next ten years. Three areas are of special urgency: Evangelism, Christian education and Church extension. "In a rapidly expanding Canada, with its great industrialized metropolitan concentrations, our present practices in Church extension testify less to the Cross of Christ than to denominational expansionism, wasteful stewardship of ministries and finances, and undisguised competition in evangelistic, educational and extension programmes." The Council states clearly that its function is not to promote particular schemes of Church union nor to encourage establishment of a "super-Church."

Early in September (3-10), there will be a Faith and Order Conference held at Oberlin, Ohio. This is a link with Edinburgh, Lund, etc., although this gathering is continental rather than world-wide. The theme of the Oberlin conference is "The Nature of the Unity We Seek." Preparatory work has been done in Toronto, Vancouver and Saskatoon. Our Oberlin delegation will include Principal Robert Lennox, Professor Allan L. Farris, the Rev. Eoin S. Mackay, the Rev. Murdo Nicolson and Miss Margaret MacNaughton. Professor David W. Hay and the Rev. Stuart B. Coles are two of the four delegates named by the Canadian Council of Churches. Dr. Joseph C. McLelland has been invited as a consultant. These delegates should be used as widely as possible in synods, presbyteries and congregations upon their return.

Other departments of the Canadian Council of Churches are: Ecumenical Affairs, Overseas Missions, Christian Education, and Evangelism. In addition, there are stand-

ing committees on Faith and Order, Refugee Immigration, Chaplain Service in the Forces, Lay Training, Christian Stewardship, and Women's Inter-Church Council.

Principal John A. Mackay of Princeton has called attention to the double situation of peril and of promise in the contemporary twin phenomena in church history, the Ecumenical movement and the Resurgence of Confessionalism. His address in the *Ecumenical Review*, October issue, should be perused by all our ministers. Dr. Mackay points out that, "The Ecumenical Movement and the Confessional Movement are developing side by side. In not a few instances the same people are leaders of both movements. What is to be the future relationship of these two movements?"

This crucial question finds a critical battleground in our universities. The Student Christian Movement in Canada has sponsored a very serious inquiry into some of the evangelistic, pastoral and intellectual ramifications, by a committee drawn from the several co-operating communions. The document produced by this committee is entitled "Christian Work in Canadian Universities," and has been commended for intensive study locally and nationally during the current year. This document has been offered to the churches "and all concerned organizations and persons, in the hope that wide study and discussion may ensue and that full understanding and common action may result." This lays a heavy responsibility on the people of the Word of God to take the dilemmas, the dangers, and the potentialities of our universities as a radical and humbling field of mission, witness and obedience. Apart from the Truth as it is in Christ Jesus the Saviour-Lord, incarnate, crucified, risen, regnant, what hope is there of our nation retaining or recovering any real community of discourse and of knowledge?

Recommendations

1. It is recommended that synods, presbyteries and congregations be urged to invite the delegates to the Faith and Order Conference at Oberlin, Ohio, to speak to their gatherings with regard to the findings of this North American Conference.
2. We recommend to the General Assembly that the personnel of this committee be increased to include the Secretary of Home Missions and the Executive Secretaries of the National and Overseas work of the Women's Missionary Society.

All of which is respectfully submitted.

H. M. JACKSON,
Convener.

JOHN McNAB,
Secretary.

COMMITTEE RE RECORDING MINUTES, ETC.
REPORT RE RELATIONSHIP OF TRUSTEES AND BOARDS OF MANAGERS

To the Venerable the General Assembly:

The Committee re Recording Minutes, etc. begs leave to report on the relationship of trustees and boards of managers of congregations as follows:

1. The appointment of trustees is dealt with in Section 149 of the Book of Forms.
2. The election and duties of managers are dealt with in Sections 158 to 172 of the Book of Forms.
3. By virtue of Section 173 of the Book of Forms a congregation may adopt such further rules and regulations for the administration of the temporal affairs of the congregation as may be deemed advisable, but such rules and regulations shall be of no effect until submitted to and approved by the Presbytery of the bounds as in harmony with the general procedure of the Church.
4. Your Committee is of the opinion that there is a lack of uniformity throughout the Church in the manner in which the provisions of the Book of Forms cited above have been and are now being interpreted and applied.
5. Dealing first with congregations which have their own constitutions your Committee has the following comments to make:
 - (a) It is probable that few, if any, congregations have constitutions which make complete provision for the appointment and duties of trustees and for the election and duties of managers.
 - (b) In those instances in which complete provision is not made as to such appointments, elections and duties in congregational constitutions, the provisions of the Book of Forms should be resorted to in respect of any matters not provided for in such constitutions.
 - (c) We are of the opinion that in the great majority of cases congregations have no individual constitutions and are dependant on the Book of Forms for guidance and directions as to the appointment and duties of trustees and managers.
6. Your Committee is of the opinion that many, if not most congregations which have no individual constitutions, are not adhering strictly to the provisions of the Book of Forms and that in some instances the constitutions of the congregations cannot be considered as conforming to the concluding words of Section 173 of the Book of Forms and being "in harmony with the general procedure of the Church".
7. Your Committee feels that the failure of congregations to conform to the provisions of the Book of Forms is due, not to any deliberate intention to depart from the prescribed practice, but to the fact that the Book of Forms does not define with sufficient clarity and detail the respective duties of trustees and managers. There is one notable inconsistency in the provisions of the Book of Forms relating to trustees which we think is largely responsible for the lack of uniformity which now prevails throughout the Church. We shall deal with the matter in the next paragraph of this report.
8. Section 149 of the Book of Forms is as follows:

"The property of the congregation is held by trustees, appointed by the congregation, in the manner provided for in the Trust-deed. Trustees should be members of the Church in full communion. Great care should be taken to define clearly

the purpose of the trust and the powers, duties, obligations and mode of appointment of the trustees and their successors, and the perpetuation of the trust, this last point being specially important."

It will be observed that Section 149 states that the "property" of the congregation is held by trustees. The word "property" is wide enough in its legal interpretation to include both real and personal property. It will be noted too that the "property" is to be held by the trustees "in the manner provided for in the Trust-deed". We think the almost universal practice is to have only one Trust-deed and that in a form which is applicable only to the real property of the congregation, i.e. the Church with appurtenant lands and in many cases a manse. To support this practice model Trust-deeds were included in earlier editions of the Book of Forms and even in the present edition draft clauses for insertion in Trust-deeds are included which are appropriate only to trusts relating to real property. The result of these provisions has, in our opinion, been that many congregations and trustees have gained the impression that trustees are appointed for the sole purpose of holding as bare trustees the real property of the congregation. Probably too in most cases the only responsibility which rests on trustees is to hold the real property in accordance with the terms of the Trust-deed under which it has been conveyed to them. We think it would come as a shock to most trustees if they were informed that responsibility might rest on them for property of the congregation other than the real estate. In many, if not most, cases trustees when appointed hold office for life or until they move away and perform no active functions unless the real estate is sold or mortgaged, in which event they execute whatever documents may be necessary at the direction of the congregation and on approval of the Presbytery. A further point relating to the customary Trust-deed which should be noted is that it makes no provision for the trustees holding removable fixtures and equipment which does not form part of the freehold. For example, the pews may or may not be removable fixtures, the decision depending on whether they are removable without damage to the freehold. The question with regard to pews and other Church fittings is similar to that which frequently arises as between landlord and tenant. However, there are many articles such as the communion table, communion plate, tablets, baptismal font, books of praise, choir gowns and many other items which certainly do not form part of the real property. It is doubtful in the case of many congregations where responsibility for the preservation of such articles rests and if trustees are answerable for them they are usually unaware of the fact and have probably not assumed such responsibility by the terms of the Trust-deed under which they act. In most instances insurance on buildings, fixtures etc. against fire and other risks is carried but this, we think, is usually placed by the managers without reference to the trustees.

9. Another matter of vital importance which in our opinion is not adequately dealt with in the Book of Forms is the question of the manner in which securities belonging to a congregation should be held. Here again the wording of Section 149 is wide enough to place on congregational trustees the responsibility for holding the securities as the word "property" is wide enough to include them. In some instances gifts are made by Will or otherwise to a congregation upon specific trusts and in these cases the terms of the trusts must be complied with. Most frequently, however, particularly in the case of gifts by Will, the benefaction takes the form of an outright gift of money to the congregation. There is a wide divergence of procedure in dealing with such cases. In some congregations endowment funds have been established with special trustees, possibly a trust company. This is probably a wise method of dealing with such bequests as matters of investment may be involved, but such a step should only be taken at the instance of the congregation and provision should be made for such matters as the supervision of investments by the trustees or managers, and the manner in which the capital and income are to be applied from time to time as required for the purposes of the congregation.

RECOMMENDATION

Your Committee respectfully recommends that in the light of the above facts the Committee of Clerks be instructed to study those sections of the Book of Forms relating to congregational property, real and personal, and to the appointment and election of trustees and their respective duties and report to the next General Assembly the result of its deliberations with recommendations as to the changes it considers desirable in the provisions of the Book of Forms relating to these matters.

Respectfully submitted,

L. H. FOWLER,
Convener.

N.B. The above report was prepared at the request of the Committee by Mr. Hamilton Cassels, Q.C., General Counsel of the Church.

REPORT COMMITTEE RE AUGMENTATION OF STIPEND BY GIFTS FROM MINISTERS WITH INCOME IN EXCESS OF \$3,000.00.

To the Venerable the General Assembly:

The special Committee appointed by the last Assembly to consider the possibility of raising the level of the basic stipend through augmentation by contributions from ministers who have a higher rate of income respectfully makes the following submission.

While recognizing that raising the level of the basic stipend through contributions from ministers who have a higher rate of income expresses the important principle of the brotherhood of the ministry, we believe that meeting this pressing need through increased grants from the Church's budget funds expresses the more basic principle of the brotherhood of the Church. We would therefore encourage the Assembly to accept the recommendation of the Board of Administration as to increasing the basic stipend of ministers from the Stewardship and Budget income of the Church. We would also remind the ministers of our Church of their responsibility in giving to our people a worthy example of liberality in their Christian stewardship to the end that all necessary advances in the Church's work be made.

E. S. MACKAY,
Convener.

M. V. PUTNAM,
Secretary.

THE MORGAN MEMORIAL HOME

To the Venerable the General Assembly:

The Morgan Memorial Home is situated in Markham, Ontario. It is so named in memory of Mrs. Mary Morgan who devised the building and grounds to The Presbyterian Church in Canada for the use of retired ministers and missionaries. In addition to the house and grounds Mrs. Morgan bequeathed a considerable sum of money so that the premises may be maintained without being a charge on the general funds of the Church.

The house is divided into four apartments, two upstairs and two downstairs. In 1956 one upstairs apartment was vacated and is now for rent. The Committee has endeavoured to keep everything in a good state of repair. During the first months of 1956 a telephone was installed and this has proved a very useful addition to the house.

The statement of receipts and expenditures as prepared by the Treasurer's Office follows below.

All of which is respectfully submitted.

B. L. COYNE,
Chairman.

THE DR. EPHRAIM SCOTT BENEVOLENT FUND

To the Venerable the General Assembly:

The Fund was established in 1932 in the form of a Trust under the Will of the late Dr. Ephraim Scott "to be used to relieve cases of distress and misfortune happening to ministers of The Presbyterian Church in Canada or their families through ill-health or misfortune especially in cases where the amounts available from other funds of the said Church are insufficient to provide adequate relief, or are not available."

Dr. Scott placed the Fund under the direction of the Board of Administration who annually appoint a Committee to administer the Trust.

Amounts from this Fund are paid monthly to several beneficiaries. Though not large they have been a source of comfort to these good people whose circumstances are quite straitened. For a number of years the board of Administration has been good enough to set aside a small authorized expenditure which has assured the Committee of a support beyond the income derived from the Trust.

The capital of the Fund has been greatly augmented this year by bequests from several estates notably that of Mrs. Sarah Amanda MacCallum which brought over \$40,000.00 into the Fund. This means a great deal to the members of the Committee in their desire to alleviate the distressed circumstances of so many who are in great need.

The statement of receipts and expenditures as prepared by the Treasurer's Office follows below.

I. C. P. STIRLING,
Chairman.

E. A. THOMSON,
Secretary.

THE JARDINE MEMORIAL FUND

To the Venerable the General Assembly:

The Fund was established under the will of the late Mr. James Jardine, a farmer residing near Schomberg, Ontario, who died on January 31, 1950. The terms of the trust are as follows:

"To pay over to The Presbyterian Church in Canada the sum of Fifty Thousand Dollars (\$50,000.00) to set up a Fund to be known as "The Jardine Memorial Fund". This Fund to be subject to the control and administration of the Board of Administration of the said Presbyterian Church in Canada. The revenue of the Fund so constituted to be used by the said Board to relieve worthy cases of distress and misfortune happening to ministers of the said Presbyterian Church in Canada, through ill health, age, infirmity or other misfortune."

As Mr. Jardine placed the Fund under the direction of the Board of Administration that Board has arranged for the annual appointment of a Committee to administer the Fund.

The Fund has brought assistance and comfort to many of our ministers falling under temporary or permanent misfortunes.

The statement of income and expenditure as prepared by the Treasurer's Office follows below:

All of which is respectfully submitted.

Chairman.

PENMARVIAN HOUSE COMMITTEE

To the Venerable the General Assembly:

Penmarvian is the gift of the late Mr. John Penman to The Presbyterian Church in Canada for the purpose of establishing a home for retired ministers and their dependents. It is a magnificent and commodious building situated amid extensive grounds sloping down to the banks of the River Grand. It was the Paris, Ontario, home of the donor and was fitted out with the care and thoroughness of a man who had the means to carry out his plans. The premises are in charge of a Committee appointed by the Board of Administration in terms of the will.

Ordinarily the Committee in charge operates on income from four sources—1. Revenue from the fees paid by the guests; 2. Interest derived from the Trust Funds; 3. Gifts from congregations, groups and individuals; 4. An Authorized Expenditure. In addition the land produces fruit and vegetables to assist in the economy of the Home.

The Committee regretfully intimate the resignation of Miss Winnifred Ferguson as Superintendent of Penmarvian. Miss Ferguson has rendered Penmarvian and the whole Church an unique service for over thirty years. She has been unselfish in her efforts to advance the work of Penmarvian and to care for the guests who have been under Penmarvian's roof. The Committee and the whole Board of Administration would thank Miss Ferguson for her faithful work and wish her God's blessing upon her years of retirement.

Miss Ferguson's office has been successfully filled by the appointment of Miss Mary Watson, a registered nurse. Miss Watson has had a varied experience in her profession and comes to her new work well recommended. The Committee looks forward to further years of great service to the Church through the new Superintendent of Penmarvian.

The Committee would take this opportunity of thanking the whole Staff of Penmarvian for their services to the Home and for their loyalty to Miss Ferguson throughout the years. The Committee confidently count upon that loyalty being extended to Miss Watson when she assumes her new duties as Superintendent of Penmarvian.

A statement of income and expenditure as prepared by the Treasurer's office is appended to this report.

All of which is respectfully submitted.

B. M. HANNIGAN,
Chairman.

E. A. THOMSON,
Secretary.

COMMITTEE OF CHAIRMEN AND SECRETARIES OF BOARDS

To the Venerable the General Assembly:

Your Committee has met four times during the past year. At each meeting the secretaries reported on the major activities, emphases and projects of their respective Boards and Committees. This sharing of information has proved useful and has permitted some co-ordination of the work of the Boards and Committees.

Certain common planning also took place. The Chairman and Secretaries co-operated with the Synod of British Columbia in planning the Pre-Synod Congress and in giving leadership. Assistance was also given in the planning for the Eighty-third General Assembly, and in providing for publicity and public relations.

The Committee is of the opinion that there is yet much valuable work to be done in consultation and common planning together.

The Committee begs to recommend to the General Assembly:

1. That the General Assembly continue the Committee of the Chairmen and Secretaries of the Boards.
2. That the General Assembly appoint a Committee, to include the Committee of Chairmen and Secretaries of the Boards, (a) to study methods of procedure whereby the business of the General Assembly might be accelerated and shared in more fully by the Commissioners; (b) to study the form of reports by the Boards and Committees of the General Assembly and the manner of their distribution to the Commissioners prior to the General Assembly; (c) to review the Standing Orders of the General Assembly; and (d) with a view to the establishment of a clear distinction between legislative and administrative authority of the General Assembly and its Boards and Committees.

Respectfully submitted,

W. T. McCREE,
Chairman.

J. S. CLARKE,
Secretary.

THE JOINT COMMITTEE ON LAY TRAINING

To the Venerable the General Assembly:

This Committee was appointed by the General Assembly in 1955. It is composed of representatives appointed by the General Board of Missions, the Board of Christian Education, the Board of Evangelism and Social Action, the Board of Education, the Board of Knox College, the Board of Presbyterian College, the Board of the Missionary and Deaconess Training School, the Committee on Stewardship and Budget, the Women's Missionary Societies, W.D. and E.D., and the National Committee of Presbyterian Men. Permission was also given by the General Assembly of 1956 to co-opt members. The Committee has met three times during the past year.

Upon the instructions of the General Assembly 1956 the Committee has co-operated in planning experimental conferences with the laity in different areas of the Church. Two of these conferences have been held and the others will take place later this year. Those who have attended report that they have gained a new and deeper understanding of what the Church is, and of the work and mission of the Church in the world. One of the most significant experiences at these conferences was the new awareness of the essential place of Bible study in the life of Christian people.

There is great need for the lay people of the Church to meet together for study, and to discover and understand their place in the work and mission of the Church. To meet this need your Committee believes that the Church should establish conference centres to which groups of lay people may come. The value and need of such conference centres, especially in thickly populated areas of Canada, have been manifested many times through the Sector Projects, the Experimental Lay Conferences, and other experiences in the work of the laity throughout our Church.

In consultation with the Board of Christian Education the Committee gave consideration to the character and function of The Presbyterian Training School as instructed by the General Assembly 1956. The Committee will be greatly assisted in its studies through the work of Rev. S. B. Coles who has been appointed by the Board of Christian Education as its "Secretary of Lay Studies and Dean of the Presbyterian Training School (Medicine Hat)". Mr. Coles will also serve as "Co-ordinator of Lay Studies" for this Joint Committee. It is hoped that a number of conferences for the laity may be held under the guidance of Mr. Coles.

During the past year studies have been carried out by sub-committees and by individuals on the following matters:

1. The Biblical Doctrine of the Nature and Mission of the Church, with special reference to the place and work of the clergy and laity in it.
2. The nature of Christian witness for the laity.
3. The Church's doctrine of work and vocation and the implications of this doctrine for Christian witness.
4. The advisability of establishing conference centres for the training of the laity to assume their full role in the Church.
5. Types of training which the Church should provide for the laity (a) within the organizational life of the Church, and (b) to prepare and equip them to be the Church in the world beyond its organizational life.
6. The relationship between the training of the laity and the training of ordained ministers and deaconesses.

Through its studies the Committee has been enabled to see more clearly some of the situations surrounding the life and work of the Church in the world of our time. These call for a fresh examination of the nature of the Church and of new ways of performing its ministry in the world.

It is commonly believed that the work of the Church is the responsibility of the ministers only. This is a grave error which threatens to paralyse the Church in carrying out its mission in the world. It arises from a false understanding of the nature of the Church and of what the work of the Church is. The Church does not exist for its own sake or to maintain its own religious life. There has been an over-emphasis on the "church-building-centered" conception of the Church and a failure to recognize that the work of the Church, in everything it does, must be for the glory of God and on behalf of the world, if it is to be a Christian Church. This is of the very essence of the Church. "The Church is the more Christlike, the more it directs itself to the world."

Only with this understanding of the nature and mission of the Church can we fully know who does the work of the Church and where it is done. Work of the Church must include that which is done in factories, shops, offices, farms, homes, in governments and in political parties. This is the work of the lay members of the Church. They are the front line of the Church's ministry as it seeks to bring the redeeming work of God to bear upon the life-issues and situations in the world.

The clergy and the laity belong together in the Church in order to perform this work. The laity are not called into the Church's work merely to help the over-burdened ministers. They have a distinctive ministry of their own which, in many ways, is more important than the ministry of the clergy. It is a basic error to regard the minister as the Church. The work of the minister is to assist the laity to carry out their Christian ministry. Through its worship, sacraments, preaching and teaching the Church, (minister and congregation together), strengthens, equips and trains its members to go out again into the world to bring the power of God to bear upon all of life.

We need to ask ourselves these questions:

Do we measure the success of the Church by its financial resources, the size of its membership, or the number and activity of its organizations?

Or do we measure its success by the fact that something is happening in the name of Jesus Christ out in the world?

Your Committee believes that these are basic concerns for the whole Church and that they have deep and far-reaching meaning for the future of the Church as it seeks to obey and serve the Lord Jesus Christ.

Your Committee begs to present the following recommendations:

1. That this Committee be continued, as at present constituted, under the name of "The Joint Committee on the Laity".
2. That the General Assembly grant permission to this Committee to correspond with Presbyteries and Kirk-sessions, and to forward to them materials for study.
3. That the General Assembly approve the development of conference centres for use throughout the year, with the first centre to be located in Ontario.
4. That the General Assembly authorize the Joint Committee to negotiate with the Board of Administration with regard to ways and means of implementing recommendation 3.
5. That the General Assembly authorize a budget of \$750.00 for 1958 to enable the Joint Committee to carry on further study and experimental conferences.

Respectfully submitted,

F. J. BARR,
Chairman.

J. S. CLARKE,
Secretary.

REPORT OF THE PENSION BOARD

To the Venerable the General Assembly:

It is with a deep sense of gratitude to Almighty God that this report is presented. It marks the completion of a milestone in the progress of our Church in its provision for its retired ministers and their widows and orphans, inasmuch as at last it is possible to pay the amounts in dollars which were anticipated two generations ago, that is, a Pension of \$1,000.00 per annum for a retired minister (full ratepayer) who has reached age 70 and served the Church for 40 years, and \$500.00 to the widow of a full ratepaying minister. It has been a long, hard struggle to achieve the financial position that insures these payments. The tragedy of the situation is that the value of the dollar has so depreciated in purchasing power since the Fund was established that the Church cannot be satisfied to rest here, but must press on at the earliest possible moment to further increase the benefits of the Fund to its retired servants as soon as the financial resources are available. With the end of 1957, another quinquennial revaluation of the Fund will be due and in the light of the Actuarial position then determined, the Church will be able to consider recommendations for the further extension of the effectiveness of the Fund.

Our most grateful thanks are tendered to all who have contributed to the successful operation of the Fund during the past year.

Two full meetings of the Board were held in the Church offices, Toronto, on September 18, 1956 and April 16, 1957, together with two meetings of the Executive on November 20, 1956, and January 25, 1957. In addition, several Conferences have been held with the Actuary, the Treasury Department, and other covering all the details of a very heavy correspondence carried on throughout the year covering all the details of successful administration and co-operation throughout the Church including beneficiaries, ministers, congregations, and Presbyteries.

Rev. A. R. Ferguson was forced to resign from the Board due to ill health, and Rev. R. K. Cameron was appointed to fill out Mr. Ferguson's unexpired term. We recognize the faithful and efficient services of Mr. Ferguson and pray for his speedy recovery to full health and strength.

We regret to report the passing of 19 annuitants, (12 ministers and 7 widows) and 3 ratepaying ministers.

Statistical report of Ministers as of January 31, 1957 is as follows:

Active Ratepayers	551
Annuitants paying W. & O. rates	6
Annuitants paying arrears	2
Payments completed	17
Non-ratepayers	4
Non-members on Constituent Roll	85
Non-members on Appendix Roll	50

ANNUITANTS—JANUARY 31, 1957

	Annual Payments
Ministers 99 — 12 deceased during year	\$ 51,977.60
Widows 149 — 7 deceased during year	57,179.95
	\$109,157.55
Annuities paid in 1955	104,170.66
Increase	\$ 4,986.89
Children on Fund — 7.	

An analysis of these statistics shows that there are 26 more ministers on the Fund than last year (551 against 525). 85 ministers on the Constituent Roll are not connected with the Pension Fund against 106 last year, and 50 ministers on the Appendix to the Roll are not connected with the Fund, an increase of 2. The number of Annuitants, 87, is one less than last year. The number of Widow annuitants, 149, shows a decrease of one. It would appear that 85 ministers on the Constituent Roll and not on the Pension Fund, though a far better showing as compared with 1952 when 187 ministers on the Roll were not connected with the Fund, are still far too many in the light of the revised regulations in this matter as approved by General Assembly. Presbyteries should again take special note of the situation in their individual Presbyteries with the view to bringing every minister within the scope of the individual benefits of the Fund or submit a statement in a special individual cases where the regulations of the Assembly do not apply. The Fund is now so well established and has so much to offer in benefits to our ministry that there can be little excuse for not participating as required by the Church.

A new Pension Booklet with up-to-date information regarding the Fund, its regulations and operation in connection with the new Group Insurance Plan has been printed and circulated.

We are grateful to the Canada Life Assurance Company for the very attractive booklet they have furnished our Church outlining the new Group Insurance Plan as approved by last Assembly, which has been put into operation so successfully for the benefit of our ministers and their dependents, and for its prompt co-operation in all matters pertaining to our Group Policy.

It has been found that the Regulation VII (1) governing the Pension Fund in regard to the payment of benefits for Orphans should be amended to simplify the payment through the Treasurer's office by striking out the words "these pensions to be paid half-yearly on April 1 and October 1 of each year" after "child" and before "These shall be" and substituting, therefore, the words "these Pensions to be paid quarterly". This will enable quarterly cheques to widows and orphans to go forward at the same time.

One Presbytery called the attention of the Board to the great hardship imposed upon a minister retired before reaching 70 years of age on account of total permanent disability, being required to continue his Widow's and Orphan's Rates to the Fund until reaching age 70. This situation has received full consideration by the Board and after conference with the Actuary and with his approval, the Board is recommending to Assembly that, on and after June 10, 1957, ministers retired on account of total permanent disability before reaching age 70, shall cease to pay Widow's and Orphan's Rates as well as their own ministers Rates after such retirement.

The Board has ruled during the year as Cognate work, the services of Rev. J. N. Buchanan, General Secretary of the Student Christian Movement, University of British Columbia; Rev. K. G. McMillan, General Secretary, British and Foreign Bible Society in Canada; and Rev. Edward Bragg, supplying minister, Presbyterian Kirk, Nassau, Bahamas; all being ministers of The Presbyterian Church in Canada, and the employing agencies in each case having agreed to pay 5% of their salaries to the Pension Fund of our Church, and at their several special requests, under the authority of Section IV, 2 (K) of the Book of Forms.

It is noted that the Ethel and George Wood Brown Fund has been established under the almost identical wills of Mr. George Wood Brown of Hamilton, Ontario, and his wife, Ethel May Brown. The terms of the Fund are briefly: (1) Grants or loans out of income to University Graduates whom the Board of Administration, in exercise of an absolute discretion, deem worthy of assistance, for the purpose of enabling or assisting such university graduates to undertake or complete a Divinity Course leading to Ordination. (2) If the income is not all used in any one year for the purpose of (1), the balance of the annual income is to be paid into the Church's Pension Fund.

Another bequest from the Estate of Mr. Duncan MacVicar of \$500.00 has been designated by the Board of Administration for the Pension Assistance Fund, which is gratefully acknowledged.

Additional bequests from the Estates of Rev. Archibald Wishart of \$299.90 and Mr. David Alexander McKee of \$1,623.75, for the Pension Fund are also thankfully acknowledged and will appear in next year's financial Statement.

The Board received a suggestion regarding setting up a plan for the payment of annuities to interested Church members who would be willing to place substantial amounts in the hope of very reasonable annual returns during their lifetime, the residue to become the property of the Church. As this would extend beyond the interest of the Pension Fund, the matter was referred to the Board of Administration for further consideration as to the feasibility of establishing an annuity plan.

The matter of establishing Pensions for Deaconesses employed by Congregations was referred to the Committee on the Retirement Fund for Church Employees for their study and report to Assembly.

The Chairman represented our Board at the Annual Church Pensions Conference in New York, November 29 and 30. It is a tremendous incentive to hear the reports of progress being achieved by the Churches on this Continent in providing increasing benefits for the retired servants. The combined assets of all Church Pension Funds continue to increase to an extent that encourages us to redouble our efforts in our Church, if we are to keep pace with the developments in other denominations. The impact of "Social Security" provisions in the U.S.A. is more complicated and more costly to the individual minister than our Old Age Pension" which is automatic, but the results in deferred benefits will be much greater, and now the great majority of the U.S.A. ministers are covered by "Social Security".

An analysis of our Financial Statement for 1956 shows an increase in the total Assets of the Fund of \$125,295.41 to \$2,027,626.91. Last year showed an increase of \$128,638.40. The Capital Account received \$1,250.00 from Estates, a decrease of \$6,075.92, and gifts of \$2,924.51, an increase of \$770.71 from last year. The amount received from Ministers' rates was \$30,801.43, a decrease of \$1,719.06. No further money was received this year from the Ministerial Assistance Fund. There was a loss shown on investments this year of \$7,960.28 compared with a profit last year of \$1,043.01. This is accounted for by the reinvestment of certain securities in higher interest bearing securities which will accrue to the advantage of the Fund in the years ahead, so that this loss will rapidly be recouped. Refunds amounted to \$188.05 as against \$196.10 last year.

In the income Account, the interest on investments increased from \$9,033.95 for last year to \$70,199.91, and bank interest was \$280.81 against \$253.53 last year. The amount received from the Church Budget was \$68,319.67 being 6% of the total Budget, an increase of \$8,984.22. (In 1957, there will be a flat \$125,000.00 paid from Budget Funds as agreed). From the Boards and Colleges, \$8,691.33, the same amount as last year, was received. From Congregational Rates and Cognate Work, a total of \$62,082.58 was received, being an increase of \$7,835.13. Interest on Ministers' rates in arrears received this year amounted to \$838.16 as against \$233.70 last year. Annuities paid amounted to \$109,157.55, an increase of \$4,986.89 of which the ministers received \$2,549.52 more than last year, and the widows \$2,437.37. All expenses charged against operating the Fund amounted to \$3,259.11, a decrease from last year of \$103.37.

A review of Congregational Rates to January 31, 1957, shows the following cancellations; due to assessments being made on Mortgage payments, \$2,753.26; errors in reporting Congregational receipts, \$404.42; on Capital Expenditures received by Congregations for building new Church or Manse facilities, \$2,134.25; and for cancelling arrears of rates for special reasons approved by Presbyteries concerned, \$2,935.68, making a total of \$8,227.61, a decrease from last year of \$740.83. Congregational Rates unpaid in 1956, \$44,071.21, a decrease of \$1,704.32. Ministers' rates unpaid in 1956 amounted to \$39,602.39, an increase of \$22,909.76. This is due to the fact that many ministers who have had their equity established in the Pension Fund by the gift of \$40.00 each from the Ministerial Assistance Fund last year have been unable to pay the very large balance owing to extinguish their arrears accumulated during 1956. Careful study as to ways and means of assisting these ministers is being made and it is hoped to deal with each individual case in due course, with the help of this Fund and the co-operation of the ministers themselves. Except for one minister who had left the service of the Church, no other minister has lost his equity during the year by being four years in arrears of his Pension Rates.

With the increase in the membership of the Fund, the Actuarial Liabilities have been greatly increased during the year. To meet this, the increase in revenues from the Budget and the additional one-half percentage of Congregational Rates, which became effective on January 1st, 1957, should do much towards stabilizing our Actuarial Assets. The revaluation of the Fund by our Actuary at the end of 1957 should clarify this situation for full presentation in next year's report to Assembly.

The Board wishes to specially thank Presbytery Clerks and Conveners of Presbytery Pension Committees for their co-operation during the year in checking on Congregations in arrears of rates. Regular statements will continue to be forwarded to them to keep all informed as to the state of local participation.

During the past year, emergent assistance was rendered by the Pension Assistance Fund to the extent of \$324.66. The balance in this Fund, as of January 31, 1957, amounted to \$1,272.90. It is the hope of your Board that very substantial contributions will be received to enable this Fund to make adequate provision for some desperate cases needing special attention and assistance during the coming year.

The Board is most grateful to Mr. B. M. Hannigan, Chairman of the Trustee Board, and those associated with him, in the management of our investments. The portfolio has received special attention in this past year which has presented so many investment difficulties as well as opportunities for improving our financial position. The advantages which have accrued will not be immediately evident, but the future can be looked forward to with confidence that our rate of return on investments will be substantially increased.

For many years, Rev. E. A. Thomson, D.D., Clerk of Assembly and Secretary of the Board of Administration, has acted as Secretary of the Pension Board. His great services to the Church are further demonstrated in this further devotion to the Pension Fund. We are most grateful to him and also to Mr. H. S. Reid, Assistant to the Treasurer, Mr. James Dutton, Treasurer, both of whom have been in attendance at all our meetings and have given invaluable service. To their staffs in the Church offices, and to Miss G. S. Welsh, our Office Secretary of the Board, whose constant and efficient interest in Pension Board Affairs has been so generously devoted to our interests, we tender our most sincere and grateful acknowledgment.

And to our Actuary, Professor Norris E. Sheppard, M.A., F.I.A., of Toronto University Faculty, we again accord our fullest appreciation and thanks. He has spared no effort to be helpful on all occasions in the past, and we look forward with the greatest pleasure to associating with him in the course of the next valuation of our Fund. He receives no financial return for all his faithful services to our Church, but he merits our warmest thanks and the assurance of our continued appreciation.

RECOMMENDATIONS

1. That Regulations VII (1) governing the Pension Fund be amended by striking out the words "these Pensions to be paid half-yearly on April 1st and October 1st of each year" after "child" and before "These shall be", and substituting, therefore, the words "these Pensions to be paid quarterly". Regulation VII (1) will then read:
"When a minister or other person connected with the Pension Fund dying after the Pension Fund becomes operative, shall leave minor orphans, the Pension Board will pay Pensions to the mother or guardian on behalf of such orphans, as follows: for one child, \$50 per annum; for two children, \$90.00 per annum; for three children \$125 per annum, and \$25 for each additional child; these pensions to be paid quarterly. There shall be no pension payable from the fund for children over eighteen years of age".
2. That the second paragraph of "Rates on Behalf of Widows" shall have the words added "or until his retirement on account of total permanent disability".
3. That the Board be authorized to proceed with the quinquennial valuation of the Pension Fund as at December 31, 1957, and report to next Assembly.
4. That our participation in the Church Pension Conference be continued.

5. That the Pension Board be empowered to continue to solicit gifts and bequests to increase the Assets of the Fund, and for additional funds for the Pension Assistance Fund.
6. That an amount up to \$4,500.00 be apportioned to cover this year's expenses of the Pension Board, including postage, printing, and salary of a Clerk-Stenographer in the Church offices from February 1, 1957 to January 31, 1958.
7. That the Continuing Executive Members of the Board, after the appointments of this Assembly, constitute the Executive until the fall meeting of the Full Board.
8. That the thanks of the Assembly be extended to Professor Norris E. Sheppard, M.A., F.I.A., for the contribution of his professional services as Actuary in the interest of the Pension Fund.

All of which is respectfully submitted.

CLARENCE M. PITTS,
Chairman.

THE BOARD OF ADMINISTRATION

To the Venerable the General Assembly:

The Board of Administration beg leave to report on matters with which they have dealt during the year.

PASSING OF MR. E. W. MCNEILL

The passing of Mr. E. W. McNeill on Saturday August 4, 1956 brought to a close a long life of service to his fellow men. After his family, Mr. McNeill's great love was The Presbyterian Church in Canada. For many years before his death he was both an elder and a member of the Board of Managers in Calvin Church, Toronto. He was known far and wide as Treasurer of our Church, an office he held for thirty years. From its inception in 1939 he was a member of The Trustee Board of The Presbyterian Church in Canada and for ten years he was Chairman of that Board. The members of the Board of Administration experience a deep sense of personal loss and would record their gratitude to a faithful and unselfish servant of the Church.

THE PRESBYTERIAN RESIDENCE SASKATOON

Thirty-three students of the University of Saskatchewan have quarters in the Presbyterian Residence Saskatoon; one of them is preparing himself for the ministry of the Church. The Reverend George McMichen, M.A., B.D., continues to render leal service as Dean of Students and Mrs. A. G. Kearns, appointed as Matron, has proved herself efficient and helpful. The Western Committee under the Chairmanship of the Rev. E. S. Mackay gives continuous oversight of the affairs of the Residence and renders an unselfish service to the Church. A considered plan of repairs to the Residence was carried forward during 1956.

RE HEADQUARTERS

The Board drew the attention of the last two Assemblies to the fact that the accommodation at 63 St. George Street is no longer adequate for the needs of an expanding Church. In 1956 the Board leased premises at 229 College Street to take care of the immediate needs and the Record Department were moved to this address in July last. In the main building considerable renovation was undertaken in order to provide office space for Boards who have taken on additional Staff. However, we cannot help realize that these alterations and leaseings are only providing temporary relief and that we must move steadily toward adequate and permanent quarters. Much thought has been given this matter during the year.

ST. ANDREW'S HALL, VANCOUVER, B.C.

The Board have taken steps to implement the decisions of many General Assemblies to provide the \$100,000.00 as the contribution of the Church toward the cost of the erection of St. Andrew's Hall, Vancouver, B.C. The first instalment of \$10,000.00 was paid during the year ended January 31, 1957. The success of the campaign in British Columbia is almost wholly due to the exertions of Mr. Justice A. M. Manson who through all difficulties and disappointments moved toward his goal.

The British Columbia Committee have found that they are unable to complete the building of St. Andrew's Hall without a further appeal to the whole Church. They requested \$25,000.00 additional to the \$100,000.00 already voted. The Board have made provision in the list of Authorized Expenditures for an additional \$2,500.00 per annum for a ten year period commencing with an increased authorized expenditure for 1958. No doubt there will be maintenance costs in excess of the income derived from the money paid by students for board and room. These additional charges will have to be borne by the whole Church.

RE STIPENDS—Ministers in Pastoral Charges, Professors, General Secretaries

On instruction of last Assembly due consideration was given to the basic stipend of ministers in pastoral charges, and to salaries for professors and general secretaries. A committee composed of representatives of the Board of Administration, the General Board of Missions, The Board of Knox College, Toronto, the Board of Presbyterian College, Montreal, the Pension Board, together with two ministers from pastoral charges studied the problem and brought recommendations to the Board. The Board are prepared to bring recommendations to this Assembly.

The General Assembly of 1956 adopted Recommendation 5 in the report of the Board of Administration but failed to appoint the committee as recommended. It therefore devolved upon the Board of Administration to appoint a representative committee to deal with the matter of the recommendation. This committee have begun a study of the problem but have been unable to complete their investigation. The Board request this Assembly to recognize this as a report of progress and are recommending that the Board be instructed to continue the study with a view to bringing in a report to the General Assembly of 1958.

THE ETHEL AND GEORGE WOOD BROWN FUND

Mr. George W. Brown and his wife of Hamilton, Ontario, drew up practically identical wills making provision for the establishing of a Fund from which grants or loans out of income may be made to university graduates to enable them to undertake or complete their course in theology leading to ordination. Any balance not used is to be paid into the Pension Fund. Seven students of Knox College, Toronto, and Presbyterian College, Montreal, have benefited from the Fund. We gratefully acknowledge this gift to our Church.

THE MR. AND MRS. C. S. JONES BURSARY FUND

Mr. and Mrs. C. S. Jones of Winnipeg have established a Fund from which bursaries of \$100.00 each may be paid to students in Arts or Theology pursuing their studies toward the ministry who have come from either Manitoba or Saskatchewan and show promise and need. From year to year numbers of students have benefited from the generosity of this kind and worthy gentleman and his good wife.

RE TREASURER OF THE CHURCH

The last General Assembly set out certain principles with respect to the work and responsibility of the Treasurer of the Church and the Board were instructed to continue their search for a capable man who would carry on his duties gratuitously as a service to the Church. In another place the Board are recommending the appointment of Mr. W. S. Walton, Q.C. Mr. Walton is well known among business men of the City of Toronto for his great abilities. He is a lawyer of distinction, the head of his firm. Mr. Walton, in permitting his name to go before this Assembly, recognizes this as the call of God to service. He made two stipulations that if any other competent person were found he would willingly step aside and that should the duties prove too onerous he would be in a position to tender his resignation. The Board express gratitude to God for placing this call upon such a capable and worthy Churchman.

RE HUNGARIAN RELIEF

The cruel persecutions which fell upon the people of Hungary required immediate assistance in the homeland and among the groups of refugees which have come and are still coming to this Country. The General Board of Missions in facing a difficult task placed their competent Staff at the service of the refugee population. The Board of Administration called upon the Church for financial assistance to help meet the emergency, and the sum of \$22,952.72 was received by the Treasurer's office for this purpose. A committee under the chairmanship of Dr. W. Barclay with representatives of the General Board of Missions and the Board of Administration was appointed to administer the Fund.

RE INCORPORATION OF BODIES WITHIN THE CHURCH

The Board were made aware that certain bodies within the Church were proposing to incorporate or had already incorporated for Church Extension purposes. Realizing the importance of this step and in order to study the question from the point of view of the whole Church, the Board appointed a Committee with Mr. B. L. Coyne, a member of the Board, as Chairman. The Committee, which includes representatives of the General Board of Missions, has been engaged upon the problem for some months and is now in a position to present the result of its labours. The Board therefore respectfully request that Mr. Coyne be given the opportunity of reporting directly to this Assembly.

REPORTS OF COMMITTEES AND BOARDS

Reports of Committees and Boards appointed by the Board of Administration will be found elsewhere in the Acts and Proceedings of this Assembly as follows: The Stewardship and Budget Committee, The Board of Trustees of the Church Extension Fund and the Church and Manse Fund, the Committee re The Dr. Ephraim Scott Fund, the Committee re The Jardine Memorial Fund, the Committee re The Joseph B. Robert and Dame Sarah Robert Fund (Benevolent), the Penmarvian House Committee, and The Morgan House Committee.

THE BOARD OF CHRISTIAN EDUCATION

To the Venerable the General Assembly:

The work of Christian education occupies an increasingly important place in the life and work of the Church. As the teaching ministry of the Church it is an integral part of the very nature and mission of the Church.

Your Board is gratified by the evidences of concern which are manifested in many parts of the Church. Congregations are taking their educational responsibilities more seriously than ever before. Large investments are being made in Christian education buildings. Christian education committees are being appointed in many congregations to plan and supervise the educational programme. There is a new understanding of Christian education as the ministry by which the Church nurtures its whole membership and trains and equips them to bring the redemptive power of God to bear upon the whole of life.

Because this educational work is the responsibility of the whole Church, your Board seeks to co-operate with the other Boards and the theological colleges. The Women's Missionary Societies, W.D. and E.D., co-operate with the Board in many aspects of its work. In expressing gratitude for the many services of the National Secretary for Children's Work, the Regional Secretaries and the Superintendents of Missions, we commend them to every Presbytery with the hope that opportunities will be given to them to serve in the total work of Christian education.

New Christian Education Programmes

During the past year two new Christian education programmes were completed and a third one will be finished this year.

1. *Children of the Church* is our Church's new programme for Primary children. It was prepared and is sponsored jointly by your Board and the Women's Missionary Society, W.D. We wish to pay tribute to Miss Ada Adams, our National Secretary for Children's Work, for her leadership in developing and producing this programme. It is designed to provide primary children with a richer and wider variety of Christian experiences in the Church than the Mission Band programme which it replaces.

In connection with the introduction of CHILDREN OF THE CHURCH, a series of training conferences were held in nearly every Presbytery for the teachers and leaders of children in Church School classes and weekday groups. These conferences not only served to give some very practical training to teachers and leaders, but also trained and equipped a large number of lay people who served as in-structure and counsellors at the conferences.

2. *The Senior-High Fellowship* programme was completed after two years of study and experiment. It is already meeting a long-felt need in youth work in our Church. Your Board is indebted to Rev. H. H. Green who has given outstanding leadership in this and who has made a unique contribution to the whole field of senior-high work in the Churches on this continent through the writing of the "Manual for Adult Advisors".

Is our Church ready to serve the great new flood of teenagers who are growing up in Canada? How much does our Church really want to serve them, to meet them on their own ground, to understand them, and to reach out to them and win them? They have all kinds of questions, honest questions that are terribly important to them. Will they find answers to their questions in the Church? Or

will they have to look elsewhere? What does it mean for the future of our Church that less than 30% of our congregations have any weekday group for teenagers? Will these teenagers think that the Church really cares about them?

One of the most urgent tasks facing our congregations today is the finding of Christian leaders for teenage boys and girls. This kind of Christian leadership is one of the biggest and most important jobs that the Church can give to any of its members. If the Church does not provide this kind of leadership, many of these teenagers will be lost to the Church for many years to come. We must be aware of the difference it will make in their life if there is no Church group for them during these important years.

3. A new *Tuxis* programme for senior boys will be completed this year. While it will retain the former name of Tuxis, it will be new in all other respects. The great amount of study and research which has gone into the preparation of this programme will be of little value to senior boys unless congregations become more aware of the existence and needs of these boys and are determined to do something worthwhile for them in Christian education.

If our Church is to have the kind of leadership which it needs for its great work in the world, then we must give our senior boys and girls the best education and training which our Church can provide and challenge them for Christian service.

The Church School

The Church School is the means by which the Church can do its most effective work of Christian teaching. It is through the Church School that the Church is able to carry out its most systematic and continuous work of Christian education among the largest number of people. It is here that our children, youth and adults are trained for full membership in the Church and for active Christian discipleship in the world.

The kind of Church which we shall have in the future depends in large measure upon the kind of Christian education we have in the Church School today.

Your Board is keenly aware of the great limitations which are placed upon the work of the Church School through the lack of adequate space, resources and equipment, through the traditional practice of meeting for only one hour on Sunday, and through the failure to provide training for the teachers and leaders.

Your Board is giving continual study to the curriculum and is endeavouring to produce the best possible curriculum for our Church. It is a matter of great concern to your Board that many Church Schools are using curriculum materials that are not in keeping with the beliefs and doctrines of the Presbyterian Church. It is the responsibility of Kirk-sessions to know what is being taught in the Church School. Experience has taught us something of the disruptive consequences of our neglect in this important matter.

Your Board has undertaken a systematic and thorough study of the curriculum for the children's departments of the Church School. It is possible that within the next few years a new curriculum for these departments will be required. As a part of the continuous evaluation of our total curriculum, studies have again been started regarding the need and advisability of a graded curriculum for our Church.

Visit to British Guiana

A significant new development in the work of the Board was the invitation from the General Board of Missions to have the General Secretary visit British Guiana. The purpose of this visit was to make a survey and study of the needs of the Presbyterian Church there in Christian education. This was the first opportunity which our Board has had to serve the overseas mission work of our Church in a direct way. The Board welcomes the opportunity to assist in establishing a strong Christian education programme in this and in other overseas missions of our Church.

The Presbyterian Training School

The past year has been one of the most successful in the history of the Presbyterian Training School. There were eleven students enrolled, coming from every Synod of the Church and from seven of the ten provinces of Canada. There are many evidences of a greater interest in the school throughout the whole Church and enquiries concerning registration have been received from a larger number of people than ever before.

Dr. Brent, whose resignation was accepted last year, consented to serve again for one year as the Superintendent of the School. All the students have testified to the great Christian influence which Dr. Brent has had upon their life. The Board wishes to express its indebtedness to Dr. Brent and also to Rev. David Crawford and Miss Marguerite Quickfall who have served on the staff of the school.

The General Assembly of 1956 instructed the Board of Christian Education, in consultation with the Joint Committee on Lay Training, to take action in the matter of changing the character of the school "to become a conference centre for the training of lay people while still retaining its present function" and to study the question of the best location of the school. Following this consultation the Board has appointed Rev. Stuart B. Coles, B.A. to the position of "Secretary of Lay Studies and Dean of the Presbyterian Training School". The Board is very gratified that Mr. Coles has accepted this appointment and seeks for him the support of the whole Church in this important work.

Developments of great significance for the future of the Church are taking place in the rediscovery of the place of the laity in the work and mission of the church. Urgent questions are being asked about the nature and mission of the Church in the world today. Answers can only be given to these questions after serious Biblical and theological studies have taken place. These studies must take place not only in our Colleges and official Boards, but in Presbyteries, Kirk-sessions, and in small groups of concerned Christian people everywhere.

AREAS OF CONCERN

1. *Christian Education for Adults*

The small amount of regular and serious study by adult groups should be a matter of the gravest concern to the Church. Less than one per cent of our Church's communicant membership is enrolled in any class or study group which meets regularly, except for the Women's Missionary Societies. The effectiveness of the Church's work and witness is seriously impaired by this neglect. If the Church's voice is to be heard and its influence felt in the world, then the members of the Church must know what they believe and be able to express the Christian faith in the daily experiences of life. There is no way in which Jesus Christ can take charge of our lives unless we are willing to come and sit at His feet to listen to Him. There is no way in which we can be a living Church today unless we are willing to come together to study and hear what God will say to us out of His Word. Only spiritual poverty can result from the continued neglect of this kind of study. We have cause to be fearful for the future of the Church unless Christian people are willing to love God with all their mind.

2. *Understanding of Christian Education in the Congregation*

If Christian education is to serve the Church to the fullest extent there is need for a greater understanding of it by ministers, Kirk-sessions, parents, leaders, teachers and by the whole congregation. Serious study should be given by the Kirk-session and other responsible groups in the congregation to the provision which is made for Christian education in terms of:

a—The time which is allowed for the School.

Should we be content to think that one hour or less on Sunday morning is adequate for the major part of the Church's educational programme?

b—The resources, equipment and space which are provided.

Does the provision which we make for these indicate the extent of our concern and the measure of the investment which we are willing to make in the Christian education of our children, youth and adults?

c—The enlistment and training of teachers and leaders.

What is our standard for Christian leadership in our educational programme? Do we have a long range plan for developing and training the best teachers and leaders?

d—The supervision of our educational programme.

Is it satisfactory that something as important and vital as our total educational programme should carry on with little or no guidance and supervision? Have we seriously considered the need for a Christian Education Committee in every congregation?

e—The aims and purposes of our Christian education work.

Do we have specific aims and purposes for our total educational programme? Do these lead our boys and girls to commitment to Jesus Christ and full membership in His Church? Without specific aims and purposes can our Christian education serve the deeper purposes of the Church?

f—Awareness of responsibility by parents and the congregation.

Do we help parents to understand the meaning of infant baptism and their responsibility for the vows and promises which they have made? What is being done to help people experience the realities of the Christian faith in the fellowship of the congregation?

3. *The Work of Presbytery and Synod Committees of Christian Education*

Congregations everywhere are looking for help in their Christian education work. They need information about our Church's educational programmes and how to use them effectively and properly. They are asking for opportunities in leadership training. They have many questions and problems for which they want answers and assistance.

In our presbyterian Church it is the Presbytery and Synod, through their Committees of Christian Education, that can provide this guidance and help. Through visitations to congregations, valuable assistance can be given to teachers and leaders, as well as to Kirk-sessions and Christian education committees. By establishing a continuing programme of leadership training, congregations can be helped to develop and train adequate Christian leadership. By means of institutes and workshops in Christian education, summer schools and summer camps, conferences for leaders and young people, and through many proven ways, the Presbytery and Synod Committees can strengthen and advance the educational work of the whole Church.

In order to do this, Presbyteries and Synods must give careful thought to assure that there will be adequate membership on the committees and that provision can be made for them to meet regularly to do their important work. It is of the greatest importance that every committee be so organized and constituted that they will be able to serve the congregations within their bounds fully and successfully in Christian education.

Your Board is planning to hold a two-day conference with all Synod Committees of Christian Education in the fall of 1957. These are designed to help Presbytery and Synod Committees fulfill their responsibilities.

The Church's Work in Universities

At the instructions of the General Assembly 1956 the Board of Christian Education and the Board of Evangelism and Social Action appointed a joint committee to

study Overture No. 26 on "The Church's Work in the Universities". The report of this joint committee will be presented directly to the General Assembly.

Respectfully submitted,

F. J. BARR,
Convener.

J. S. CLARKE,
General Secretary.

REPORT OF THE PRESBYTERIAN MISSIONARY AND DEACONESS TRAINING SCHOOL — 1956-1957

To the Venerable the General Assembly:

The Board of the Presbyterian Missionary and Deaconess Training School begs to submit the following report for the year 1956-57.

During the year twenty-six students have been enrolled in courses preparatory to service in the Church. One of these was a University graduate. We would like to have a larger number of university graduates coming to the school, and ways and means must be found to acquaint Presbyterian young women in our Universities with the claims and needs of the Church.

The graduating class this year is large, 14 in all, but all have been quickly placed and the demand for the services of deaconesses still far exceeds the supply. We were happy to have the moderator, Rev. Dr. Finlay G. Stewart, as guest speaker at graduation on April 24th. On the Saturday following he and the Westminster choir left Kitchener for a tour of the Maritimes which, we hope, may be influential in enlisting new recruits for the School.

In September 1956, the Board purchased a second residence at 83 Prince Arthur Ave., to put an end to overcrowding at 156 St. George St. and to make it unnecessary for any students to be placed in lodgings, as had to be done in 1955. The purchase absorbed most of the reserves of the School and subsequent repairs plus fireproofing and the erection of a fire-escape demanded by the city department of buildings, made a heavy extra drain on our finances. But we now have accommodation for 33 girls without undue crowding. When space is available, university students are provided with accommodation at the school and bring a variety of interest and experience into the school's life.

Again the Board expresses to the faculty of Knox College its gratitude for their help in planning and carrying out the curriculum. We are still aware of the acute weakness in regard to practical training in the course that is offered but hope to see this remedied when the School is provided with a more adequate staff.

The resignation of Mrs. Ralston as Principal takes effect Sept. 1st, 1957. Her retirement was suitably marked by a presentation at the reception following the graduation services. After 17 years as principal she has the satisfaction of seeing women whom she has trained serving the Church in every part of Canada and across the seas.

The Board received from the Assembly and the Board of Administration in 1956 the permission to proceed with the appointment of a principal and a dean. It is the decision of the Board to nominate Miss Margaret Webster, B.A., to become principal of the School in July 1958, with the request that she spend the 12 months preceding that date in theological and educational studies of a preparatory nature; and to nominate Miss Margaret Kennedy of India to become dean of the school in July 1958, with the request that she spend the period from Feb. 1st to July 1st in studies preparatory to her work.

Principal Stanley Glen, Ph.D., of Knox College has been asked to act as principal of the School for one year, assuming direction of the curriculum in co-operation with the executive. Provision is being made to secure a competent person to take charge of the residences for one year.

Diplomas, awards and certificates were presented at Graduation as follows:

REPORT OF THE BOARD OF THE PRESBYTERIAN COLLEGE, MONTREAL, 1956-57

To the Venerable the General Assembly:

The Board of Presbyterian College, Montreal, begs to submit the following report for the year 1956-57. We give thanks to Almighty God for the large measure of blessing which we have enjoyed in every aspect of the life of the College throughout the year. Twenty-four Students were enrolled and some thirty-five Students in Arts have been certified to the College. Of those enrolled in Theology, nine are pursuing studies leading to the B.D. degree. In addition to these, others are working for the degree extra-murally.

We have been indebted again this year to Dean James S. Thomson of the Faculty of Divinity, McGill University, and the Principal G. B. Caird, Professor of New Testament in the University, through whom our Students have been permitted to attend the courses in New Testament in the University. Moreover, in this connection, we are pleased to report that a reciprocal arrangement has been made whereby Theological Students at the University, who are deficient in the Biblical languages, may attend classes in our College in Elementary Hebrew, while our Students attend similar classes in New Testament Greek in the University.

In respect of the vacant Chair of New Testament, we wish to report that we are not yet in a position to ask for an appointment, but are making progress. We have invited the Reverend Dietrich Ritschl-Courvoisier to be Sessional Lecturer in this subject during the First Term of the coming Session.

In the Robert Chair of Philosophy and Psychology of Religion and Christian Ethics, we have just completed during the past Session the last of a three year cycle of courses, which have been given by outstanding visiting Professors. During this past year our visiting Professor was Dr. Paul Ricoeur of the Sorbonne. Your Board has given careful consideration to the future of this department and it has finally decided, that in the fullest interests of our work, a permanent professor should be appointed to this Chair. It is our intention, therefore, to ask the General Assembly to make such an appointment in 1958. In the meantime, we are pleased to report that the Rev. Joseph C. McLelland, M.A., B.D., Ph.D. has agreed to be Sessional Lecturer in these subjects during the Session 1957-58.

Your Board is still deeply concerned about the needs of the College building and hopes to be able to proceed in the very near future with the much needed repairs and alterations to be made possible by the proceeds of the Joint College Campaign. In the meantime, extreme care is being taken that the building be not allowed to deteriorate to a point which may cause permanent damage to any part of the structure. To this end urgent work has been attended to whenever necessary. This, of course, had added greatly to our burden of expense, which has accounted in part for the deficit of \$5,532.30, which is shown in the accompanying Treasurer's Report.

The Committee appointed in connection with the Joint College Fund for the Restoration of the College Buildings and Extension of Theological Education, approved by the General Assembly of 1955, reports that an initial effort has been made by the Alumni of the two Colleges to reach an objective of \$50,000.00 of the \$450,000.00 and the response has been in a measure encouraging. Ten percent of the Alumni have pledged or paid in part ten percent of their objective. Your Board is hopeful that there will be more complete participation so that the Committee will be in a better position to approach the members of the Church.

We wish to record our deep appreciation for the following gifts received during the fiscal year of the College: For prizes in Homiletics: Mr. Neil C. Polson, \$50.00; The Rev. F. W. Sass, \$50.00; Mr. Raymond Nettleship, \$25.00 and the Dr. J. Logan-Vencta Scholarship of \$100.00. Again this year we received a gift of \$500.00 from First Presbyterian Church, Schenectady, N.Y.

We would call attention again to the salaries of the Principal and Professors, which in the light of present conditions, we consider quite inadequate. After further study of this matter your Board respectfully recommends as follows:

RECOMMENDATION:

That the salaries of the Professors be increased by three successive increments of \$400.00 each, effective September 1957, and that the salary of the Principal be increased by \$1,000.00 in excess of that paid to the Professors.

All of which is respectfully submitted.

JOHN HUGHES,
Chairman.

JOHN R. MCCALLUM,
Hon. Secretary.

FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31st JANUARY, 1957

To the Finance Committee,
The Presbyterian College, Montreal,
Montreal, Quebec.

We have examined the books and accounts of The Presbyterian College, Montreal, for the year ended 31st January 1957 and have obtained all the information and explanations we have required.

We verified the investment in mortgage loans and securities by certificate from the Montreal Trust Company.

In accordance with a resolution of the Board of Management, the statements have been compiled by treating revenue on a cash received basis and the expenditure on an accrued basis.

The revenues from mortgages and securities during the year under review have been pro rated according to the capital amounts of the various endowments, including scholarships.

We examined the records of revenue from students' fees and deposits for caution money, which are maintained at the College. We also agreed the total cash received as shown by the cash book with the total amounts paid to the Montreal Trust Company, the College's fiscal agent.

No provision has been made in the accounts for depreciation on the buildings and equipment.

Subject to the above, in our opinion, the accompanying balance sheet and the related statement of income and expenditure are properly drawn up so as to exhibit a true and correct view of the financial position of the College as at 31st January 1957 and the results of its operations for the year then ended, according to the best of our information and the explanations given to us and as shown by the books of the College.

KNOX COLLEGE REPORT OF THE BOARD OF MANAGEMENT

To the Venerable the General Assembly:

The Board of Management of Knox College beg leave to submit their one hundred and thirteenth annual report.

We give thanks to Almighty God for the blessings He has conferred upon the work of the College during the past year.

The residence of the College has again been filled throughout the session. We are still however faced with rising costs especially with respect to the help necessary to the running of the establishment. This is forcing us to a reconsideration of rates to students in the residence, both Church students and Non-Church Students. The deficit shown in the House Accounts is due to a change in bookkeeping to a large extent. There is a carry over of \$6,787.40 prepaid board and lodging. Formerly this was included in the financial year ending January 31st. Nevertheless there is a deficit of \$8,000 in the House Accounts.

We express our gratitude to those who year by year are making gifts to the various funds of the College, to Mr. Stacey; for the Mossop Memorial Bursary; Mr. Burgess for his special scholarship; St. Andrew's Ottawa; the Harcourt Lodge A.F. & A.M.; to Mr. and Mrs. H. M. Jackson for their gift of \$1,100 to purchase the original works of Kierkegaard which are a notable addition to Caven Library; to Dr. W. Troup and Rev. W. McLean for their gifts to the Library Funds; and Mr. Robert Eakins for a gift of \$250 to the Extension Lecture Funds. We have to acknowledge with deep satisfaction the gift of Mrs. N. Wallace of \$4,000 to establish a scholarship to be entitled "The Doctor Norman Wallace of Alma and Guelph Scholarship" for the benefit of the graduating class. Mrs. A. McMaster of Port Credit also gave \$1,000 to be used to aid needy students.

We commend this way of helping students preparing for the ministry of our Church in these days of rising fees especially in Faculty of Arts.

But the financial skies are not all unclouded. Light and Heat are supplied to Knox College from the University of Toronto's plant. This plant is being transferred and at the same time changes are being made in the production of both light and heat. This is due to the Hydro change-over from 25 cycle to 60 cycle, and also to the change from low pressure to high pressure steam by the University of Toronto. This has necessitated a change in Knox College in order that we might still continue to use the facilities offered by the University. This change will cost the College \$30,000. The Board of Administration could not recommend more than \$15,000 this year to meet this extraordinary expenditure with a suggestion that \$15,000 might be available next year. Your Board is seeking ways of meeting the problem raised. Unfortunately, too, the \$26,000 which were led to expect to reduce the amounts taken from the College Endowments to meet current expenses incurred in the years subsequent to the War (over \$90,000) is not available.

To meet this recurring problem and other problems connected with the economic conditions of present day society we are glad to say:

"The Committee appointed in connection with the Joint College Fund for the restoration of the College Buildings and Extension of Theological Education approved by the General Assembly of 1955 reports that an initial effort has been made by the Alumni of the two Colleges to reach an objective of \$50,000 of the

\$450,000 and the response has been in a measure encouraging. Ten percent of the Alumni have pledged or paid in part ten percent of their objective. Your Board is hopeful that there will be more complete participation so that the Committee will be in a better position to approach the membership of the Church."

The Board of Knox College commends to the General Assembly the excellent work done during the past session by the Staff of the College under the able leadership of Principal J. S. Glen. The registration both intra-mural and extra-mural has been well maintained and this casts a heavy burden upon the professors. Other educational institutions are taking steps to increase the stipends paid to teachers and professors and Knox College is lagging far behind colleges of equal standing. We are informed that the Board of Administration is recommending that the stipends be raised by increments annually of \$400 for three years but your Knox College Board does not consider that this adequately meets the serious needs of the situation. At the end of three years Knox College Professors would then reach the standard of stipend from which other colleges have started to give their increases.

Another matter which is of concern to the College is the proposed sale of 63 St. George St. This property, which was alienated with an option attached at the time of Church Union, was originally an integral part of the property of Knox College and was purchased from funds raised to build the College on its present site. The option was exercised when it was proposed by the United Church authorities that they wished to sell and the site and building purchased by our Church. The building is situated at the north end of the college property and is overlapped to a considerable extent by the East portion of the College buildings. If ever the college is to be completed by the building of the last part of the quadrangle this site would be absolutely necessary. The Board of the College would therefore recommend:

1. That if No. 63 St. George St. is to be sold the interests of Knox College should be given the utmost considerations.
 2. That the stipends to be paid the professors of Knox College should be at the rate of \$7,600 per annum and that of the Principal \$9,100 per annum in all cases to include House Allowance.
- That if granted the revision in stipend shall begin on September 1st 1957.

All of which is respectfully submitted.

A. W. R. ADAIR,
Chairman.

W. T. MCGREE,
Secretary.

REPORT OF THE SENATE OF KNOX COLLEGE

To the Venerable the General Assembly:

The Senate of Knox College begs to submit its 113th Annual Report. During the academic session of 1956-57, fifty-eight students were enrolled in the undergraduate course in theology, fifty of whom were enrolled in the regular course, six in special courses and two as occasionals. The greater part of the enrolment for post-graduate study consisted of ministers in charge who were working for the B.D. degree extra-murally. Of those enrolled for graduate degrees, twelve were actively engaged in work for the B.D. and eight for the Th.M.

Leave of absence during the Spring term (January-April) was given to Professor Allan Farris for advanced study in Church History in the University of Chicago, par-

ticularly in the field of Calvin research. During his absence Dr. Joseph McLelland of Bolton, Ontario, served most acceptably as substitute lecturer.

Leave of absence was also given to Professor Donald Wade for the academic session of 1957-1958 to do a special assignment of teaching and study in the Far East, which will be of benefit both to the Overseas Missionary work of our Church and to the work of the College. This was arranged in co-operation with the Board of Missions, and at their request. During May and June Dr. Wade will lecture in the Theological Seminary in Tainan and during the Autumn in the Theological Seminary in Taipei. He will make a first-hand study of the principal religions of the East and of the most adequate Christian approach to them.

Special mention must be made of the work of the following additional lecturers and tutors: Dr. James D. Smart, who lectured in First Year Homiletics and Christian Education; Mr. Henry Rosevear, F.C.C.O., who lectured in Church Music and directed the College Choir; the Rev. Donald Warne, B.A., who tutored in Hebrew; the Rev. Matthew Bailie, B.A., who tutored in Greek; Dr. Arthur Lowther, who gave a course in Missions; Dr. E. A. Thomson and Dr. A. Neil Miller, who jointly gave a course in Church Government and Administration, and the Rev. N. G. Smith, M.A., our Librarian, who taught Second Year Homiletics in the Autumn and Third Year Homiletics in the Spring. It is appropriate at this time to express our deep appreciation of the services of Dr. James D. Smart who, over a period of years, has lectured in Homiletics and Christian Education. Dr. Smart was recently appointed to the Chair of Biblical Interpretation in Union Seminary, New York City.

For the guidance of those who may wish to have some indication of the immediate needs of the College, the following considerations are recorded. First, the necessity of an annual expenditure of \$10,000 on the library of which \$2,500 must be spent on the purchase of books; secondly, the desirability of suitable quarters for married students; thirdly, the importance of developing the Department of Practical Theology, including the possibility of adding another member to the staff.

The names of those who were graduated and given the diploma of the College were: L. T. Barclay, B.A., R. F. G. Campbell, B.A., D. J. M. Corbett, B.A., LL.B., W. F. Gillespie, B.A., S. How, B.Sc., J. B. Milne, B.A., T. M. McKennell, B.Sc., B. C. Murcar, B.A., M. E. Muth, B.A., N. W. B. Phills, B.A., I. S. Rennie, M.A., K. J. Rooney, H. W. Rose, B.Ed., R. G. Russell, B.A., M. D. Summers, B.A., J. A. Thomson, B.A., P. J. Walter, B.A., J. R. Weir, B.A., K. E. W. Wilcox, B.A., W. F. Young, B.A. Certificates showing that they had completed the courses prescribed for them by the General Assembly were given to D. Black and Rev. J. E. C. Shephard.

The Degree of Bachelor of Divinity was conferred on the following: D. J. M. Corbett, B.A., LL.B., the Rev. Christian Costerus, B.A., the Rev. M. Donald, B.Com. (in absentia), the Rev. I. Gamble, B.A., the Rev. I. H. Lee, B. C. Murcar, B.A., the Rev. C. Winn, B.A.

The Degree of Master of Theology was conferred on the Rev. Howard Smith, B.A., B.D.

The Degree of Doctor of Divinity (honoris causa) was conferred on: The Rev. Agnew H. Johnston, M.A., the Rev. David P. Rowland, M.C., C.D., and the Rev. William J. Walker, M.A., B.D.

AUDITOR'S REPORT

We have made an examination of the books and accounts of Knox College for the year ended 31st January 1957 and have received all the information and explanations we have required.

Bonds, debentures and stocks owned by the College as at 31st January 1957 were inspected by us and are shown at cost adjusted for amortization.

In our opinion, the attached balance sheet and statements of income and expenditure are properly drawn up so as to exhibit a true and correct view of the state of the College's affairs as at 31st January 1957, and the results of its transactions for the year, according to the best of our information, the explanations given us and as shown by the books of the College.

HENRY, BARBER, MAPP & MAPP,
Chartered Accountants.

THE TRUSTEE BOARD

To the Venerable the General Assembly:

The Trustee Board of The Presbyterian Church in Canada is incorporated by Dominion of Canada Statute and by ancillary legislation in every province. This is the first year in the history of the Board that this statement could be made. Only in 1956 was the last province brought within scope of the Board's activity when an act incorporating the Board was passed by the Legislature of Newfoundland.

Necessary discharges, postponements, leases, title deeds and releases have been executed under the seal of the Board for the benefit of the various departments of the Church's work.

The Treasurer's report shows that \$129,513.52 were received from bequests in cash, mortgages, bonds and other securities. A list of these bequests and the purpose for which each was designated will be found elsewhere within the Acts and Proceedings.

The Board would express their deep appreciation to three business men—Mr. E. C. Gill, Mr. H. L. Guy and Mr. A. McBain—who from their broad experience and capable understanding have advised on matters of investment. These gentlemen have gone to a great deal of trouble to give the expert information necessary for sound and progressive investment. The Board presents congratulations to Mr. Gill on his being honoured by his Alma Mater, Queen's University, Kingston, which has conferred upon him the degree of Doctor of Laws.

The Board would place on record their sense of loss in the passing of Mr. E. W. McNeill. Mr. McNeill was a member of the Board since its incorporation in 1939 and for the ten years before his death he was Chairman of the Board. His services to the Board and the Church were indeed many and great. He gave unstintingly of his time and his skill. The whole Church owes a debt of gratitude to him. May we ever cherish his memory in our hearts.

In accordance with the provisions of the Act of Incorporation, the Board submits the list of securities which have been received or purchased during the year and the list of securities which have matured or have been sold during the year and held by the Board in behalf of the several funds indicated.

COMMITTEE ON THE RETIREMENT FUND FOR CHURCH EMPLOYEES

To the Venerable the General Assembly:

By action of the General Assembly of 1952 The Retirement Fund for Church Employees was established. The Committee charged with its oversight and operation was constituted as follows: the members of the Executive of the Church's Pension Board, the Chairman and Secretary of the Board of Administration, the Secretary for Home Missions of the General Board of Missions, and the Treasurer of the Church. The Chairman and Secretary of the Board of Administration were elected respectively Chairman and Secretary of the Committee. Regulations were drawn up in consultation with the General Counsel of the Church, Mr. Hamilton Cassels, Q.C.

Contributors to the Fund are classified as follows: twenty-eight members of the Head Office Staff; two members of Knox College Office Staff; one member of Presbyterian College Office Staff; nine catechists; two deaconesses serving with the W.M.S. (E.D.); ten workers under the General Board of Missions; and one worker with the Board of Christian Education—a total of fifty-three (as compared with forty-four reported in 1956).

The Fund has been approved by the Department of National Revenue—Taxation Division as an employees' or pension fund or plan for the purposes of the Income Tax Act effective as of January 15, 1953. Thus, contributors may deduct the sum of their annual contributions to the Fund from their salaries before estimating their income tax for the year.

On more than one occasion since the Fund has been in operation, the question of making deaconesses serving with individual congregations eligible to become contributors to the Fund has been under discussion. The Committee feel that this group of faithful workers should be permitted to share in the benefits of the Fund and to this end respectfully request this Assembly to approve the Regulations governing the Fund amended as follows:

III. Add the following paragraph:

"Deaconesses (that is persons who are graduates of the Missionary and Deaconess Training School of The Presbyterian Church in Canada, and others who have been admitted as Deaconesses by act of a General Assembly of The Presbyterian Church in Canada) who are employed as such by Congregations of The Presbyterian Church in Canada may become contributors but in their cases the contributions to be made under section V hereof shall be made by the respective Congregations by which they are employed as Deaconesses instead of by The Presbyterian Church in Canada, and if a Deaconess employed by a Congregation elects to become a contributor it shall be a condition of her employment that the Congregation employing her shall agree to pay the contributions last mentioned, but such contributions shall be in respect only of future services from the time a Deaconess becomes a contributor. The provisions of the Plan as to past service benefits shall not apply to a Deaconess in the employ of a Congregation.

VI. Interest

Interest will be credited each year to the account of each contributor in respect of the moneys contributed by the contributor and by The Presbyterian Church in Canada or in the case of a Deaconess employed by a congregation by the congregation, on the contributor's behalf at a rate determined by the Trustees from time to time from the investment of the Fund. The decision of the Trustees as to the rate of interest shall be final and binding on all concerned.

VII. Age of Retirement

Normal retirement shall take place at the end of the month in which the contributor attains the age of 60 years in the case of a woman and 65 years in the case of a man. With the consent of the Church or in the case of a Deaconess employed by a congregation, the consent of the congregation, a contributor may continue in the employment of the Church or the congregation respectively after the normal retirement age, but in that case the contributor shall cease to contribute to the Fund upon attaining the normal retirement age and no further contribution shall be made hereto by the Church or the congregation respectively on the contributor's behalf except such amounts, if any, as may be necessary to complete payment for past service benefits.

VIII. Benefits on Retirement

(a) On the retirement of a contributor at the normal retirement date, the total amount contributed by such contributor after the date of the commencement of this Plan accumulated at the interest rate allowed each year together with the equal amount contributed by The Presbyterian Church in Canada or in the case of a Deaconess employed by a Congregation the amount contributed by the Congregation, on such contributor's behalf accumulated at the interest rate allowed each year will be used to purchase a life annuity from the Canadian Government or a life insurance company authorized to transact business in Canada, to be selected by the Trustees whose decision shall be final and binding on all concerned. The contributor may select the type of life annuity to be purchased.

(c) In the event of a contributor retiring subsequent to the normal retirement date, the accumulated amount of such contributor's contributions to the Fund, and the equal amount from The Presbyterian Church in Canada or in the case of a Deaconess employed by a Congregation the amount contributed by the Congregation, with interest allowed as aforesaid will be used to purchase an annuity at the contributor's then age, but the annuity for service prior to the commencement of the Fund will be the same as would have been provided at the said date.

IX. Benefits on Leaving the Service of the Church

(b) Any such contributor who has not less than Five hundred dollars (\$500.00) in the Fund arising out of such contributor's contributions and interest may elect to leave such accumulated contributions in the Fund to provide a retiring allowance at the normal retirement date. If this be done, a portion of the equal amounts contributed by The Presbyterian Church in Canada or in the case of a Deaconess employed by a Congregation the amount contributed by the Congregation, will also be left in the Fund as follows:—after 11 years' service 10% of the Church's, or Congregation's contributions respectively with interest, increasing by 10% for each year of service until the full amount of the Church's or Congregation's contributions respectively would be left in the Fund after 20 years of service.

X. Benefits at Death

Upon the death of a contributor who has neither received any retirement benefits hereunder nor withdrawn such contributor's contributions on leaving the employment of the Church or in the case of a Deaconess employed by a Congregation leaving the employment of the Congregation, such contributions will be paid to the contributor's estate.

XI. Closing the Fund

In case it should become necessary to close the Fund to new contributions, the full amount at the credit of each contributor arising from the contributor's contributions, and the contributions of the Church or in the case of a Deaconess employed by a Congregation the contributions of the Congregation, would then be applied to the purchase either of a Government annuity or of that of some life insurance company authorized to transact business in Canada payable at the normal retirement date.

All of which is respectfully submitted.

JAMES DUTTON,
Chairman.

Secretary.

COMMITTEE ON REVISION OF THE BOOK OF COMMON ORDER

To the Venerable the General Assembly:

The Committee on the Revision of the Book of Common Order humbly beg leave to present their fourth report to General Assembly.

When the General Assembly of 1953 granted the prayer of the Overture of the Presbytery of East Toronto asking that a representative Committee be charged with the task of revising the 1938 Book of Common Order, it did not envision the immensity of the task of revision.

The Committee appointed by that Assembly and subsequently strengthened by the addition of certain members of the Church Worship Committee, reported that its task was of such major proportions and of such an expanding nature as to demand the production of an entirely new Book of Common Order. The Committee felt that only in this way could the demands for many new Orders be adequately met and the claims of historical traditions and the findings of modern Reformed scholarship be accurately represented.

Our Accomplishments.

In the four years of our existence, your Committee has placed into the hands of the Church the following twelve new Orders:

- 4 Orders of Morning Worship
- 2 Orders of Evening Worship
- 1 Outline for an Evening Service of Praise
- 1 Order of Vespers
- 1 Litany of Evening Prayer
- 1 Order for the Baptism of Infants
- 1 Order for the Confirmation of Baptized Persons and for Their Admission to the Lord's Supper
- 1 Order for the Solemnization of Marriage.

Your Committee has also placed into the hands of the Church:

Notes on Services.

Questionnaire on Worship.

All this has been done by Authority of Assembly and comments have been solicited from all ministers and reports asked from all Presbyteries.

While many such comments and reports have been received, it is to be regretted that many presbyteries have failed to exercise their rights and uphold their responsibilities in these matters. We can only judge that silence gives assent and that those Presbyteries not reporting have been satisfied with the work and decisions of your Committee.

New Orders.

During the year much progress has been made by a number of Committees meeting independently of each other. Only one general meeting was held, which took place

in Smiths Falls in the month of May. Out of that meeting we are now prepared to place into the hands of the Church the following five new Orders:

- 1 Order for the Great Service of Word and Sacrament
- 1 Order for the Preparation of Holy Communion
- 1 Order for the Burial of the Dead
- 1 Order for the Designation of a Catechist
- 1 Order for the Baptism of Adults.

We are also in complete sympathy with the plea of one of our large Presbyteries for more information on certain aspects of Reformed Liturgical Worship. We feel that many presbyteries and ministers would welcome such information, and we propose to circulate a number of pamphlets which should result in a more active appreciation of all our liturgical forms.

RECOMMENDATIONS

1. That all presbyteries be asked to complete their questionnaires and reports on the circulated Orders.
2. That the Committee be authorized to circulate new Orders ready for printing.
3. That the Revision Committee be authorized to prepare, print and circulate all necessary information for the proper understanding of the Orders under discussion.
4. That the Revision Committee be permitted to co-opt certain members of the Church Worship Committee who have proved valuable to the Committee and who are no longer members of the Church Worship Committee.

All of which is respectfully submitted.

DAVID W. HAY,
Convener.

W. SCOTT DUNCAN,
Secretary.

NO. 11—PRESBYTERY OF CHATHAM

Re BOARD OF ADMINISTRATION

To the Venerable the General Assembly:

WHEREAS, one of the duties of the Board of Administration is to "co-ordinate the activities of the various boards," (Bk. of Forms, App. Part 2, Sec. 2:3) and,

WHEREAS, the Board of Administration as presently constituted is unable to carry out this co-ordinating function without causing resentment and confusion; and,

WHEREAS, the General Assembly has found it expedient to set up a special committee of Chairmen and Secretaries to co-ordinate the work of the various Boards (See A. & P. 1956 p. 311); and,

WHEREAS, it is very desirable, especially in the present period of rapid growth and change in our country, that there should be facilities for consultation between Boards, not only to decide on immediate issues, but to study long-term needs, to set up annual spending budgets, and to develop proposals for the General Assembly; and,

WHEREAS, proposals to achieve such co-ordination advanced by the Administrative Needs Committee of 1946-48, have not been developed;

THEREFORE, the Presbytery of Chatham humbly overtures the General Assembly to appoint a special committee to study the following proposals, and make recommendations:

- (1) That the Board of Administration be relieved of the duty of co-ordinating the work of the existing Boards, and that the responsibility be given to a new Committee of the General Assembly.

- (2) That the said Committee be comprised of representatives of the several Boards and Standing Committees of the General Assembly, under the chairmanship of the Moderator of the General Assembly of the year, with the Clerks of Assembly, and Secretaries of the Principal Boards as non-voting members.
- (3) That the Book of Forms Appendix Part 2 be amended in order to:
 - (a) Set forth duties of said Committee.
 - (b) Define its relation to the Boards and Standing Committees, or take such action towards these ends as the General Assembly in its wisdom may deem best.

No. 12—PRESBYTERY OF EDMONTON

Re PROPER MINIMUM STIPENDS

To the Venerable the General Assembly:

WHEREAS, the basic stipend of ministers in the church is established by the General Assembly (Acts and Proceedings 1952, page 35 (Minutes)), as \$2,600 per annum, and a manse and travel allowance, and

WHEREAS, the naming of a basic stipend has tended to establish the basic stipend as the suitable figure for a stipend, and many congregations feel that the basic stipend is the sufficient stipend required, and seem to take no effective steps to enquire further into the matter, and

WHEREAS, the increase in the stipends of ministers since the middle 1930's compares unfavourably with increases in stipends or salaries of most professions, and compares even less favourably with increases in salaries or wages of unskilled labourers, and

WHEREAS, the stipend was apparently recognized as \$1,800 per annum, plus manse and glebe and etc., in the middle 1930's, and

WHEREAS, the cost of living index is now approximately double what it was in the middle 1930's, and there is every likelihood that the cost of living index may continue to rise for some time yet,

THEREFORE, the Reverend the Presbytery of Edmonton humbly overtures the Venerable the General Assembly to declare:

THAT the proper stipend under present economic conditions should be \$3,900 plus manse, plus travel, etc., and

THAT congregations presently unable to meet this proper stipend requirement without aid, be enabled to maintain self-sustaining status on the basis of the Basic Stipend named by the Assembly in 1957, until such time as these congregations are able to rise to the proper minimum stipend as named in the first prayer of this overture, and

THAT all congregations in The Presbyterian Church in Canada be urged to reach \$3,900 per annum etc., as a minimum stipend with all due haste, and

THAT the General Assembly declare that no new enterprises or appointments to new offices within the church structure be made or undertaken until the basic stipend has been brought up to at least this level in all congregations.

OR that they do otherwise for this object what to their wisdom may seem best.

No. 13—PRESBYTERY OF ALGOMA AND NORTH BAY

Re CATECHIST'S PRIVILEGES

To the Venerable the General Assembly:

WHEREAS, we the Presbytery of Algoma and North Bay being troubled as to the status of Catechists who with us labour as Ministers of the Word and,

WHEREAS, these Catechists are sharing in the burdens of that office, yet are prevented by reason of academic qualifications from dispensing the Sacraments and from joining together in marriage those who desire to enter therein, and

WHEREAS, these restrictions place added burdens upon the ordained ministry who are called upon from time to time to perform such functions and duties for the Catechist and

WHEREAS, this relationship is exceedingly embarrassing to Catechist and Minister alike and for the Catechist in his own community in particular and

WHEREAS, under these circumstances many of our people are deprived of the grace and benefits of the sacraments regularly administered when it is inconvenient or impossible for an ordained minister to be in attendance and

WHEREAS, our Ministry is one of the Word and Sacrament, one not being subordinated to the other, and

WHEREAS, the Catechists are permitted to practice with the consent of the Venerable the General Assembly the Ministry of the Word,

THEREFORE, we the Presbytery of Algoma and North Bay humbly overture the Venerable the General Assembly that consideration be given to grant to Catechists the right and privilege to dispense the Sacraments and that they also be granted the permission and authority to pronounce the blessing of the church upon those who desire to enter into the state of Holy Matrimony or if in the wisdom of the Venerable the General Assembly this overture is not acceptable in the foregoing terms, then this the Presbytery of Algoma and North Bay humbly overtures the Venerable the General Assembly to grant permission to Catechists to join in marriage those who desire to enter therein, marriage not being considered as a Sacrament in the doctrine of The Presbyterian Church in Canada. All of which permission and authority, if granted, is to be conferred upon Catechists with the proviso that their field of work be limited to the care of the Presbytery to which they are assigned by the Board of Missions.

No. 14—PRESBYTERY OF ALGOMA AND NORTH BAY

Re CATECHIST'S STIPEND

To the Venerable the General Assembly:

WHEREAS, we the Presbytery of Algoma and North Bay are deeply disturbed by the financial hardships brought upon our brethren by reason of an inadequate stipend, and

WHEREAS, these hardships are aggravated by the extensive travelling which many are called upon to undertake in fulfillment of their responsibilities, and

WHEREAS, these our brethren have been set aside as Ministers of the Word and do labour jointly with us in the watering and planting thereof, sharing in its sorrows as in its joys, and

WHEREAS, these our brethren have volunteered their services in response to the Word and to an acute shortage of men for the Christian Ministry and do thereby alleviate a crushing burden upon the Ordained Ministry, and

WHEREAS, we who have had the advantage of a theological course feel that this privilege is to be counted as a blessing rather than as a basis for monetary discrimination and

WHEREAS, it behooves us to take cognizance of the very real material needs of many of these our brethren in response to our love for one another,

THEREFORE, we the Presbytery of Algoma and North Bay do humbly overture the Venerable the General Assembly to consider elevating the catechist's stipend from its present \$2,200.00 per annum to \$2,400.00 per annum, and that in addition thereto Catechists be granted a travel allowance of \$200.00 per annum and a car allowance in accordance with the existing regulations of the Church, and that the car and travel allowances be on a par with the ministers of the Church.

No. 15—PRESBYTERY OF HAMILTON

Re MINISTERIAL STIPENDS

To the Venerable the General Assembly:

WHEREAS, the present position of the Church regarding ministerial stipends is wholly unsatisfactory; and

WHEREAS, the matter of an increase to a minister's stipend is often dependent upon the caprice of the annual meeting of a congregation, and an unnecessary source of embarrassment to the minister;

THEREFORE, we, the Presbytery of Hamilton, humbly overture the Venerable the General Assembly to enact legislation whereby the words "with increase" shall appear in the Call to a minister immediately after the amount of the stipend promised; these words "with increase" to be interpreted as follows:—The proportion which the stipend promised in the Call bears to the total income in the last complete financial year before the minister's settlement in the congregation, shall continue to be the proportion in each succeeding year, as a minimum, provided always that the amount of the stipend paid in any year shall never be less than

promised in the Call. In calculating the "total income," special efforts for non-recurring objects, together with Budget givings, should not be included. Should the application of this rule give rise, in abnormal circumstances, to serious difficulty, the Presbytery shall have power to alter this proportion so that an equitable arrangement may be made.

MR. E. W. McNEILL

The passing of Mr. E. W. McNeill on Saturday August 4, 1956 at the age of 88 years brought to a close the life of one of the elder statesmen of The Presbyterian Church in Canada. For thirty years Treasurer of the Church, for seventeen years member of The Trustee Board and for ten years its Chairman, he gave diligent and faithful service to the Church he loved so dearly.

Mr. McNeill was a keen business man, a lover of sport in all its forms, an enthusiastic curler and bowler, and a devoted member of the Rotary Club. Yet, next to his family, his great love was his Church. For many years he taught a Bible Class and one of his great pleasures was to meet one of his "boys" and exchange pleasantries of other days. At different times during his life he was a choir member and to the end enjoyed good music. In Calvin Church Toronto he was both an elder and a member of the Board of Managers and died still in service.

For most of his life Mr. McNeill was an executive of a Trust Company. He brought to the service of the Church the qualities of a Trust man. The work of the Treasurer, the business of investments, the choice of securities, were to him a sacred trust. He thought of the men and women, big and little, who had given of their means or who had made bequests to the Church. He placed himself in their shoes when he came to spend or to invest money. He had a high sense of duty and a great desire to carry his work to a successful conclusion.

Those who were closest to Mr. McNeill became very fond of him and in his passing experienced a sense of personal loss. The sympathy of one and all goes out to Mrs. J. D. Kinsman and her two daughters in the sorrow they must know when a beloved father and grandfather has been removed from their side.

The funeral services held in Calvin Church Toronto on Tuesday the seventh of August were in charge of Professor D. W. Hay, the Interim Moderator of Calvin Kirk-Session assisted by the Moderator of the 1956 General Assembly, Dr. F. G. Stewart, and the Clerk of the Assembly, Dr. E. A. Thomson. Dr. Joseph Wasson, Mr. McNeill's minister for over a quarter of a century, paid a well-deserved and beautifully-expressed tribute to Mr. McNeill. The remains were laid to rest in Mount Pleasant Cemetery Toronto; Dr. Hay being assisted at the grave by Dr. W. T. McCree, moderator of the General Assembly of 1955 and Secretary of the Senate and Board of Knox College, Toronto.

Synod of the Maritime Provinces

REV. WILLIAM McCULLOCH THOMSON, M.A., D.D.

On February 19th, 1957, there passed on in the person of the Reverend William McCulloch Thomson, M.A., D.D., one who was spared to his 95th year and who to the last was given by God the faculty of a keen and studious mind. An authority on the history of his native county and the Church of his fathers, a Hebrew scholar of re-

cognized distinction, and a servant of the Most High God who lowered his standards for no one, he served the Church of Jesus Christ long, ably, and faithfully. Called for the Reverend Thomas McCulloch, he honored well his namesake.

He was born at Durham, Nova Scotia, the son of the Reverend James Thomson and Helen Dickie. He attended Pictou Academy, Dalhousie University, and Princeton Theological Seminary, and went on from these to post-graduate studies to Edinburgh and later to Europe for further courses in the Semitic languages. Gaining for himself distinction academically, his ability and leadership were further recognized in his ministry. While serving in Trinidad, he was elected a life member of the Royal Empire Society of London, England, and during succeeding years his own Church raised him to positions of high honour and responsibility. In 1929 the Presbyterian College, Montreal, conferred on him the degree of Doctor of Divinity.

Ordained as a Home Missionary by the Presbytery of Halifax at Windsor, N.S., he began his ministry at Kempt and Walton in Hants County, and continued on from there to Bedeque, P.E.I. There came then a period of study abroad. On his return he was inducted as minister in New St. Andrew's Church, New Glasgow, N.S., where he remained for almost ten years. Soon after his ministry there, that congregation joined with James' Church to form First Presbyterian Church. For the next thirteen years, he was in charge of Grey Friars Church in Trinidad, which pastorate he resigned the very recent years did he withdraw his name from being available for supply. Until to become minister of The Presbyterian Church Sydney, N.S., where he continued for the last he kept his reading and study as up to date as any honor student.

His retirement did not mean withdrawal from activity, however, as the Presbytery of Pictou and The Synod of the Maritime Provinces well came to know. Only within eight years until his retirement.

The Presbyterian Church in Canada in particular and the Church of Jesus Christ generally have been especially blest through this servant, who with power proclaimed the unsearchable riches of his Saviour, and who rendered faithful and long service to Him and to His Church. Realizing that such as he can not always be with us in the flesh, we would desire that their influence might be ever around us to steady us when we falter, to be a light to us in darkness, and ever to point us to the Lion of Judah, the Lamb of God, the Triumphant Christ.

His wife predeceased him in 1907. There survive him two brothers, a sister and other relatives.

The funeral service was held in The West River Presbyterian Church at Durham, conducted by the Presbytery of Pictou under the leadership of the Moderator, the Reverend William Reid. The Reverend Howard Grace and the Reverend Herbert Buntain assisted. Interment was in the historic Durham Cemetery nearby.

REV. DAVID LANG, D.D.

A well known Presbyterian minister, the Rev. David Lang, D.D., died in Montreal on May 25, 1956, at the age of 81. Much of Dr. Lang's active ministry was spent in the United States, although he held pastorates in Saint John, N.B., and St. John's, Newfoundland.

He was graduated from Manitoba College, Winnipeg, and also from Union Theological Seminary in New York City. Afterwards he travelled to Edinburgh and took a post graduate course. It was on his return from the Scottish capital that he was called to a pastorate in Saint John, N.B., and later he accepted an appointment as assistant minister at Bloor Street Presbyterian Church, Toronto.

Shady Avenue Presbyterian Church, Pittsburgh, then extended a call to Dr. Lang. Here he spent 25 years as pastor and had the distinction of being the first minister to broadcast over a radio station in that city. Returning to Canada, he was called to St. Andrew's Presbyterian Church, St. John's, Newfoundland. Retiring from the active ministry four years ago, he took up residence at Penmarvian in Paris.

A man of vigorous personality, an arresting preacher, and a warm-hearted friend, he was beloved by his congregations.

He is survived by his brother, Dr. Warren Lang of Vancouver, and Mrs. Lois Finlayson, a niece, living in Lorne Park, Toronto.

Synod of Montreal and Ottawa

REV. ALBERT VICTOR BROWN, B.A., Ph.D.

The Rev. Albert Victor Brown was born and educated in Montreal, graduating from McGill University in Arts in 1902, and from the Presbyterian College Montreal, with the degree of B.D. in 1904. Subsequently he obtained the degree of Ph.D. from Queen's University, Kingston, Ontario.

In May, 1906, Dr. Brown was ordained and inducted into the pastoral charge of Newcastle, Ontario, and he spent almost his entire ministry in that province, serving at Allandale, Picton, Brantford (Alexandra Church), Dundalk, and North Pelham. Three years ago, when well beyond the normal age of retirement, he was inducted into the charge of Leggatt's Point in the Presbytery of Quebec where, despite advanced years and failing health, he laboured faithfully until ill-health forced him to retire on February 1st of last year.

Dr. Brown died in Montreal on June 1st last, at the age of seventy-eight years, and was buried in Mount Royal Cemetery on June 5th, the Rev. Ronald Rowat conducting the funeral service. Mrs. Brown predeceased her husband by only a few months. They had no children; and his grief and loneliness following her death undoubtedly hastened his own.

Many friends of Dr. and Mrs. Brown, who knew them in their days of full health and vigour, will join the Synod in mourning their death.

REV. JOHN DUNCAN ANDERSON, B.A., D.D.

The Rev. John Duncan Anderson, B.A., D.D., who died at Montreal on September 10th, 1956, was born at Lancaster, Ontario, in the year 1868. His father, Rev. John Anderson, was minister there of St. Luke's Church (Free). While Mr. Anderson was still a very young child his father accepted a Call to Tiverton, Ontario. It was there that Mr. Anderson received his early education in the public school at Tiverton, and the High School at Kincardine. In the year 1888 he came to Montreal and entered his Arts course in McGill University, and graduated from the Presbyterian College in 1896. His college course had been interrupted for some time by ill health. On the 25th of March, 1897, he was inducted as Minister into the pastoral charge of Beauharnois and Chateauguay. In the year 1908 these two Churches separated, each becoming independent. Mr. Anderson adhered to the Beauharnois branch, and without interruption was minister there until the time of his retirement. During this time he had a number of tempting invitations to other congregations, which he refused to consider. Throughout his ministry he rendered great service to the whole Frontier District as Secretary of the Frontier Sunday School Association. This was an inter-church organization which

did much to promote interest in Sunday School work in this section of the country. In 1932 the Presbyterian College conferred upon him the degree of Doctor of Divinity. From the year 1932 to 1935 he rendered valuable service to the Presbytery of Montreal as its volunteer hospital visitor. In 1933 he was elected as Moderator of the Synod of Montreal and Ottawa. For a number of terms he was Moderator of the Presbytery of Montreal.

Dr. Anderson was a careful competent Bible student, and his preaching was of the sober evangelistic type. In 1944 he resigned his charge on account of poor health, and retired from the active work of the ministry.

He married Miss Katherine Mackay, daughter of Dr. A. B. Mackay, minister of Crescent Street Church, Montreal. He leaves to mourn his loss two sons, Mr. I. M. Anderson of Beauharnois, and Rev. Llewellyn K. Anderson, Ph.D., Resident Executive of Missions (Presbyterian Church U.S.A.), French Cameroun, West Africa, and one daughter Mrs. Ronald Rowat of Montreal.

The funeral service was held on September 12th in St. Edward's Church, Beauharnois. Those taking part were Rev. F. A. Miller, the Minister there; and Rev. C. Ritchie Bell, D.D., who has been very closely connected with this congregation for many years. Interment was in the Presbyterian cemetery at Beauharnois.

The Presbytery of Montreal extends its deep sympathy to Dr. Anderson's family and relatives.

REV. NORMAN MacKAY

The Rev. Norman MacKay died in an Ottawa hospital on March 28, 1957. He was ill but a brief time and his death came as a shock to his family and friends.

Mr. MacKay served in the Royal Navy in the First World War and in the chaplaincy service of the Canadian Army in World War II. He was attached to the Perth Regiment of Canada. Mr. MacKay was educated at Pictou Academy and the University of Western Ontario. He attended Presbyterian College, Montreal, and Knox College, Toronto, graduating from the latter in 1936.

As a minister, Mr. MacKay served in Appin and Melbourne, 1932-1937; Ridgetown and Blenheim, 1937-1940; Mitchell, Ontario, 1940-1945, with leave to serve in the Chaplaincy; Dufferin Church, Toronto, 1946-1950; Hull and Aylmer, Quebec, 1950-1952; and Gloucester Church, Ottawa as supply, 1954-1957.

Mr. MacKay was married to Catherine MacIver and in addition to his widow leaves three children—Ian, Catherine and Kenneth. He is mourned by a wide circle of friends who appreciated his fervour as a preacher of the Gospel and loyalty and warmth as a friend.

The funeral service was held from Westminster Church, Ottawa, to Pinecrest Cemetery. Mr. Creelman who conducted the service, paid high tribute to Mr. MacKay for his service to the Church.

Synod of Toronto and Kingston

REV. DR. WILLIAM HARDY ANDREWS

Few ministers have the distinction of going to a city church upon graduation and ministering to that church for 31 years. A member of a distinguished class at Knox College (1907), Dr. Andrews was called to Queen Street East church, Toronto, upon

graduation, and remained there until ill health forced his retirement in 1939. His death took place on September 28. Born at Keene, Ontario, where his father had served a long pastorate of 52 years, Dr. Andrews received his education in the public school at Keene and in the collegiate at Peterborough. Both at the University of Toronto where he was graduated with a Master's Degree and at Knox College, he distinguished himself by winning several scholarships.

Queen Street East was a small church but three processes of rebuilding took place during Dr. Andrew's ministry there. A faithful preacher, he was beloved by the congregation and loved to go in and out of the homes of the people. Four years ago, the Queen Street East congregation honoured Dr. Andrews by erecting a stained glass memorial window in the church. During the war years, after retirement, Dr. Andrews was invited to conduct the morning services at Knox church, Agincourt, where he continued a faithful ministry for five years. Many of his parishioners there remember him with affection. When he gave up the work at Agincourt, Dr. Andrews' health forced him to refrain from further preaching, but he was a regular attendant at Rosedale church, Toronto. He is survived by his wife, the former Annie Brandon, and two sons, Gordon and Will.

REV. JOHN McNICOL, B.A., D.D.

The Canadian Church lost one of its outstanding leaders in the death of Dr. John McNicol, 87, in Toronto, on August 31. For 50 years Dr. McNicol taught in Toronto Bible College, and for 40 of these years he was Principal.

The son of a school teacher and the eldest of a family of eight, Dr. McNicol was raised in the city of Ottawa. Early in life, he joined St. Andrew's Presbyterian church and dedicated his life to the ministry.

Entering the University of Toronto, he was noted as a brilliant student, and outstanding cricketer and tennis player. In 1890 and 1891 he was a member of *The Varsity* staff, an honour which he shared with the late famed writer, Stephen Leacock. He was graduated from the University with his B.A., in Honours Classics, in 1891, and received first class honours with his B.D. degree at Knox College in 1895.

For several years Dr. McNicol served as minister of the Presbyterian church in Aylmer, Quebec. In 1902, he was appointed to Toronto Bible College as teacher, and in the same year he married Miss Louisa Burpe. He became Principal of the College in 1906, an office which he held until 1946 when he became Principal Emeritus.

Dr. McNicol made the study of theology and the Bible his lifework. He made the Scriptures live for his students. His contributions as teacher and writer were important factors in the growth and development of Toronto Bible College. His wisdom and keen insight had a remarkable influence on the life and thinking of other Christian leaders. He trained missionary messengers, who have gone out to 50 countries throughout the world. Dr. McNicol's four-volume work, *Thinking Through the Bible*, and his other books, *The Christian Evangel* and *The Bible's Philosophy of History* are stimulating writings that many have enjoyed.

During his long service as an elder in the Presbyterian Church, Dr. McNicol maintained keen interest, and in the larger work of the Churches he was always to the fore. One of his greatest contributions was to the work of The British and Foreign Bible Society. This Society made him a life governor as an appreciation of his lifelong interest. Knox College honoured him with the Doctorate of Divinity (*honoris causa*), in 1935. Dr. McNicol is survived by his wife.

REV. A. S. McLEAN

After a short illness the Rev. A. S. McLean passed away to his eternal rest on July 1st 1956. He was born in Scotland, and came over to Canada and in due time became stated supply in the Cape North charge in the Presbytery of Cape Breton in the year 1934. He moved to Caledonia in 1936, and was inducted into that charge by the Presbytery of Prince Edward Island. He served also in Morewood and Kirkfield, and was inducted into the Nestleton charge on the 30th of December 1954. He was an earnest and diligent minister of the Gospel, and his passing was deeply regretted not only by the members of his charge but also by the members of the Presbytery of Peterborough.

The funeral service was held in the Nestleton church on Tuesday, July 3rd, with burial in Ingoldsby beyond Minden, the Moderator, the Rev. Gilbert Smith, being in charge.

To the sorrowing widow and family the Presbytery extends its deepest sympathy.

REV. THOMAS EDWARDS BLACK, B.A.

The Rev. T. Edwards (Ted) Black died in Toronto on October 15th, 1956, after an illness of nearly a year. He was 29 years of age. Born in Toronto, his early family church association was with Calvin Church. Graduating from Oakwood Collegiate with that school's top award for combined ability in the fields of scholarship, character, and athletics, he went on to graduate with honours in the Modern History Department at the University of Toronto. At Knox College, he was a natural leader among his fellow students. He brought an engaging humour to theological discussions, but at the same time he forced himself and his fellows to grapple seriously with the deep issues of the Christian Faith. On graduation, in 1952, he was awarded the Travelling Fellowship for his year.

In his short ministry he served three charges: as a student minister at Titusville and Barnesville, N.B.; as a student and later as Ordained Missionary at Westview Presbyterian Church in East Toronto, where a congregation was formed and a church was built under his leadership; finally as minister of Parkdale Presbyterian Church in West Toronto. He had resigned his charge at Westview to take up post-graduate studies at Union Theological Seminary in New York, but before he could begin, his father's illness brought him back to Toronto. During this period, he supplied the pulpit at Parkdale. This large congregation, its pulpit vacant, and needing vigorous leadership, prevailed upon him to let his name stand on the list, and later persuaded him to be its minister. In three years, he did much to strengthen Parkdale's witness and outreach to the community. He will be remembered by this congregation as a powerful preacher and devoted worker. Ted Black would not compromise with mediocre standards in education, in church life, or in society. He was a good soldier of Jesus Christ, one who knew what it was to take up a cross of service and sacrifice and follow his Lord.

He is survived by his wife, the former Allie Hicks, whom he married in 1950; their two daughters, Katherine Anne, 18 months, and Carol Barbara, 3 months; his mother, Mrs. T. R. W. Black; and his sister, Mrs. William Campbell. This Presbytery's prayer to-day is surely that those close to him will be sustained by the comfortable promises of Eternal Life. We are sure that our brother died feeling that such promises were sufficient for him. For us his fellow ministers and presbyters there is perhaps a further meaning in the loss we have suffered. We know our brother to be now among those witnesses or martirioi who the writer of the Epistle to the Hebrews said were compassing us about. The verse will have a more powerful urging for our lives and our ministries, because of our realization of this fact. "Therefore, seeing we are compassed about by so great a cloud of witnesses, let us run with patience the race that is set before us, looking (as all those witnesses did) unto Jesus, the author and finisher of our faith."

REV. THOMAS HUTTON, B.A.

Synod of Hamilton and London

DR. W. J. MARK, M.A.

Dr. W. J. Mark died on August 29th, 1956 at the home of his daughter at Lindsay, Ontario. He came to Canada on September 25th, 1910 from Ballymena, Ireland where he was born on June 1st, 1890. On arriving in Canada he began work as a student

missionary in the little Bow Field in Alberta. During his student years he served mission fields in Alberta, Manitoba and British Columbia and studied at Westminster Hall Theological College, University of British Columbia. He graduated from here in 1920 and his first charge as an ordained minister was at Port Coquitlam, B.C., where he served until November 1923 when he was called to St. Stephen's in New Westminster, B.C. In 1928 he accepted a call to St. Andrew's, Campbellford, Ont., where he ministered for two years before going to Elmvale, Ontario. His years in Elmvale were most rewarding in that three boys from his congregation there, entered the ministry—Rev. E. F. Dutcher of Owen Sound, Rev. John S. Bell of Finch and Rev. Orville Locke of London. Miss Anne Storey, of the same congregation, became a deaconness missionary and served in British Guiana for several years. From Elmvale, Dr. Mark came to St. Andrew's, Hanover and served the congregations of Hanover and Ayton for 13 years. He was inducted into the charge on June 30th, 1940 and resigned on October 31st, 1952, due to ill health.

Funeral services were held in St. Andrew's church, Hanover on Saturday, Sept. 1st at which time the Moderator of Bruce Presbytery conducted the service with other members of the court taking part.

In the passing of Dr. Mark, The Presbyterian Church in Canada has lost a most faithful and loyal servant. He was always diligent in his attendance at the Courts of the Church and while health permitted gave of himself freely to the Church which he loved so much.

He leaves to mourn his loss, his wife and one daughter, Mrs. Gordon Pickard of Lindsay, Ontario.

REV. HUGH A. PRITCHARD

The Rev. Hugh Aethrevy Pritchard passed away at the Manse, Rodney, Ontario, on 28th January, 1957.

Mr. Pritchard was born in Bangor, North Wales, on August 24, 1896. After receiving his early education there, he was engaged in the business world. Being closely identified with church work, and often serving as a lay preacher, his heart was set on the ministry.

After 25 years in business he came to Canada in November, 1929. Studying at University of Toronto, and Knox College, he finished his training for the ministry at the Presbyterian College, Montreal, in 1939. While at college at Montreal he took charge as student pastor of the Welsh Church in that city where services were conducted in the Welsh language. He had also charge of the congregation of Cote Des Neiges for a time.

On completion of his college course, Mr. Pritchard was ordained in the Welsh Church on 15th October, 1939. He also served in the united congregations of Orms-town and Rockburn, P.Q., 1944-1948; Atwood 1948, 1953, coming to Rodney in November, 1953.

Mr. Pritchard was a faithful pastor and diligent student of The Word, labouring with much acceptance and success in all his fields of service. He never spared himself, either in his pastoral work or in the activities of the courts of the church. His good humor and cheery word made him many friends. He was a man of singular courage in facing difficulties or suffering.

One of a family of nine, Mr. Pritchard married in 1912, the former Mary Foulkes of Chester, England. He is survived by his wife, a son Eric, of Dunville; a sister, Mrs. Nellie Griffiths Davies of North Wales, and one older brother, Owen, of Frankfort, Kansas, also two grandchildren.

The funeral was conducted by the Presbytery of London, Rev. A. W. Hart, Moderator, conducting the service. Rev. G. M. Lamont, of Mitchell, offered prayer. Rev. T. J. Blakely read the Scripture and Rev. D. McInnes, Ridgeway, gave the address. Interment was in Rodney Cemetery, where Rev. J. R. Waldie took the committal service, Rev. C. A. McCarroll leading in prayer.

The Presbytery extends its deepest sympathy to the sorrowing family and relatives.

Synod of Manitoba

REV. WILLIAM ALFRED HUNTER, B.A., B.D.

On May 20, 1956, at Port Arthur, Ontario, where he had made his home after his retirement from the active ministry, the Rev. William Alfred Hunter died at the age of 79 years. Born in Toronto, he was graduated from Toronto Bible College in 1900. While serving on mission fields in Manitoba under Dr. James Robertson, he pursued his studies at the University of Manitoba where he gained his B.A. degree in 1907. In 1910 Mr. Hunter was graduated from Presbyterian College, Montreal, as Bachelor of Divinity, winning the gold medal and the Travelling Scholarship which he used for a year of postgraduate work at Trinity College, Glasgow.

Following ordination, Mr. Hunter served the congregation of Reston, Man. until in 1916 he was accepted as a missionary of our Church in Trinidad, B.W.I., and from 1926 to 1930 in British Guiana. Until his retirement in 1948, he ministered to congregations in Harrington and Madoc and Bradford in Ontario, and at Fort Coulonge, Quebec.

Mr. Hunter was a scholarly and evangelical preacher, a wise and compassionate pastor and a competent teacher, possessing a winsome personality and living among his fellowmen as a blameless and admirable Christian gentleman.

He is survived by his widow, who resides in Port Arthur; one daughter, Marian, R.N., Newmarket, Ont.; and three sons: Campbell, of Port Arthur; Allan, with the R.C.A.F. at Trenton, Ont.; and Fred, with the R.C.A.F. at Macdonald, Man. Synod of British Columbia

REV. JAMES HYDE

Rev. James Hyde, who retired from the active ministry in 1947, and was on the Appendix to the Roll of the Presbytery of Victoria, died in the Royal Columbian Hospital, New Westminster, B.C. March 13, 1957. He was Moderator of the Synod of British Columbia in 1940.

Born in Kilkenny, Ireland, Mr. Hyde was educated at Hermon School, Mass.,

Moody Bible Institute, Chicago, and Yale Divinity School. From Westminster Hall, Vancouver, he was graduated, and ordained in 1910. Most of his ministry was spent in British Columbia, in charges in Vancouver and Victoria. During 1930-35 he was minister in Fairbank Church, Toronto. In the first great war he served as a Chaplain with the Canadian Forces. His long ministry was characterized by evangelistic zeal and faithful devotion to His Lord.

He is survived by his widow, in the hospital, and two daughters, Mrs. Thomas Cochrane, Vancouver, and Mrs. Sydney Silvester, Alaska. The funeral service was conducted by Rev. F. G. St. Denis, Clerk of the Synod of British Columbia.

REV. ROBERT HENRY LYTTLE, B.D.

The Rev. Robert Lyttle, B.D., died in St. Joseph's Hospital, Victoria, B.C., on Sunday, November 11, 1956, at the age of seventy. Last June he retired from the active ministry, owing to a break down in health. He was born in Belfast, Ireland, and coming to Canada, he graduated from Robertson Presbyterian College, Edmonton, Alberta, in 1921.

At the time of Church Union Mr. Lyttle was active in the Province of Alberta, and organized and was minister of Strathcona Church in the city of Edmonton. Coming east, Mr. Lyttle served in Royce Avenue, Toronto, and in Riverside, near Windsor, Ontario. Returning west, he spent his last six years in Knox Church, Sooke, near Victoria, B.C., where his ministry will be remembered for raising the congregation to a self-sustaining charge, and erecting a fine new church building.

The funeral service was conducted by the Presbytery of Victoria, in the church, and interment was in the Knox Church Cemetery. He is survived by his widow, two daughters, Mrs. H. B. Harris and Mrs. E. Boldt, and one son, David, all of Victoria.

REV. JAMES EVANS, B.A., D.D.

With a keen sense of sorrow and loss, the Presbytery of Westminster records its profound gratitude to our Lord for the faithful ministry, loyal friendship and wise counsel of the Reverend James Evans, B.A., D.D. who passed away so suddenly in the early hours of April 5th, 1957.

Beloved by all, fitting tribute to his memory was paid by the large congregation at the funeral service conducted by the Moderator of Presbytery, Rev. R. S. M. Kennedy, assisted by Rev. J. M. Pollock and Rev. Murdo Nicolson, who in the address bore testimony to Mr. Evans' gifts and labours as pastor, preacher and Presbyter, not forgetting his personal faith and devotion to the Saviour.

For the last eighteen years the work in West Point Grey Church has prospered under God during the period of Mr. Evans' leadership, and his sphere of influence widened in helpfulness in many inter-church organizations and projects. He was ever faithful in Presbytery and Synod as member and Moderator, diligent in committee and convener'ship. The General Assembly had his good services in several Boards and Committees, a particular contribution being made to the Board of Christian Education.

A Welshman, James Evans came from the old land to New Westminster, B.C., where he took up studies in Columbian College. He graduated from Queen's University, Kingston, and took work at Knox College; also summer courses at the Universities of Liverpool and Oxford.

A gifted orator and organizer, Mr. Evans spent some years as manager and lecturer in Canadian Chautauqua.

After assisting Dr. John Stephen at St. Andrew's, Kingston, he ministered to the congregations at Indian Head and Qu'Appelle. While in Saskatchewan he was Moderator of that Synod, and in 1939 accepted the call of the Vancouver congregation, leading to such a happy and successful pastorate.

With great satisfaction we received the announcement that, in recognition of Mr. Evans' great gifts and services, the Presbyterian College, Montreal, had conferred on him the Degree of Doctor of Divinity (*honoris causa*).

To Mrs. Evans, and their son, Rev. James W. Evans, now minister of St. Andrew's Church, Nanaimo, this Presbytery expresses its sincere sympathy in their bereavement, asking of our Saviour that His Comfort and Hope will be granted to them.

REPORT OF THE RADIO-AUDIO VISUAL COMMITTEE

At the beginning of the year, there were two different Committees. The Radio Committee was a Committee of the General Assembly and the Audio Visual Education Committee was under the jurisdiction of the General Board of Missions. During the early months of the year, these Committees saw that they had common problems and that many of the techniques required in the implementation of programmes belonged to both Radio and Audio Visual departments. After many consultations it was agreed that these Committees might be combined into one, and have the attention of a full-time secretary appointed by the General Assembly. The General Assembly, in 1955 had authorized the Committees to send down to Presbyteries a request for nominations for the post of Secretary of the Joint Committee. However, at the Assembly of 1956 it was found inexpedient to appoint a Secretary, and instead of leaving the Committees under their original jurisdictions the Assembly set up the new Joint Committee, but the financial arrangements remained for the Radio Committee under the General Assembly and the Audio Visual Committee under the General Board of Missions. For the past year, therefore, we have functioned as a Committee of the Assembly, but have drawn our resources from these two parent bodies.

The fact that the two former Committees were compacted into one has given us a chance throughout the year to test out the relationship between Radio and Audio Visual, and has demonstrated that there are many things which the Committees share. There are, of course, special phases which need to be given attention in both the Radio and Audio Visual fields.

Early in the year the Radio Committee, because of its relationship to the National Religious Advisory Council and the Radio Committee of the Canadian Council of Churches, became involved in the hearings of the Royal Commission on Radio and Television. Our Church co-operated with the National Religious Advisory Council and with the Canadian Council of Churches in presenting a brief to the Commission. A great many of the recommendations from our own Board were written into the brief which was presented and thus we shared with the other churches in our recommendations to the Royal Commission. In the main programmes under the N.R.A.C. "Religious Period and Church of the Air", our Church constituency which constitutes approximately 5.6 percent of the Canadian population, took its share of responsibility. The Church of the Air, beginning with January, the following ministers and congregations broadcast: The Rev. D. A. Wilson, Sydney Mines, Nova Scotia; the Right Rev. Finlay G. Stewart, Kitchener, Ontario, assisted by the Rev. George Murdoch of Waterloo; The Rev. Edward J. White of Edmonton. The Rev. J. S. McBride, Montreal; The Rev. Ross Adams, Fergus; The Rev. J. H. Williams, Sault Ste. Marie; The Right Rev. Finlay G. Stewart, as Moderator of the General Assembly of The Presbyterian Church in Canada; the Rev. James Marnoch, Winnipeg; The Rev. John Carson, Swift Current; The Rev. D. D. Davidson, Central Presbyterian Church, Vancouver; The Rev. S. McGladdery, Penticton; and The Rev. Alex S. Renton, Verdun, Quebec. On "Religious Period" were; a pre-Easter series through April conducted by the Rev. Max Putnam, Listowel and The Rev. Ernest G. B. Foote, Chaplain of the Fleet. On the Television

Schedule were: Knox Crescent-Kensington Church, Montreal and St. Giles Presbyterian Church, Ottawa.

In addition, the Radio Committee was asked to assist in providing broadcasts in Kamloops Presbytery of British Columbia.

Additional materials were prepared for broadcasting from tape recordings. These have been circulated, especially through the frontier stations and have been used throughout the year. New materials are in the process of being made.

The Audio Visual Education Committee has purchased the following material: "Crossroads"; "The Beginning"; a film on India by our missionary, the Rev. Russell Self; and two films from the National Film Board. Two copies of the film, "Martin Luther" were purchased and began extensive circulation through the Church. Filmstrips, "The Beacon Film", "The Living Word", "The Living Church", "Laymen Witness for Christ", "Sunday Around The World", Life Series, "David and Jonathan", the Life of St. Paul Series, "School and Synagogue", "South-Eastern Asia" new Christmas filmstrips and a variety of others for Christian Education were purchased. We also purchased the S.C.A. kit for the Board of Christian Education. During the year, the Committee was responsible for Work Shops in the Toronto area, and sent out materials to guide people in all the Presbyteries putting on their own Work Shops of two types (a) the single night Work Shop and (b) the two day Work Shop.

During the year we were short of staff in the Department of Visual Aids and it was impossible for the staff which we had to overtake all the orders and the work production which devolves upon the Department. There were many complaints from various parts of the Church with regard to films, filmstrips and slides, either not arriving or arriving too late. With the prospect of the addition of Miss Laura K. Pelton, who has been engaged as script writer for the Department, and with the prospect, too, of more efficient secretarial help, the deficiencies of the Department in this regard will be overcome. During the year 450 sets of slides were circulated, 1015 filmstrips and 377 films.

We appreciate very much the assistance which has been given us financially by the Women's Missionary Society (Western Division) and the Woman's Missionary Society (Eastern Division). Their total gifts to the Department were \$1,300.

To date there has been no charge made for the slide sets. From film rentals we received an income of \$1,180.16.

Again it should be pointed out that we are not permitted by the publishers of films to let films go out under the set rate which has been established by the Company who holds the copyright.

The whole matter of Radio and Audio Visual Education in the life of the Church is one which concerns almost every phase of our Church work and witness. It would be in the interest of our Church in its teaching mission to have Work Shops in every part of Canada. These could be done denominationally or co-operatively with other Churches and other organizations.

The handling of films and filmstrips, particularly, has given us cause for a great deal of concern. A new film may cost as much as \$550 and on some occasions new films come back from their first showing badly damaged. This means they are taken out of circulation while the damage is repaired.

J. A. MUNRO,

Secretary.

No. 1—PRESBYTERY OF EAST TORONTO

Re REPORT OF COMMITTEE ON "THE MISSION AND STATE OF
THE CHURCH", 1956

To the Venerable the General Assembly:

The Presbytery of East Toronto, having considered carefully the Remit on "The Mission and State of the Church" finds as follows:

1. The quality of the report as a whole is negative.

2. The roster of criticisms involved in the report is unjust; It was noted by the Court that every department of church life and work was subjected to severe criticism, with the prominent exception of the Boards and Committees (who 'considering the limitations of money and personnel . . . carry out their duties far more efficiently than might be expected').

Presbytery would point out that these limitations apply to the whole Church—that whatever there is of praise or blame applies to the whole.

3. There is a distinctly sectarian flavour about the report. Loyalty to the denomination, good in itself, here overshadows the higher loyalty to the Church Catholic and Universal.

The report is to be commended in its treatment of "the personal daily repeated commitment of the individual to Jesus Christ as Saviour and Lord, but it does not relate that commitment adequately to the destiny of our denomination in this ecumenical age."

W. T. MCCREE,
Clerk.
